Ideology And Image Britain And Language:

Ideology and Image D. E. Ager, 2003-01-01 This book describes and evaluates recent Language Planning and Policy in the British Isles Issues including minority language rights language resources for the state and the citizen and problems such as the standard English battle and policy for Welsh and Gaelic are analysed against the background of detailed study of contemporary British society and politics *Bad English* Rachael Gilmour, 2020-07-28 *Bad English* examines the impact of increasing language diversity in transforming contemporary literature in Britain in the context of its contested language politics Exploring a range of poetry and prose it makes the case for literature as the preeminent medium to probe the terms and conditions of linguistic belonging **Language Policy** Bernard Spolsky, 2004 Publisher Description Europe and the Politics of Language Máiréad Nic Craith, 2005-12-14 Do political boundaries impact on concepts of language How significant is language for citizenship in contemporary Europe Can disputed languages acquire full status Should non European languages receive recognition from the EU These are among the many questions explored in this new study of official regional and disputed languages in an ever changing European context Broad policy issues and the performance of the range of instruments of policy at local national and European levels are illustrated with reference to case studies across Europe

Scottish Newspapers, Language and Identity Fiona M Douglas, 2009-03-31 The first decade of the new Scottish Parliament has seen the emergence of a new found national confidence Scottishness is clearly alive and flourishing This book offers new and detailed insights into Scottish language and its usage by the Scottish press To what extent does the use of identifiably Scottish lexical features help them to maintain their distinctive Scottish identity and appeal to their readership Which Scottish words and phrases do the papers use and where is it a symbolic gesture do they all behave in the same way and has this changed since devolution Combining analysis of broad trends with detailed discussion of individual Scottish words and phrases its timely publication coincides with a period when interest in things Scottish is at an all time high

Language Prescription Don Chapman, Jacob D. Rawlins, 2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration **The Languages of Nation** Carol Percy, Mary Catherine Davidson, 2012-07-25 This collection brings together research on linguistic prescriptivism and social identities in specific contemporary and historical contexts of cross cultural contact and awareness Providing multilingual and multidisciplinary perspectives from language studies lexicography literature and cultural studies our contributors relate language norms to

frameworks of identity beyond monolingual citizenship nativeness ethnicity politics religion empire Some chapters focus on traditional instruments of prescriptivism language academies in Europe government language planners in southeast Asia dictionaries and grammars from Early Modern and imperial Britain republican America the postcolonial Caribbean and modern Germany Other chapters consider the roles of scholars in prescriptivism as well as the more informal and populist mechanisms of enforcement expressed in newspapers With a thematic introduction articulating links between its breadth of perspectives this accessible book should engage everyone concerned with language norms

Multilingualism in Post-Soviet Countries Aneta Pavlenko, 2008 In the past two decades post Soviet countries have emerged as a contested linguistic space where disagreements over language and education policies have led to demonstrations military conflicts and even secession This collection offers an up to date comparative analysis of language and education policies and practices in post Soviet countries

Language in the British Isles David Britain, 2007-08-23 The British Isles are home to a vast range of different spoken and signed languages and dialects Language continues to evolve rapidly in its diversity in the number and the backgrounds of its speakers and in the repercussions it has had for political and educational affairs This book provides a comprehensive survey of the dominant languages and dialects used in the British Isles Topics covered include the history of English the relationship between Standard and Non Standard Englishes the major non standard varieties spoken on the islands and the history of multilingualism and the educational and planning implications of linguistic diversity in the British Isles Among the many dialects and languages surveyed by the volume are British Black English Celtic languages Chinese Indian European migrant languages British Sign Language and Anglo Romani Clear and accessible in its approach it will be welcomed by students in sociolinguistics English language and dialectology as well as anyone interested more generally in language within British society

Minority Language Media Michael J. Cormack, Niamh Hourigan, 2007-01-01 This book is an international collection of essays by 14 researchers Included are essays on general topics on minority language media as well as studies of specific examples The contributors are all experienced researchers in this field Taken as a whole the book is the first attempt to define and develop minority language media as a distinct field of study

Imagining Multilingual Schools Ofelia García, Tove Skutnabb-Kangas, Maria E. Torres-Guzmán, 2006 This book brings together visions and realities of multilingual schools throughout the world in order to examine the pedagogical socioeducational and sociopolitical issues that impact on their development and success The chapters describe and analyze pedagogical instructional and policy efforts to develop multilingualism through school with different targeted populations immigrant students indigenous peoples traditional minorities majorities and multiethnic multilingual groups Each contribution many written by well known scholars in the field of bilingual and multilingual education affirms the desirability of multilingualism as a societal resource and as a right of individuals while acknowledging the social economic and political differences that make the acquisition of multilingualism easy for some and difficult for others And yet the book focuses on the school as a place of promise and

resistance having the potential to preserve recover and expand the world's linguistic diversity The introduction written by the co editors identifies the conceptual threads that are developed throughout the chapters But the chapters themselves remind us of the importance of local conditions despite the global pressures of the 21st century in imagining and creating multilingual educational spaces

Language Planning and Policy in Europe Robert B. Kaplan, Richard B. Baldauf (Jr.), 2005 This text covers the language situation in Hungary Finland and Sweden explaining linguistic diversity historical and political contexts including language in education planning and the roles of the media of religion and of minority and migrant languages The authors have been participants in the language planning context in these polities

Directions in Applied Linguistics Paul Bruthiaux, 2005 The essays and research papers in this collection explore current issues in Language Education English for Academic Purposes Contrastive Discourse Analysis and Language Policy and Planning and outline promising directions for theory and practice in applied linguistics The collection also honours the life long contribution of Robert B Kaplan to the field

Linguistic Landscapes Peter Backhaus, 2007-01-01 Linguistic Landscapes is the first comprehensive approach to language on signs It provides an up to date review of previous research introduces a coherent analytical framework and applies this framework to a sample of signs collected in Tokyo Linguistic Landscapes demonstrates that the study of language on signs provides a unique research perspective to urban multilingualism

Displacement, Language Maintenance and Identity Anikó Hatoss, 2013-12-15 This monograph presents an ecological perspective to the study of language maintenance and shift in immigrant contexts The ecology incorporates past present and future and treats spatial and temporal dimensions as the main organizing frames in which everyday language use and identity development can be explored The methods combine a quantitative domain based sociolinguistic survey with discourse analytic approaches The novel approach is valuable for fellow researchers working in interdisciplinary fields of language maintenance language shift multilingualism and language planning in migration contexts The ecological perspective adds to sociolinguistic theories of globalization and responds to current dynamics of translocality in modern immigrant contexts The research presents language use and language planning efforts in the Sudanese community of Australia Language culture race and ethnic identity are explored in unique sociolinguistic contexts using an emic research lens and giving voice to the participants

Describing Prescriptivism Ingrid Tieken-Boon van Ostade, 2019-10-08 Describing Prescriptivism provides a topical and thought provoking analysis of linguistic prescriptivism in British and American English from a historical as well as present day perspective Focusing on usage guides and usage problems the book takes a three fold approach to present an in depth analysis of the topic featuring a detailed study of the advice provided in usage guides over the years an authoritative comparison of this advice with actual usage as recorded in British and American corpora including the HUGE Hyper Usage Guide of English database developed specifically to enable this line of study as well as more mainstream corpora such as COCA COHA and the BNC a close analysis of the attitudes to particular usage problems among

the general public based on surveys distributed online through the Bridging the Unbridgeable research project's blog With extensive case studies to illustrate and support claims throughout this comprehensive study is key reading for students and researchers of prescriptivism the history of English and sociolinguistics Found at <https://bridgingtheunbridgeable.com> *In and Out of English* Gunilla M. Anderman, Margaret Rogers, 2005-01-01 In and out of English For Better For Worse is concerned with the impact of English as the lingua franca of today's world in particular its relationship with the languages of Europe Within this framework a number of themes are explored including linguistic imperialism change as the result of language contact the concept of the English native speaker and the increasing need in an enlarged Europe for translation into as well as out of English [Standards, Stigma, Surveillance](#) Ian Cushing, 2022-11-12 This book traces raciolinguistic ideologies in England's schools focusing on post 2010 policy reforms which frame the language practices of low income racialised speakers as limited and deficient Across interviews policy mechanisms and classroom observations the author shows how raciolinguistic ideologies are rooted in British colonial logics which continue to shape contemporary education policy He shows how these policies require marginalised speakers to modify their speech patterns in line with normative standards of whiteness under new guises of social justice and research robustness Finally new visions for language education and linguistic justice are offered demonstrating how teachers can see themselves as language activists to identify resist and reject faults in a hostile and oppressive policy architecture This book draws on fields including critical language policy educational sociolinguistics genealogy raciolinguistics and critical language awareness *Translation of Autobiography* Susan XU Yun, 2017-11-15 This book presents an interdisciplinary study that straddles four academic fields namely autobiography stylistics narratology and translation studies It shows that foregrounding is manifested in the language of autobiography alerting readers to an authorial tone with certain ideological affiliations In refuting the presumed conflation between the author narrator and character in autobiography the study emphasizes readers role in constructing an implied author The issues of implied translator assumed translation and rewriting are explored through a comparative analysis of the English and Chinese autobiographies by Singapore's founding father Lee Kuan Yew The analysis identifies different foregrounding practices and attributes these differences to an implied translator Further evidence derived from narrative communicative situations in the two autobiographies underscores divergent personae of the implied authors The study aims to establish a deeper understanding of how translation and rewriting have a far reaching impact on the self and world making functions of autobiography This book will be of special interest to scholars and students of linguistics literature translation and political science *Re-positioning Accent Attitude in the Global Englishes Paradigm* Fan (Gabriel) Fang, 2019-11-26 This book revisits the issue of China English as a developing variety of English and scrutinises students and teachers attitudes towards their own and other English accents from the critical phenomenological perspective of Global Englishes GE in the Chinese context The research contributes to the field of GE by proposing a model of pronunciation

teaching called ToPIC Teaching of Pronunciation for Intercultural Communication informed by interculturally responsive language pedagogy Combining theory and empirical data the book presents ground breaking research on accent attitudes in the Chinese context within the GE paradigm and raises issues and concerns regarding teaching English particularly speaking and pronunciation from the GE perspective Unpacking attitudes towards English accents from a critical perspective this book will both show policy makers the need to consider the impacts of GE and help practitioners and language learners re evaluate the goals and needs of English learning The ToPIC approach also has significance for curriculum reform as it readdresses various issues in language policy and practice The ToPIC approach is recommended for those interested in teaching and learning English in the expanding circle context and those seeking to learn more about learning and using English across the world
