Cubicle Cowboy Jeff Metzger, 2005-08-01 Cubicle Cowboy is a bawdy satire about losing one s identity in American corporate culture The protagonist is so thoroughly brainwashed by the corporate behemoth that he cannot even remember

his name at the end of the story His only vestige of self consciousness is his employee badge number 65436 Our hero labors day in and day out drowning in the monotony of his cubicle culture In order to ward off insanity his personal life grows more and more outrageous as he attempts to prove to himself that he is something more than a cog in the machine He becomes romantically involved with a mysterious and troubled co worker he acquires a stripper roommate and drama ensues he takes physically taxing and profoundly bibulous overnight vacations to Mexico and New Orleans And all of these scenes are transparent attempts to prove that he is alive which his cubicle and his headset and the absurd bureaucracy of his employer are striving to refute eighty hours per week
