Elvis

Sightings Ricardo Sanchez, 2014-09-29 I m Floyd no last name needed thanks and I m a P I The only other thing you need to know about me is that I m not an Elvis impersonator I live my life fast and hard and yes in sequined jumpsuits but more importantly I live my life the way Elvis would have wanted me to Honestly With integrity It was a tip that the King was still alive and living under an assumed name that brought me to Kresge Wyoming But there s something bigger than Elvis happening out here I ve been beaten bloody by an acrobatic bartender roped into the search for a missing councilman fallen for a bearded lady and threatened by men in black who really don t want me poking my nose into the town s business Half of my leads look like dead celebrities The other half are either refugees from a broken down circus or spear holding Viking wannabes I m in Crazytown USA but I can t leave Not yet If I don t find the missing councilman soon Kresge will be turned into a Danish themed amusement park I ve never been so close to finding Elvis And I need to know if my new self appointed sidekick James Morrison is really who he claims to be 81 000 words *Images of Elvis Presley in American Culture, 1977-1997* George Plasketes, 1997 Was Al Gore only half kidding at the 1992 Democratic Convention when he compared Bill Clinton to the King Why does Elvis s name and image still pop up in so many movies television shows and songs From black velvet paintings comic books and postage stamps to impersonators movie characters and sports stars *Images of Elvis Presley in American Culture 1977 1997* provides a surprisingly broad vista from which to view American popular culture An insightful exploration of America s overwhelming and enduring cultural fascination with the expanding and elusive Elvis myth this book combines historical textual and sociocultural analysis with a wide range of resource materials to examine the many images of Elvis in American culture Focusing on the period following his death in 1977 up to the present *Elvis Presley in American Culture 1977 1997* informs and entertains popular readers and academicians in American studies popular culture radio television film sociology music and 20th century American history Elvis fans Elfans and collectors of Elvis Presley materials and memorabilia also need to add this perspective enhancing book to your personal libraries Author George Plasketes shows us how representations reflections responses and references to Elvis in art artifacts film video television music performance literature memorabilia and alleged sightings continue to make American culture a mystery terrain of endless Elvistas The repetition of these images is a link to our cultural identity *Elvis Presley in American Culture 1977 1997* provides the necessary critical analysis and the resource guide to the various representations of Elvis during the past 20 years to give readers an engaging and informative way to pursue and interpret the expansive and ever evolving Elvis myth and its importance to American popular culture *Kisses Don't Lie* Alexa Darin, 2023-08-17 Bailey Ventura is convinced she s met Mr Right when she goes to Las Vegas and is rescued from a defective shower by gorgeous head of casino security Carter Davis Charming and swoon worthy not to mention an Elvis tribute artist Carter is just the kind of man Bailey can see herself growing old with Problem is she lives in small town Washington State while Carter appears content to remain basking in the glow of the ever flashing neon lights of Sin City So what does a girl do to keep the relationship going She wins a sexy

red Thunderbird convertible Bailey has come up with the perfect excuse for inviting Carter to take a road trip with her and when he readily agrees to accompany her on the drive home she thinks it's because he wants to get to know her better But Carter has an ulterior motive He's looking to get a million dollar diamond out of Las Vegas Will Carter's involvement in a jewel heist lead Bailey down the road to heartbreak Or will Carter choose love over a million dollar rock Storm Splitter

Hilliard Lawrence Lackey,2019-09-23 Storm splitter is a sharecropper tale about splitting a storm that gives first hand written accounts stories diaries and other recollections of Delta life by ordinary people The story line is simple but graphic descriptions reflecting time and place are invaluable As this Storm Splitter story unfolds the reader gets an unusual look at the plight 1957 sharecroppers forced into service as day labor cotton choppers by the Soil Bank Act of 1956 No longer allowed to have their own half share crops tenant farmers became day laborers **After a Dance** Bridget

O'Connor,2024-02-15 These are some of the wildest arresting just plain brilliant short stories I've read in a long time Roddy Doyle author of The Woman Who Walked Into Doors After a Dance is the compiled collection of short stories from acclaimed writer Bridget O Connor with an exclusive preface from the author's daughter Constance Straughan Bridget O Connor was one of the great short story writers of her generation She had a voice that was viscerally funny and an eye for both the glaring reality and the absurdity of the everyday In After A Dance we meet a selection of O Connor's most memorable characters often living on the margin of their own lives from the anonymous thief set on an unusual prize to the hungover best man clinging to what he's lost to the unrepentant gold digger who always comes out on top From unravelling narcissists to melancholy romantics all human life is here at its best and at its delightful worst **National Lampoon** ,1981 **A**

Saint in Graceland Deborah Hining,2016-04-26 Foreword Reviews IndieFab Book of the Year Bronze Medal Award in Religion Grieving her mother's death and yearning to see more of the world beyond her mountain home Sally Beth sets out on a journey that leads her across the American Southwest and ultimately to a remote mission station in Tanzania where she finds a new kind of freedom in the African plains and the people who dwell there But when war comes to the mission gates its horrors shatter her world She must find a way to rebuild her life and choose whether or not to serve the people she's grown to love a choice that will shake the simple faith of her childhood and ignite her passion for a wounded man This is a story about the growth of mature and radical faith Zan Goodreads A Saint in Graceland is a novel of depth and beauty Elizabeth Hein author of How to Climb the Eiffel Tower *Connecticut Characters* Randall Beach,2023-06-01 Connecticut Characters Profiles of Rascals and Renegades is a collection of the most popular profiles and colorful accounts written by long time columnist Randall Beach His columns were written over a span of 40 years and are fondly remembered by many New Haven Register readers When Randall began writing the column some of his newsroom colleagues dubbed the subjects creep of the week because often the subjects were so odd and eccentric But none of them were creeps they simply had a different way of looking at the world and of living He always strove to give them dignity along with recognition His writings always strike an

affectionate tone and are often humorous but never mocking The individuals that he wrote were from all over Connecticut well beyond the New Haven area The collection focuses on some well known people such as former Yale University President A Bartlett Giamatti but mostly the profiles are of people some colorful who are part of the fabric of the state It s a remarkable and fascinating collection of profiles about people from all different walks of life around Connecticut Elvis Has Left the Building Dylan Jones,2014-08-14 An interesting look at how 1977 marked the explosion of punk alongside this heartbreaking though not altogether surprising loss of a legend USA Today In the late 1970s punk music was setting out to destroy everything Elvis Presley had come to represent But punk couldn t destroy The King himself he had already done that succumbing to his excesses at Graceland on August 16 1977 Ever since Elvis has permeated the world in ways that are bizarre and inexplicable a pop icon while alive he has become almost a religious icon in death a modern day martyr crucified on the wheel of drugs celebrity culture junk food and sex In Elvis Has Left the Building Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk Evoking the hysteria and devotion of The King s numerous disciples and imitators Jones offers a uniquely insightful commentary on Elvis s life times and outrageous demise Recounting how the artist single handedly changed the course of popular music and culture he also delves deep into the cult of The King and reveals what Elvis s death meant and still means to us today I m not sure punk would have existed without Elvis In fact I m not sure a lot of things would have existed without him Dylan Jones is the right man to ponder such questions Bono A gripping tale of impossible success and terrible waste and lost beauty that veers from Memphis to Las Vegas and all the way to the broken backstreets of London Tony Parsons author of *The Hanging Club* *Public Papers of the Presidents of the United States* United States.
