Illinois Real Estate License Exam Prep Stephen Mettling, David Cusic, Ryan Mettling, 2024-11-20 Features of Performance Programs Company s Illinois Real Estate License Exam Prep IL RELEP National Principles Law Key Point Review 60 pages Real Estate Math Key Formula Review Practice 20 pages Illinois Specific Laws and Regulations Key Point Review 32 pages National Practice Tests 500 questions Illinois Practice Tests 125 questions Illinois Sample Exam 100 questions We know the real estate licensing exam can be tough and very nerve wracking to prepare for That s why we created the Illinois Real Estate License Exam Prep IL RELEP the way we did Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work IL RELEP is comprehensive in that it contains both key content review and testing practice And the text review is Illinois specific not just simplistic national content but terse relevant and accurate Illinois laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization But let s not dismiss the importance of the national content either IL RELEP s national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by PSI for Illinois Thus the breadth and depth of

the law reviews and test questions reflect the topic emphasis of your state's testing service and your Illinois license exam. A word about the test questions: IL RELEP's testing practice section consists of ten national practice tests, three state practice tests, and one state exam sample test. The practice tests are roughly 50 questions in length, and the sample test is 100 questions. The test questions are designed to cover the content covered by the law reviews, which reinforces your learning of the total body of information tested by your state exam. The questions are direct to the point and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation or rationale to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass your state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Illinois real estate exam. So good luck!
