Adultery If You Keep Your Underwear On Joseph S. Ragman,2022-01-04 It Isn t Adultery if You Keep Your Underwear On is one book that you definitely can judge by its cover The book is obviously about humor but there is much more Ragman blended some fighter pilot humor with true accurate stories about life in the fast lane i e flying aircraft like the F 117A Stealth Fighter and other high performance aircraft like the F 111 A E F and EF and T 38 Talon Over the last several years the author found himself recalling funny sayings quotes stories and then writing them down These memories somehow materialized over the course of several years Some of the humor is downright disgusting and depending on your sense of humor you may be one of those people who want to banish this book to the deepest reaches of hell If you fall into this category you might not want to read it I ve warned you You gotta love that kind of talk So sit back get ready strap in and push the throttles and afterburner into full grunt Just don t break the speed of sound over a congested area in a foreign country like the author almost did or get whacked by a seagull during a bomb run at 540 mph and 300 feet above the water no problem initially but the engine died about an hour later Enjoy the book You ve never read anything like it Darkest Truths of Black Gold Robert Smith,2007-06-21 Over forty years ago the British Government warned the Italian Government Don t trust the Russians The author was there Today forty years later Newsweek echoes the same warning to any country that puts its energy sources at the political whim and fancy of Mr Putin And what of the warnings that the United States Government was given over sixty years ago that Mao Ze tung was not the second coming of the Messiah The author was there And he seethed in rage and torment as he tried to sleep on the steel deck of a United States evacuation LST while he heard the Messiah s guns laying siege to Beijing But all good things come to an end even the bad ones and meeting the Queen of England at the Prime Minister s residence The Temple Trees in Ceylon and issuing an invitation to His Royal

Highness to play polo more than compensated the author for his first evacuation But the reasons for his second evacuation from Cairo and his family s evacuation from Beirut are not quite as clear as he would like Hearing about them might give the reader some thoughts about the difficulties faced by their fellow citizens who serve them abroad **Physical Fitness**
