occupied lands to midnight fares and Tim Hortons parking lots Di Cintio chronicles the many journeys each driver made merely for the privilege to turn on their rooflight Yet these lives aren't defined by tragedy or frustration but by ingenuity and generosity hope and indomitable hard work From night school and sixteen hour shifts to schemes for athletic careers and the secret Shakespeare of Dylan's lyrics Di Cintio's subjects share the passions and triumphs that drive them Like the people encountered in its pages Driven is an unexpected delight and that most wondrous of all things a book that will change the way you see the world around you A paean to the power of personality and perseverance it's a compassionate and joyful tribute to the men and women who take us where we want to go *Zimbabwe* John Parker, Stephen Adams, 2013-06-06 John

Parker was born an Ayrshire farmers boy on the 1st of January 1964 in the West of Scotland After travelling the world mainly by himself he now prefers to divide his time between his home in Scotland and his house on La Isla de la Juventud Cuba Parkers interests are writing comedy travelling and photography While preferring to tutor himself in his writing dexterity or any other intellectual allegiance he acquired a handy knowledge of various languages to assist him on foreign shores As he backpacked all over the world this bilingual adroitness gave Parker a different perspective and outlook on the many places he saw and the people he met along the way *Zimbabwe* is the second of Parkers books after writing *Escape Route* which is about the many ridiculously comical tight spots he experienced during his backpacking journeys On one of Parkers many digressions he sojourned all over Africa and his observations there along with his farming background inspired him to write this book *Zimbabwe* is a fictional book of satirical humour about a country ruled by a dictator The story denotes a wry and often cruel denouement regarding the consequences of dictatorships and also presents a supposition on how the lives of the citizens within them are affected The humorous characters within the literary composition will tend to veer the reader towards the hypothesis that both black and white people are guilty of a slightly tribal built in prejudicial disposition and it also reveals how fickle the human race can be However its all written in the name of comedy and the moral of the book is to demonstrate the instability in character that makes up the human psyche and to find the humour that lies beneath Many literary critics are now commenting that there isn't enough humour being written nowadays *Zimbabwe* is unique and others who have read it thought it was hilarious written by an author with a sharp sense of humour you will have a laugh or two if you read on *Tek Kill* William Shatner, 2014-11-11 In order to expose a sinister far reaching criminal conspiracy detective
