Nairn,2019-11-17 Don t be fooled by the soft fairy tale beginning of this work When an Angel Falls as it offers you another theory on how we all came into existence Because of the current calamitous state of the world that suffers from an obvious racial divide and a drastic decline in moral fortitude there is a clear distinction between good and evil From the Kremlin in Russia that undermined the democracy of the Western world to the ISIS demonic plague that is wreaking havoc in Levant in the Middle East as well as in selective countries around the world Satan and his demons appear to be tapping into a series of triangulations using the social network spearfishing tactics and dog whistling conversion methods This triangulation starts at the point of 2 billion social media followers followed by a seven step breakdown to the mark of the beast This would be explained in detail in the story should you choose to read it The end of the world s cycle is

fast approaching This has prompted God to send his three Top angels Gabriel Raphael and Michael the Archangel who is leading the team to earth They are on an assignment for Him They would literally and physically destroy and rip apart anything that tries to derail their mission to right the wrong on the earth Stephan Smith a morally insightful man of faith was touched by the angel Gabriel and he along with journalist Christopher Rogers and detective Danny Stone forms a team in California to shut down a series of wrongdoing perpetrated by white supremacists in an effort to disrupt Satan's major diabolical plot Thousands of miles away in London England Carla Wallace a lawyer who is accompanied by her cousin Sandra Wright who has the same moral strength and faith was touched by the angel Raphael and they along with Brent Russell an MI 5 agent team up to stop a series of events designed to change the world as we know it Dunstan Archer who worked as an elderly caretaker in Cleburne County Alabama was incarnated as Andrealphus one of Lucifer's fallen angels After Lucifer and his selective angels took up residence on the earth Andrealphus soon realized that he was caught up in the politics and evil conspiracies of the day Once he realized that he made a mistake he decided to flee with hopes of getting back into God's good graces He and both of his friends Dr Angela Romano and Julian Bates took an adventurous trip to the Great Angel Falls of South America Venezuela in order to assist Sam Watson his mentor who was incarnated by Gabriel Every effort had to be made to defuse the dark angel's plot Filled with riveting heart stopping twists and turns this tale is an eye opener and a page turner
