## **Japanese Party System:**

**The Japanese Party System** Ronald J Hrebendar, 2019-07-09 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties

**Japan's New Party System** Ronald J Hrebendar, 2000 In the summer of 1993 Japanese politics changed fundamentally from the pattern which had been the norm since 1955 No longer does the Liberal Democratic Party LDP rule national level politics without the need to resort to coalitions and lesser parties Even more significant are the two non LDP governments formed under Prime Ministers Hosokawa and Hata No longer is the opposition dominated by the never to govern Socialist Party By December 1994 a new opposition party emerged from nine former opposition parties to move Japan towards a two party system

**The Japanese Party System** Ronald J. Hrebendar, 2019 This is a nuts and bolts textbook in the best sense of the term It is bound to be a great boon both to teachers and students of contemporary Japanese politics from the Foreword by Haruhiro Fukui This timely volume is the first book in nearly twenty five years to focus on the party system of Japan In the past two decades the Japanese political scene has undergone a dramatic transformation What had been a two party system proliferated during the 1960s and 1970s into a seven party system This book provides a comprehensive look at all of Japan s current major and minor national level parties For the first time in English detailed analyses are presented on the Democratic Socialists the Clean Government party K meit and the New Liberal Club Thorough coverage is provided for

parties in the 1955 System the ruling Liberal Democratic party and the two long term opposition parties the Socialists and the Communists Many of the new miniparties that have appeared in recent elections are also discussed Japanese Political Parties gives readers a solid understanding of party histories leadership and internal organization as well as a look at prospects for the future The party discussions are preceded by three chapters on the laws and political forces affecting Japanese politics Chapter 1 describes the basic characteristics of the Japanese party system since 1945 and provides an overview of Japanese voting behavior and political values Chapter 2 describes the rules of the game the electoral laws and discusses the ongoing political problem of malapportionment Chapter 3 interprets data on political finance in contemporary Japan Along with a wealth of information and interpretation the authors offer insight into the common patterns Japan shares with democracies around the world placing the Japanese system within the larger context of world party systems Designed for courses on Japanese politics this text should also prove useful to students of comparative politics and political parties

**Party Politics in Japan** Ronald J. Hrebener,Akira Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan s government has been closely associated with the strengths and weaknesses of Japan s prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly *Party Politics in Japan* Ronald J. Hrebener,Akira Nakamura,2014-09-19 The Japanese political system is a parliamentary democracy and was the first western style government in Asia when the parliamentary system was adopted in the 1880s It has a multiparty system free elections and a parliament that functions much the same way that any other democratic parliament functions however

for much of its existence the Japanese party system has been dominated by one party This fact is crucial to understanding contemporary politics in Japan especially since the long term ruling party the Liberal Democratic Party is once again back in power This book presents an up to date analysis of the political parties that make up the Japanese party system and their impact on Japanese politics and government Given that the executive branch is selected as a result of the pattern of party numbers in the parliament to understand Japanese politics and policy one must first know the nature of the ruling and opposition parties and their leaders Indeed in the past decade the quality of Japan's government has been closely associated with the strengths and weaknesses of Japan's prime ministers and the dominant party in the system This book focuses on a central question why Japanese politics and government has been so dysfunctional in the past two decades With this question in mind the chapters provide key background information on Japanese politics and political parties discuss each of the major political parties that have governed Japan since 1955 and finally examine the December 2012 House of Representatives elections that returned the LDP to power and the differences between the First 1955 1993 and the Second Post War Party Systems 1993 Party Politics in Japan provides a comprehensive analysis of the past sixty years of Japanese party politics As such it will be of great interest to students and scholars of Japanese politics and Asian politics as well as to those interested in political parties and political systems more broadly

The Evolution of Japan's Party System Leonard James Schoppa, 2011-01-01 The Evolution of Japan's Party System analyses the transition by examining both party politics and public policy This volume discusses how older parties such as the LDP and the Japan Socialist Party failed to adapt to the new policy environment of the 1990s

*Japan's New Party System* Ronald J Hrebennar, 2019-08-15 The authors of this book have joined together for a third time to produce a book on Japanese political parties and elections The first two books under the title of The Japanese Party System were also published by Westview Press in 1986 and 1992 This book Japan's New Party System has a different purpose than the previous volumes The first two books had as their task the presentation of a vast amount of material on the various parties of the 1955 1993 party system Since 1955 Japanese politics and parties had been rather uneventful and predictable consequently many Japanese political scientists preferred to study other nations Decade after decade the Liberal Democratic Party LDP ruled Japan while the permanent opposition party the Japan Socialist Party JSP revolved around it but could never even come close to replacing it in power on the national level All of this changed in 1993 after the LDP split new parties emerged and formed a non LDP government and a new party system began This book is about the Second Party System and how Japanese politics has changed from the old LDP dominated First Party System

*Introduction to Japanese Politics* Hayes, 2009-05-15 This widely used text is an even handed forthright attempt to explain the political life of Japan as well as the forces that shape it It demystifies this complex society by explaining the historical background for modern Japan the political process its formal structure the party system and citizen participation the social order and the domestic economy and Japan's role in international politics with emphasis on U S Japanese relations and the

international economy The revised and updated Third Edition covers the new ground of 1995-1999 a period during which Japan experienced extraordinary political and economic change **Parties and Party Systems** Giovanni Sartori, 2014-01-01 In this rich and broad ranging volume Giovanni Sartori outlines what is now recognised to be the most comprehensive and authoritative approach to the classification of party systems He also offers an extensive review of the concept and rationale of the political party and develops a sharp critique of various spatial models of party competition This is political science at its best combining the intelligent use of theory with sophisticated analytic arguments and grounding all of this on a substantial cross national empirical base *Parties and Party Systems* is one of the classics of postwar political science and is now established as the foremost work in its field *Japan's Postwar Party Politics* Masaru Kohno, 2020-11-10 In this sophisticated theoretical work Masaru Kohno presents a systematic reexamination of the evolution of party politics in Japan since the end of the second World War Because of the long one party dominance by the Liberal Democratic Party Japan's parliamentary democracy has often been viewed as unique in the developed world and most of the existing studies of Japanese party politics have addressed such determinants as its political culture historical background and socio ideological cleavages According to the author these explanations do not adequately account for some of the most important changes that took place in Japanese party politics during the postwar period This study advances an alternative set of interpretations based on a microanalytic approach that highlights the incentive and bargaining power of individual political actors and their competitive and strategic behavior under existing institutional constraints According to Kohno the evolution of political life in postwar Japan depends on the same factors that are acknowledged to be at work in other industrialized nations He reveals through detailed case studies of government formation processes and statistical examinations of candidate nomination patterns that the microanalytic approach can establish forward looking and internally consistent interpretations of the postwar development of Japanese party politics Because Japan has usually been treated as a country of unique cultural historical and societal characteristics the analyses of this study point to the broader applicability of the microanalytic approach in the field of comparative politics especially for the exploration of party competition in advanced industrial democracies Political Parties, Party Systems And Democratization In East Asia Liang Fook Lye, Wilhelm Hofmeister, 2011-03-11 Some fledgling democracies in the world have encountered setbacks due to political parties trying to grapple with the expectations of sophisticated electorates and introducing gradual political reforms over the years This book describes how democracy is evolving in East Asia and how it assumes different forms in different countries with political parties adapting and evolving alongside It has a two fold intent First it contends that the existing variety of party systems in East Asia will endure and may even flourish rather than converge as liberal democracies Second it highlights the seeming political durability of one party systems unlike two part or multi party systems in the US and Europe and their enduring predominance in countries such as Cambodia China Singapore and Vietnam **Political Parties, Party Systems and**

**Democratisation in East Asia** Liang Fook Lye, 2011 Some fledgling democracies in the world have encountered setbacks due to political parties trying to grapple with the expectations of sophisticated electorates and introducing gradual political reforms over the years This book describes how democracy is evolving in East Asia and how it assumes different forms in different countries with political parties adapting and evolving alongside It has a two fold intent First it contends that the existing variety of party systems in East Asia will endure and may even flourish rather than converge as liberal democracies Second it highlights the seeming political durability of one party systems OCo unlike two part or multi party systems in the US and Europe OCo and their enduring predominance in countries such as Cambodia China Singapore and Vietnam *The Presidentialization of Japanese Politics* Masahiro Iwasaki, 2023-04-14 Are we seeing the presidentialization of politics in Japan Certainly many recent prime ministers have demonstrated powerful leadership notably Junichiro Koizumi and Shinzo Abe While the phenomenon of presidentialization has been much discussed for years the Japanese case has not received much attention in the English language Iwasaki analyses the state of Japanese politics using the established analytical framework of presidentialization looking at leadership power resources leadership autonomy and the personalization of the electoral process and assesses the factors that have been claimed to lead to similar changes in other countries He argues that there are also unique variables that contribute to the presidentialization of Japanese politics Most notably the introduction of public subsidies to political parties and electoral reform in 1994 A valuable contribution to the global scholarship on presidentialization which will be of particular interest to scholars of Japanese politics

**Political Party Systems and Democratic Development in East and Southeast Asia** Wolfgang Sachsenröder, Ulrike E. Frings, 2018-08-16 First published in 1998 this is the second of two volumes which will be of great value to scholars and students of politics in East and Southeast Asia A rich readable reference tool they offer extensive surveys of the history structure culture legal context and financing as well as the progress travails and prospects of political parties and electoral systems in 13 countries The excellent introduction and the detailed country case studies demonstrate the wide range of political experiences in Asia Rather than affirm the thesis of a common set of Asian values hostile to democracy they show that in much of East and Southeast Asia people want the political choice and accountability that come from free and fair electoral competition with open effective political parties *Party Systems and Voter Alignments Revisited* Lauri Karvonen, Stein Kuhnle, 2003-09-02 A timely study of Lipset and Rokkan s classic work this book examines the significance of the original volume for the history of political sociology and assesses its theoretical and empirical relevance to the present day

**Political Parties and Democracy** Larry Diamond, Richard Gunther, 2001-12-21 Political parties are one of the core institutions of democracy But in democracies around the world rich and poor Western and non Western there is growing evidence of low or declining public confidence in parties In membership organization and popular involvement and commitment political parties are not what they used to be But are they in decline or are they simply changing their forms and functions In contrast to authors of most

previous works on political parties which tend to focus exclusively on long established Western democracies the contributors to this volume cover many regions of the world Theoretically they consider the essential functions that political parties perform in democracy and the different types of parties Historically they trace the emergence of parties in Western democracies and the transformation of party cleavage in recent decades Empirically they analyze the changing character of parties and party systems in postcommunist Europe Latin America and five individual countries that have witnessed significant change Italy Japan Taiwan India and Turkey As the authors show political parties are now only one of many vehicles for the representation of interests but they remain essential for recruiting leaders structuring electoral choice and organizing government To the extent that parties are weak and discredited the health of democracy will be seriously impaired Contributors Larry Diamond and Richard Gunther Hans Daalder Philippe Schmitter Seymour Martin Lipset Giovanni Sartori Bradley Richardson Herbert Kitschelt Michael Coppedge Ergun Ozbudun Yun han Chu Leonardo Morlino Ashutosh Varshney and E Sridharan Stefano Bartolini and Peter Mair

**Party System Institutionalization in Asia** Allen Hicken, Erik Martinez Kuhonta, 2015 This book provides a comprehensive empirical and theoretical analysis of the development of parties and party systems in Asia The studies included advance a unique perspective in the literature by focusing on the concept of institutionalization and by analyzing parties in democratic settings as well as in authoritarian settings The countries covered in the book range from East Asia to Southeast Asia to South Asia

**Party Politics in Japan** Hans Baerwald, 2010-10-18 To the outside observer the character and dynamics of Japan's political parties and Diet National Assembly are often obscure This volume is an invaluable description of party politics in Japan and a unique analysis of the influence that a changing balance of power has had upon the functioning of the Diet The book covers the party system and how it has changed since 1955 the electoral systems for the Representatives and Councillors in the Diet An extensive analysis of the Diet's internal governance a discussion of the influence on the Diet's functioning and role of the arrival of near parity between the governing and opposition parties The book is based on numerous interviews with Japanese politicians journalists and bureaucrats as well as extensive discussions with Japanese political scientists

Japanese Politics and Government Alisa Gaunder, 2023-02-27 The revised 2nd edition of this successful textbook explores Japanese politics in the postwar era from theoretical and comparative perspectives After providing historical context it offers an in depth exploration of postwar political institutions political reform in the 1990s the policymaking process and the politics of economic growth and stagnation By delving into Japan's international relations the book sheds light on Japan's security and foreign policies and Japan's role in Asia The textbook concludes by addressing what has changed since party alternation in 2009 the triple disaster in March 2011 and the global Covid pandemic Themes and questions addressed throughout the text include How and why did Japan modernize so successfully when so many other countries fell prey to colonialism and authoritarianism What explains the Japanese economic miracle and its subsequent economic stagnation What accounts for Japan's successful

democratization In the international realm why has Japan achieved economic superpower status without achieving political superpower status What is the future trajectory of Japanese politics Connecting Japan to larger themes in comparative politics and linking Japan s history institutions policymaking process and international relations to experiences and structures in other countries this book is essential reading for students of Japanese or Asian Politics      **The Japanese Party System** Ronald J Hrebenar, Peter Berton, 1992-01-27 This edition provides a detailed review of the significant political events in Japan between 1986 and 1991 The bulk of the book concentrates on Japan s six party system and the election and political finance laws that govern it

### **Japanese Party System Introduction**

In today's digital age, the availability of Japanese Party System books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Japanese Party System books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Japanese Party System books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Japanese Party System versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Japanese Party System books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Japanese Party System books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Japanese Party System books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Japanese Party System books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Japanese Party System books and manuals for download and embark on your journey of knowledge?

### **FAQs About Japanese Party System Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Japanese Party System is one of the best book in our library for free trial. We provide copy of Japanese Party System in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Japanese Party System. Where to download Japanese Party System online for free? Are you looking for Japanese Party System PDF? This is definitely going to save you time and cash in something you should think about.
