Fantasy Land Volume 1 Fantasy Land:

Fantasy Land Paul Timothy Jensen, Sean Benson, 2022-05-13 In *Fantasy Land* Jensen and Benson provide a rigorous analysis of how anti realism the belief that reality is merely a social construct has corroded American culture institutions and discourse From Supreme Court decisions redefining marriage to controversial cases of cancel culture the authors demonstrate how the rejection of objective reality leads to harmful consequences for individuals and society The book examines several key manifestations of anti realism the persecution of those who hold traditional views on marriage and sexuality the weaponization of terms like homophobia to silence dissent the misapplication of scientific concepts to moral questions and media distortions that create false narratives Using case studies ranging from the soccer player Jaelene Hinkle to baker Jack Phillips the authors reveal how anti realism transforms disagreement into hatred and turns reasonable people into pariahs With philosophical rigor and cultural insight Jensen and Benson trace the roots of anti realism to Immanuel Kant and show how it has evolved into a dominant worldview with real world consequences The book concludes with a hopeful call for readers to embrace realism as the only sound basis for human flourishing and civil discourse *Fantasy Land* is an essential read for anyone seeking to understand the philosophical underpinnings of today s cultural divides and a compelling case for returning to objective reality as the foundation for a healthy society If you enjoyed *The Coddling of the American Mind* *The Madness of Crowds* and *Life at the Bottom* you ll love *Fantasy Land* [The War on Objectivity in American Culture](#) [Fantasy Worlds](#) Gini Scott, 2006-11-09 *Fantasy* The very word conjures images of escape from reality from the mundaneness of ordinary daily life *Fantasy Worlds* combines a look at the psychology and power of fantasy with profiles of a dozen groups of individuals exploring different types of fantasy While some play with fantasy as an occasional release others turn fantasy into an ongoing lifestyle that adds spice to their everyday routines The groups featured include those with members who enjoy role playing and other games participate in fantasy parties travel into past and future eras explore offbeat adventures and experiment with erotic fantasy games It concludes with a discussion of how many individuals use fantasy for personal growth on their own or in role playing groups Besides illustrating some popular fantasies the book shows how we all need some fantasy in our lives how we are all fantasy seekers [Heartthrob Vol. 1](#) Christopher Sebela , 2016-12-07 *HeartThrob Book 1* Never Going Back Again [The Amory Wars: Good Apollo I'm Burning Star IV Vol. 1](#) Claudio Sanchez, Chondra Echert, 2017-11-07 Originally published in single magazine form as *The Amory wars Good Apollo I m Burning Star IV* no 1 4
