Japan And Okinawa Structure And Subjectivity:

Japan and Okinawa Glen D. Hook, Richard Siddle, 2003-08-29 *Japan and Okinawa* provides an up to date coherent and theoretically informed examination of Okinawa from the perspective of political economy and society. It combines a focus on structure and subjectivity as a way to analyze Okinawa, Okinawans and their relationship with global, regional and national structures. The book draws on a range of disciplines to provide new insights into both the contemporary and historical place of Okinawa and the Okinawans. The first half of the book examines Okinawa as part of the global, regional and national structures which impose constraints as well as offer opportunities to Okinawa. Leading specialists examine in detail topics such as Okinawa as a frontier region, Okinawa's Free Trade Zones and response to globalization and Okinawa as part of the Japanese construction state being particularly concerned with how Okinawa can chart its own course. The second half focuses on questions of identity and subjectivity, examining the multitude of vibrant cultural practices that breathe life into the meaning of being Okinawan and inform their social and political responses to structural constraints. The originality of this book can be found in its elucidation of how the structural constraints of Okinawa's precarious position in the world, the region and as part of Japan impact on subjectivity. For many Okinawans in the past as now, acceptance and rationalization of their dependency has made them collaborators in their own subordination. At the same time, however, they have demonstrated a capacity to give voice to a separate identity, inscribing cultural practices marking them as different from mainland Japanese.

Japanese Cinema and Otherness Mika Ko, 2013-05-13 Over the last 20 years, ethnic minority groups have been increasingly featured in Japanese films. However, the way these groups are presented has not been a subject of investigation. This study examines the representation of so-called Others: foreigners, ethnic minorities and Okinawans in Japanese cinema. By combining textual and contextual analysis, this book analyses the narrative and visual style of films of contemporary Japanese cinema in relation to their social and historical context of production and reception. Mika Ko considers the ways in which multicultural sentiments have emerged in contemporary Japanese cinema. In this respect, Japanese films may be seen not simply to have reflected more general trends within Japanese society but to have played an active role in constructing and communicating different versions of multiculturalism. In particular, the book is concerned with how representations of otherness in contemporary Japanese cinema may be identified as reinforcing or subverting dominant discourses of Japaneseness. The author's book also illuminates the ways in which Japanese films have engaged in the dramatisation and elaboration of ideas and attitudes surrounding contemporary Japanese nationalism and multiculturalism. By locating contemporary Japanese cinema in a social and political context, *Japanese Cinema and Otherness* makes an original contribution to scholarship on Japanese film study but also to bridging the gap between Japanese studies and film studies.

Myth, Protest and Struggle in Okinawa Miyume Tanji, 2007-01-24 Okinawan people have developed a unique tradition of protest in their long history of oppression and marginalization. Beginning with the Ryukyu Kingdom's annexation to Japan in

the late nineteenth century Miyume Tanji charts the devastation caused by the Second World War followed by the direct occupation of post war Okinawa and continued presence of the US military forces in the wake of reversion to Japan in 1972 With ever more fragmented organizations identities and strategies Tanji explores how the unity of the Okinawan community of protest has come to rest increasingly on the politics of myth and the imagination Drawing on original interview material with Okinawan protestors and in depth analysis of protest history Myth Protest and Struggle in Okinawa will appeal to scholars of Japanese history and politics and those working on social movements and protest

The Influence of Sub-state Actors on National Security Minori Takahashi, 2019-01-14 This book sheds light on the process in which the sub state actor of Greenland has expanded its autonomy and strengthened its de jure participation in the national security of Denmark By focusing on the case of the US Thule Air Base in Greenland the largest military base in the Arctic the authors endeavor to show that in the relationship between great powers small countries and local actors within them it is possible for local actors sub national entities to have an influence on higher level actors in the field of diplomacy on the national security level For that purpose the book examines political trends involving Greenland Denmark the US and Russia by using the multilateral multi archive approach The authors also take up the cases of Okinawa Japan and Olongapo the Philippines as reference points that provide additional insight into the interaction between the US policy regarding overseas military bases and the host countries polities The competition involving political and economic interests of a number of countries in the Arctic region has been intensifying in recent years causing significant concern in the international community Due to the accelerated melting of sea ice and the increase in the accessibility of natural resources and water lanes the security situation in the Arctic has been changing rapidly and this book helps meet the need for understanding the political and military factors behind those changes

Resistant Islands Gavan McCormack, Satoko Oka Norimatsu, 2018-03-08 Now in a thoroughly updated edition Resistant Islands offers the first comprehensive overview of Okinawan history from earliest times to the present focusing especially on the recent period of colonization by Japan its disastrous fate during World War II and its current status as a glorified US military base The base is a hot button issue in Japan and has become more widely known in the wake of Japan s 2011 natural disasters and the US military role in emergency relief Okinawa rejects the base dominated role allocated it by the US and Japanese governments under which priority attaches to its military functions as a kind of stationary aircraft carrier The result has been to throw US Japan relations into crisis bringing down one prime minister who tried to stop construction of yet another base on the island and threatening the incumbent if he is unable to deliver Okinawan approval of the new base Okinawa thus has become a template for reassessing the troubled US Japan relationship indeed the geopolitics of the US empire of bases in the Pacific

Journalism and Democracy in Asia Michael Bromley, Angela Romano, 2012-10-12 Journalism and Democracy in Asia addresses key issues of freedom democracy citizenship openness and journalism in contemporary Asia looking especially at China Japan Korea Indonesia the Philippines and India The authors

take varying approaches to questions of democracy whilst also considering journalism in print radio and new media in relation to such questions as the role of social political and economic liberalization in bringing about a blooming of the media the relationship between the media and the development of democracy and civil society and how journalism copes under authoritarian rule With contributions from highly regarded experts in the region examining a broad range of issues from across Asia this book will be of high interest to students and scholars in political communications journalism and mass communication and Asian studies

Heritage Politics Tze May Loo, 2014-03-14 Heritage Politics Shuri Castle and Okinawa's Incorporation into Modern Japan 1879 2000 is a study of Okinawa's incorporation into a subordinate position in the Japanese nation state and the role that cultural heritage especially Okinawa's iconic Shuri Castle plays in creating maintaining and negotiating that position Tze May Loo argues that Okinawa's cultural heritage has been and continues to be an important tool with which the Japanese state and its agents the United States during its 27 year rule of the islands 1945 1972 and the Okinawan people articulated and negotiated Okinawa's relationship with the Japanese nation state For these three groups Okinawa's cultural heritage was a powerful way to utilize the symbolism of material objects to manage and represent the islands cultural past for their own political aims The Japanese state its agents and American authorities have all sought to use Okinawa's cultural heritage to control discipline and subordinate Okinawa For Okinawans their cultural heritage gave them a powerful way to resist Japanese and American rule and to negotiate for a more equitable position for themselves At the same time however this book finds that Okinawan strategies to deploy their cultural heritage politically are deeply intertwined with and to a significant extent enabled by precisely these Japanese and American attempts to govern Okinawa through its heritage This examination of the political role of Okinawa's cultural heritage is a window into a wider process of how nation states and other political formations make themselves thinkable to the people they rule how the ruled seek out spaces to make claims of their own and how cultural pasts once made usable are implicated in these processes

The Cause of Cosmopolitanism Patrick O'Donovan, Laura Rascaroli, 2011 This work in assessing cosmopolitanism as a cause argues that justifications and critiques of the cosmopolitan are shaped as much by political and cultural forces as by the distinctive philosophical tradition in which it is situated

Visions of Precarity in Japanese Popular Culture and Literature Kristina Iwata-Weickgenannt, Roman Rosenbaum, 2014-11-27 Recent natural as well as man made cataclysmic events have dramatically changed the status quo of contemporary Japanese society and following the Asia Pacific war's never ending postwar period Japan has been dramatically forced into a zeitgeist of saigo or post disaster This radically new worldview has significantly altered the socio political as well as literary perception of one of the world's potential superpowers and in this book the contributors closely examine how Japan's new paradigm of precarious existence is expressed through a variety of pop cultural as well as literary media Addressing the transition from post war to post disaster literature this book examines the rise of precarity consciousness in Japanese socio cultural discourse The chapters

investigate the extent to which we can talk about the emergence of a new literary paradigm of precarity in the world of Japanese popular culture Through careful examination of a variety of contemporary texts ranging from literature manga anime television drama and film this study offers an interpretation of the many dissonant voices in Japanese society The contributors also outline the related social issues in Japanese society and culture providing a comprehensive overview of the global trends that link Japan with the rest of the world Visions of Precarity in Japanese Popular Culture and Literature will be of great interest to students and scholars of contemporary Japan Japanese culture and society popular culture and social and cultural history

Nationalisms in Japan Naoko Shimazu, 2006-09-27 Covering a wide chronological period this clearly presented book brings together leading specialists in the field to discuss how notions of nationalism in modern Japan impinges on all aspects of social political and cultural understanding of the Japanese nation

Communicative Justice in the Pluriverse Joan Pedro-Carañana, Eliana Herrera-Huérffano, Juana Ochoa Almanza, 2022-11-11 This volume examines communicative justice from the perspective of the pluriverse and explores how it is employed to work towards key pluriverse goals of environmental cognitive sociocultural sociopolitical and political economy justice The book identifies and explains the unequal power relations in place that limit the possibilities of communication justice the challenges and difficulties faced by activists and communities the ways in which communities and movements have confronted power structures through discourse and material action and their successes and limitations in creating new structures that promote the right to and facilitate a future for communicative justice The volume features contributions based on experiences of resistance and transformation in the Global South Bolivia Ecuador India Malawi and collaborations between the continents of Latin America and Africa as well as notable studies from the Global North Japan Spain and the United Kingdom that defy hegemonic models This book is essential for students and scholars interested in media and communication activism media practice for development and social change and communication for development and social change as well as those actively engaged with activism and social justice

Uniquely Okinawan Courtney A. Short, 2020-03-03 Uniquely Okinawan explores how American soldiers sailors and Marines considered race ethnicity and identity in the planning and execution of the wartime occupation of Okinawa during and immediately after the Battle of Okinawa 1945 46

Spaces of Possibility Clark W. Sorensen, Andrea Gevurtz Arai, 2016-07-01 Spaces of Possibility which arose from a 2012 conference held at the University of Washington's Simpson Center for the Humanities engages with spaces in between and beyond the national borders of Japan and Korea Some of these spaces involve the ambiguous longings and aesthetic refigurings of the past in the present the social possibilities that emerge out of the seemingly impossible new spaces of development the opportunities of genre and spaces of new ethical subjectivities Museums colonial remains new architectural spaces graffiti street theater popular song recent movies photographic topography and translated literature all serve as keys for unlocking the ambiguous and contradictory yet powerful emotions of spaces whether in Tokyo Seoul or New York

Language Crisis in the Ryukyus

Mark Anderson, Patrick Heinrich, 2015-01-12 Long denigrated as dialects of Japanese the Ryukyuan languages are today recognized as languages in their own right. However, speakers of Ryukyuan languages have suffered from stigmatization, oppressive language policies and domination from outside the Ryukyu Archipelago. As a result, the Ryukyuan languages are now severely endangered. This volume depicts roughly in chronological order aspects which have led to the language crisis in the Ryukyus today. Taking account of these factors is important because endangered languages can only be maintained and revitalized on the basis of a comprehensive understanding of why these languages became endangered in the first place. The chapters of this book have been written by leading experts in Ryukyuan sociolinguistics and the scope encompasses the entire field. It sheds light on the dark side of language modernization on a misplaced obsession with monolingualism and on Japan's difficulties in surmounting its invented self image.

A New Approach to Global Studies from the Perspective of Small Nations Kiyonobu Date, Jean-François Laniel, 2023-12-13 With emphasis on East Asian and North American examples, notably Japan and Quebec, Date, Laniel and their contributors take a new approach to the understanding of small nations and their role in the international system. Small nations, by their very nature, raise significant questions about what a nation is. Some small nations are sovereign states with relatively small populations and limited territory; others are nations within larger sovereign states with distinctive cultures, governance structures or other features that differentiate them from their parent state. By focussing on non-European nations, in particular, the contributors to this volume challenge our conceptions of what a small nation is and how it operates within the international system. They focus in particular on the nation within a nation state of Quebec and on Japan, supplemented by further examples from East Asia. By interrogating what these examples have to show us about the typology and character of small nations, they offer a critique of superpower and draw out the potential of small nation studies. A valuable resource for students and scholars of international relations and theories of the nation and nation state.

Japanese as Foreign Language in the Age of Globalization Heinrich, Patrick, Sugita, Yuko, 2008-09-09 In our globalizing world of today, the significance, status and demand of languages are experiencing changes which are unmatched in human history. These changes also relate to the languages of Japan as well as to the way that they are being taught and studied. In this book, 14 authors from four continents present their research results on Japanese as foreign language (JFL) in the age of globalization. The participation of these authors reflects the fact that research into JFL has itself become global. Since JFL in the age of globalization is a field too extensive to be comprehensively covered by a single book, we restricted ourselves to three topics which we believe are central in discussing this issue: New kinds of language learners and new teaching paradigms; Native/non-native speaker interaction or contact situations in a more general sense; New insights into cognitive processes in language learning.

Routledge Handbook of Japanese Culture and Society Victoria Bestor, Theodore C. Bestor, Akiko Yamagata, 2011-04-13 The *Routledge Handbook of Japanese Culture and Society* is an interdisciplinary resource that focuses on contemporary Japan and the social and cultural trends that are

Anthropology Sociology and Asian Studies in general *The Development of Jury Service in Japan* Anna

Dobrovolskaia,2016-08-19 This book presents a comprehensive account of past and present efforts to introduce the jury system in Japan Four legal reforms are documented and assessed the implementation of the bureaucratic and all judge special jury systems in the 1870s the introduction of the all layperson jury in the late 1920s the transplantation of the Anglo American style jury system to Okinawa under the U S Occupation and the implementation of the mixed court lay judge saiban in system in 2009 While being primarily interested in the related case studies the book also discusses the instances when the idea of introducing trial by jury was rejected at different times in Japan s history Why does legal reform happen What are the determinants of success and failure of a reform effort What are the prospects of the saiban in system to function effectively in Japan This book offers important insights on the questions that lie at the core of the law and society debate and are highly relevant for understanding contemporary Japan and its recent and distant past **Japanese Tourism** Carolin

Funck,Malcolm Cooper,2013-11-01 The changing patterns of Japanese tourism and the views of the Japanese tourist since the Meiji Restoration in 1868 are given an in depth historical geographical economic and social analysis in this book As well as providing a case study for the purpose of investigating the changing face of global tourism from the 19th to the 21st Century this account of Japanese tourism explores both domestic social relations and international geographical political and economic relations especially in the northeast Asian context Socio cultural and geographical analysis form the research framework for the book in three ways first there is an emphasis on scale as tourism phenomena and their implications are discussed both in a global context and at the national regional and local levels second the discussion is informed by primary data sources such as censuses and surveys and third the incorporation of fieldwork and case studies adds concreteness to the overall picture of Japanese tourism This book is a significant addition to an area of study currently under represented in the literature **Japan's Household Registration System and Citizenship** David Chapman,Karl Jakob Krogness,2014-03-05

Japan s Household Registration System koseki seido is an extremely powerful state instrument and is socially entrenched with a long history of population governance social control and the maintenance of social order It provides identity whilst at the same time imposing identity upon everyone registered and in turn the state receives validity and legitimacy from the

registration of its inhabitants The study of the procedures and mechanisms for identifying and documenting people provides an important window into understanding statecraft and by examining the koseki system this book provides a keen insight into social and political change in Japan By looking through the lens of the koseki system the book takes both an historical as well as a contemporary approach to understanding Japanese society In doing so it develops our understanding of contemporary Japan within the historical context of population management and social control reveals the social effects and influence of the koseki system throughout its history and presents new insights into citizenship nationality and identity Furthermore this book develops our knowledge of state functions and indeed the nation state itself through engaging critically with important issues relating to the koseki while at the same time providing a platform for further investigation The contributors to this volume utilise a variety of disciplinary areas including history gender studies sociology law and anthropology and each chapter provides insights that bring us closer to a comprehensive grasp of the role effects and historical background of what is a crucial and influential instrument of the Japanese state This book will be of great interest to students and scholars of Japanese history Japanese culture and society Japanese studies Asian social policy and demography more generally

The book delves into Japan And Okinawa Structure And Subjectivity. Japan And Okinawa Structure And Subjectivity is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Japan And Okinawa Structure And Subjectivity, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to Japan And Okinawa Structure And Subjectivity
 - Chapter 2: Essential Elements of Japan And Okinawa Structure And Subjectivity
 - Chapter 3: Japan And Okinawa Structure And Subjectivity in Everyday Life
 - Chapter 4: Japan And Okinawa Structure And Subjectivity in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Japan And Okinawa Structure And Subjectivity. This chapter will explore what Japan And Okinawa Structure And Subjectivity is, why Japan And Okinawa Structure And Subjectivity is vital, and how to effectively learn about Japan And Okinawa Structure And Subjectivity.
 3. In chapter 2, the author will delve into the foundational concepts of Japan And Okinawa Structure And Subjectivity. The second chapter will elucidate the essential principles that must be understood to grasp Japan And Okinawa Structure And Subjectivity in its entirety.
 4. In chapter 3, this book will examine the practical applications of Japan And Okinawa Structure And Subjectivity in daily life. The third chapter will showcase real-world examples of how Japan And Okinawa Structure And Subjectivity can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Japan And Okinawa Structure And Subjectivity in specific contexts. This chapter will explore how Japan And Okinawa Structure And Subjectivity is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Japan And Okinawa Structure And Subjectivity. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Japan And Okinawa Structure And Subjectivity.
