Janus Man:

The Janus Man Colin Forbes, 1998 Janus Man Colin Forbes, 1996-01-12 *Janus Man* C. Forbes, 1996 V. King, 2008-01-01 Titan's Sister is about to set sail on her maiden voyage from a harbor in northern Florida But just as the ship's brash young owner begins the sequence to launch a sudden unexplainable accident takes the life of one of the crew Not long afterward shipbuilder Abram Harwood watches in horror as the dock on which the massive hull rests catches fire soon turning the area into a raging inferno Against his own reasoning Harwood slowly comes to the realization that a chain of unusual and dangerous events has begun that could launch his beautiful new ship straight into harm's way In *Titanic Relative Fate* we meet Titan's Sister the sister of the doomed Titanic Built as a modernized replica of the legendary vessel Titan's Sister is a wonder to behold Yet Harwood begins to question whether there is more than just a physical resemblance between the two ships Intrepid detective Melika Jones joins the ship's virgin voyage to investigate the strange accidents surrounding Titan's Sister Yet instead of solving the mystery Jones and Harwood are faced with a new nightmare once Titan's Sister is finally at sea and they begin to wonder if she awaits the same fate as the Titanic **Controlling Time and Shaping the Self** J. Arianne Baggerman, Rudolf M. Dekker, Michael James Mascuch, 2011-06-22 This book gives answers to questions surrounding the rise of autobiographical writing from the sixteenth to the twentieth century by analyzing texts varying from the time of the Spanish Inquisition to post war Japan *A Transatlantic Avant-garde* Sophie Lévy, Christian Derouet, 2003 Catalog of an exhibition held at Musée d'Art Américain Giverny France Aug 31 Nov 30 2003 Tacoma Art Museum Tacoma Wash Dec 18 2003 Mar 28 2004 and Terra Museum of American Art Chicago April 17 June 27 2004 From The Ashes Luke Courtney, 2014 Born in a secluded village in the kingdom of Verdenta ruled over by the iron fist of the Empire of the Phoenix and its cruel domineering ruler Empress Maeivra the so called Witch Queen Diarmud never imagined he would experience anything out of the ordinary But overnight he finds himself caught up in a struggle to free the world from the tyranny of a sorceress in thrall to far greater and more terrible powers who watch the races of the world with hateful eyes Hounded from his home by the Empress's agents Diarmud finds himself to be the sole survivor of a secretive project to create a breed of warrior from a forgotten age of the world a weapon meant for conquest to be the first of Maeivra's new order Accompanied by his guardian the old bard Cameron and his closest friend Tabitha Diarmud must race across hostile territory to find those devoted to keeping him safe and their world free from the clutches of the mad queen and the entities she worships and prepare for the struggle that is to come The Evolution of a Creationist Jobe Martin, Jobe Ralph Martin, 2004 In his book *The Evolution of a Creationist* Dr Jobe Martin chronicles his personal journey from traditional scientist to creationist He was a traditional evolutionist but it was his medical and scientific training that would go through an evolution when he began to study animals that challenged the scientific assumptions of his education Dr Martin has been exploring the evolution vs creation debate for the past 20 years His findings have been fascinating students around the world as he lectures on these

remarkable animal designs that cannot be explained by traditional evolution Dragon Bone Hill Noel T. Boaz, Russell L. Ciochon, 2004-02-16 Peking Man a cave man once thought a great hunter who had first tamed fire actually was a composite of the gnawed remains of some fifty women children and men unfortunate enough to have been the prey of the giant cave hyena Researching the famous fossil site of Dragon Bone Hill in China scientists Noel T Boaz and Russell L Ciochon retell the story of the cave s unique species of early human Homo erectus Boaz and Ciochon take readers on a gripping scientific odyssey New evidence shows that Homo erectus was an opportunist who rode a tide of environmental change out Africa and into Eurasia puddle jumping from one gene pool to the next Armed with a shaky hold on fire and some sharp rocks Homo erectus incredibly survived for over 1 5 million years much longer than our own species Homo sapiens has been on Earth Tell tale marks on fossil bones show that the lives of these early humans were brutal ruled by hunger and who could strike the hardest blow yet there are fleeting glimpses of human compassion as well The small brain of Homo erectus and its strangely unchanging culture indicate that the species could not talk Part of that primitive culture included ritualized aggression to which the extremely thick skulls of Homo erectus bear mute witness Both a vivid recreation of the unimagined way of life of a prehistoric species so similar yet so unlike us and a fascinating exposition of how modern multidisciplinary research can test hypotheses in human evolution Dragon Bone Hill is science writing at its best **The Wall** Douglas Jackson, 2022-06-09 AD 400 Rome and its Empire are failing Veteran cavalry commander Marcus Flavius Victor sets out with his regiment to make what may be his final tour of the forts along Hadrian s Wall Through a combination of military prowess brutality and bribery Marcus has spent twenty years keeping the savage Picts at bay Feared by his enemies and hated by his superiors his strength of will is the only thing that has held the disgruntled poorly paid garrisons of the Wall in place as the failing Roman Empire s grip on Britannia weakened Yet as this tour of the wall progresses it becomes increasingly clear that this is more than a routine inspection Why is Marcus stripping the defences of cavalry to strengthen his own force Is he negotiating with the Picts or conspiring with them And who is the mysterious figure who follows Marcus every move and yet hides in the shadows Segeduno Cilurno Brocolitia Vindolanda each fort holds memories and friendships hides rivals or conceals enemies But what exactly is Marcus Flavius Victor s ultimate objective It would appear he is willing to risk bloody civil war in a bid to seize Britannia for himself Or is he raising an army to save the province from the darkness that waits on the other side of the Wall Hailed as one of our very best historical novelists Douglas Jackson returns to the world of ancient Rome with this epic novel of a failing empire and a world on the brink **A Georgian Heroine** Joanne Major, Sarah Murden, 2017-11-30 A very fair and balanced portrait of one of the Regency era s most remarkable and most unknown women from the authors of A Right Royal Scandal Jacqueline Reiter author of Earl of Shadows Rachel Charlotte Williams Biggs lived an incredible life one which proved that fact is often much stranger than fiction As a young woman she endured a tortured existence at the hands of a male tormentor but emerged from that to reinvent herself as a playwright and author a political pamphleteer and a spy

working for the British Government and later single handedly organizing George III s jubilee celebrations Trapped in France during the revolutionary years of 1792 95 she published an anonymous account of her adventures However was everything as it seemed The extraordinary Mrs Biggs lived life upon her own terms in an age when it was a man s world using politicians as her mouthpiece in the Houses of Parliament and corresponding with the greatest men of the day Throughout it all though she held on to the ideal of her one youthful true love a man who abandoned her to her fate and spent his entire adult life in India In *A Georgian Heroine* we delve into Mrs Biggs life to reveal her accomplishments and lay bare her continued reinvention of herself This is the bizarre but true story of an astounding woman persevering in a man s world Reading the first few pages of this absorbing biography it is hard to believe that the authors haven t concocted a wild historical spoof for this is truly an amazing story Jane Austen s Regency World **A family story: a comedy [by J.
