Constructing Girlhood through the Periodical Press, 1850-1915 Kristine Moruzi,2016-05-23 Focusing on six popular British girls periodicals Kristine Moruzi explores the debate about the shifting nature of Victorian girlhood between 1850 and 1915 During an era of significant political social and economic change girls periodicals demonstrate the difficulties of fashioning a coherent consistent model of girlhood The mixed genre format of these magazines Moruzi suggests allowed inconsistencies and tensions between competing feminine ideals to exist within the same publication Adopting a case study approach Moruzi shows that the Monthly Packet the Girl of the Period Miscellany the Girl s Own Paper Atalanta the Young Woman and the Girl s Realm each attempted to define and refine a unique type of girl particularly the religious girl the Girl of the Period the healthy girl the educated girl the marrying girl and the modern girl These periodicals reflected the challenges of embracing the changing conditions of girls lives while also attempting to maintain traditional feminine ideals of purity and morality By analyzing the competing discourses within girls periodicals Moruzi s book demonstrates how they were able to frame feminine behaviour in ways that both reinforced and redefined the changing role of girls in nineteenth century society while also allowing girl readers the opportunity to respond to these definitions

Nursery Rhymes in Black Latorial Faison,2025-07-15 Nursery Rhymes in Black is a poetic recollection of race roots culture and identity Paying homage to the memory and work of elders and ancestors Latorial Faison remembers her own matriarch mother grandmother the rich memories of having grown up in rural historic Southampton County Virginia These poignant poems mark significant moments

and tell the lives of the people along the author's journey through the post segregation Jim Crow South. The collection highlights family overcoming adversity and endurance from the Black female perspective and celebrates the individuals and experiences that shape life and have catapulted the author into a unique existence. Narrative poems give voice to the Black Southern girlhood experience of being saved, nurtured, inspired, and even challenged by plight and circumstance. Strengthened by her experiences, Faison provides power, courage, and wisdom that resonate deeply. These poems walk in naked truth on a lyrical musical tightrope as each brings wisdom and honesty in the intimacy of arranged words. Faison takes readers along the development of her own identity, considering stories of unsung heroes, the hands that feed us, the ancestors and traditions that form us, and the challenging ways that race, history, education, and culture intersect. With this spiritually moving collection, Faison joins all poets and writers who have come to prolifically amplify Black voices to tell Black stories, to continue the Black literary tradition we have been gifted. In these poems, Faison calls readers into poetic fellowship with the memories, the legacies, the truths of Black women in the South. There is reverence, history, and glory on these pages, celebrating the hands, hearts, work, trouble, and ways of Black women, and all the ways they teach, become, fascinate, struggle, survive, and exist in the world.

Nursery Rhymes in Black lulls us but not to sleep, rather to wake up to speak out, to take a stand, to advocate, as we pause to remember, understand, and celebrate. **Freeing Black Girls** Tamura Lomax, 2025-03-07

In *Freeing Black Girls*, Tamura Lomax offers an insurgent feminist love letter to Black girls, women, mothers, and othermothers. Exploring what it means to mother Black children in the twenty-first century, Lomax shares her journey from her traditionalist Black girlhood to finding the path to revolutionary Black motherhood. Along the way, she shows how all Black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back. Lomax insists on Black feminist ways of living that value and nourish whole persons, sketching a radical dream that will allow Black women and girls to survive America while being able to love themselves, others, and collective Black freedom. Ultimately, Lomax declares that Black women and girls are emphatically not defective, second class, or immanent nurturers; they are sacred and revolutionary beings who deserve to live a life free of predation, patriarchy, misrecognition, misogyny, and violence.
