Fast Wheels Slow Traffic Urban Transport Choices Conflicts In Urban And Regional Development:

Fast Wheels, Slow Traffic Charles L. Wright, 1992 The author adopts a commonsense yet systemic approach to choice among transport strategies He starts with an analysis of the problems rather than preconceived solutions and then examines the costs and impacts of the alternatives Along the way he provides a host of examples of how promoters of expensive transport systems have lied with statistics to make their cases Whether it s a matter of crossing the street in Brasilia or riding a bike in Ann Arbor Michigan Wright sees transport planning as a cooperative process the best solutions are simple low cost environmentally sound and sustainable **BOOK JACKET** Journal of Economic Literature ,1994 The Automobile in American History and Culture Michael L. Berger, 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social economic and political history Covering the complete history of the automobile to date twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts This work includes general histories of the automobile the industry it spawned and labor management relations as well as biographies of famous automotive personalities Focusing on books concerned with various social aspects chapters discuss such issues as the car s influence on family life youth women the elderly minorities literature and leisure and recreation Berger has also included works that investigate the government s role in aiding and regulating the automobile with sections on roads and highways safety and pollution The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections The Automobile in American History and Culture provides a resource with which to examine the entire field and its structure Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference Cross referenced throughout it will serve as a valuable research tool An Urban Approach To Climate Sensitive Design Rohinton Emmanuel, 2012-08-06 The need to respond to the rapidly changing city climate is particularly urgent in the tropics where the urban transition is currently at its peak While the need is clearly felt by the tropical urban dwellers texts that provide an overview of the problem and indicate possible design solutions are rare This comprehensive reference will be welcomed by student and practising architects as well as other built environment professionals engaged with the environmental effects of building in worldwide warm and humid climates *Highway Research Abstracts* ,1992 *Transit Research Abstracts* ,1993 *Transport and Developing Countries* Dr David Hilling, David Hilling, 2003-10-04 Examining the links between irregular and inefficient transport methods and economic progress the author explains that it can only be effective if timing location and technology are carefully chosen **The Future of Sustainability** Ray C.
