

WHAT, EXACTLY, IS INDOCTRINATION?

Straps put, indoctrination is when you are told what is believed. It's not always obvious, but if you look closely, you can see it in action. It makes us believe what we think is right and not really given a choice to decide for yourself. Because we, you're being indoctrinated.

Indoctrination is All Around Us

In today's world, there are a lot of messages around us every single day, coming in many forms. They come from our schools, the news, school, and social media. Sometimes it feels like everyone agrees with each other and that if you have a different opinion, something is wrong with you. But is this really true?

WHY ARE THEY MAKING ME READ THIS?

WHAT IS THIS VIDEO REALLY TRYING TO TEACH US?

Indoctrination is Control

America was created during a time when most of the world's nations were ruled by kings, royal families, and other powerful elites. These authorities told people what to do—everything from how they should live, what they could say, and what they were allowed to think and do.

If people spoke out or asked questions, they were shamed, called names, isolated, and sometimes, severely punished.

This is why Americans have freedom of speech. The free expression of many opinions makes us very difficult to manipulate.

When you're not being given a real choice, that's indoctrination!
