Sefchick, 2016-08-15 Lord Brook Bexley the Earl of Raynecourt is known by many names but to the women of London Society

he is known as the Earl of Heartbreak However there is one woman who also refers to him as nothing more than a friend Unfortunately she is also the only woman he has ever desired even though she is most decidedly off limits to a man like him After all gentlemen do not even remotely consider courting their best friend s sister Lady Sarah Tillsbury has known Rayne nearly all of her life and believed him to be out of her reach for just as long Even if Rayne was not more family to her than potential husband he is also known for the trail of broken hearts he has left littered across much of polite society However when a misguided letter sends Rayne chasing Sarah across the English countryside to her family s country estate neither of them can continue to deny what has been brewing between them for so long Will Rayne finally come to terms with the fact that he gave away his heart long ago and will Sarah be brave enough to claim the love she has desired for so long Historians' History of the World Vol.1 (of 25) (Illustrations) Henry Smith Williams, A complete world history should properly speaking begin with the creation of the world as man's habitat and should trace every step of human progress from the time when man first appeared on the globe Unfortunately the knowledge of to day does not permit us to follow this theoretical obligation We now know that the gaps in the history of human evolution as accessible to us to day vastly exceed the recorded chapters that in short the period with which history proper has at present to content itself is a mere moment in comparison with the vast reaches of time which in recognition of our ignorance we term prehistoric But this recognition of limitations of our knowledge is a guite recent growth no older indeed than a half century Prior to 1859 the people of Christendom rested secure in the supposition that the chronology of man's history was fully known from the very year of his creation One has but to turn to the first chapter of Genesis to find in the margin the date 4004 B C recorded with all confidence as the year of man's first appearance on the globe One finds there too a brief but comprehensive account of the manner of his appearance as well as of the creation of the earth itself his abiding place Until about half a century ago as has just been said the peoples of our portion of the globe rested secure in the supposition that this record and this date were a part of our definite knowledge of man's history Therefore one finds the writers of general histories of the earlier days of the nineteenth century beginning their accounts with the creation of man B C 4004 and coming on down to date with a full and seemingly secure chronology Our knowledge of the world and of man's history has come on by leaps and bounds since then with the curious result that to day no one thinks of making any reference to the exact date of the beginnings of human history unless indeed it be to remark that it probably reaches back some hundreds of thousands of years The historian can speak of dates anterior to 4004 B C to be sure The Egyptologist is disposed to date the building of the Pyramids a full thousand years earlier than that And the Assyriologist is learning to speak of the state of civilisation in Chaldea some 6000 or 7000 years B C with a certain measure of confidence But he no longer thinks of these dates as standing anywhere near the beginning of history He knows that man in that age in the centres of progress had attained a high stage of civilisation and he feels sure that there were some thousands of centuries of earlier time during which man was slowly climbing through savagery and

barbarism of which we have only the most fragmentary record He does not pretend to know anything except by inference of the dawnings of civilisation Whichever way he turns in the centres of progress such as China Egypt Chaldea India he finds the earliest accessible records covering at best a period of only eight or ten thousand years giving evidence of a civilisation already far advanced Of the exact origin of any one of the civilisations with which he deals he knows absolutely nothing The Creation of Man with its fixed chronology is a chapter that has vanished from our modern histories To be continue in this **Forever Only Once** Carrie Ann Ryan, 2020-06-23 It all started with a pact Four friends Four blind dates And yet when a bearded and tattooed man sits across from me at dinner it isn t until later that I realize Cross was never supposed to be mine After our accidental blind date our paths cross once again and there s no denying the attraction Only I ve been burned before Hurt left broken and shattered in more ways than one I want to give in and Cross seems to be the one person I let myself fall for but the risks seem too much to bear We fight our connection but in the end it might be safer to fall for each other than keep running from what s holding us back not to mention who wants us dead Forever Only Once is a who hurt you opposites attract mistaken identity contemporary suspense romance in the Promise Me series featuring Cross and Hazel Each one can be read as a complete standalone A HEA is guaranteed Read what others are saying about New York Times bestselling author Carrie Ann Ryan Count on Carrie Ann Ryan for emotional sexy character driven stories that capture your heart Carly Phillips NY Times bestselling author Carrie Ann Ryan's romances are my newest addiction The emotion in her books captures me from the very beginning The hope and healing hold me close until the end These love stories will simply sweep you away NYT Bestselling Author Deveny Perry Carrie Ann Ryan writes sexy emotional romances that ll make you cry and fan yourself from the heat especially because of all that sexy ink 1 NYT Bestselling Author Lauren Blakely Once I started reading I couldn't stop This is definitely going in my re read pile NYT Bestselling Author Susan Stoker Carrie Ann Ryan writes the perfect balance of sweet and heat ensuring every story feeds the soul Audrey Carlan 1 New York Times Bestselling Author Carrie Ann Ryan never fails to draw readers in with passion raw sensuality and characters that pop off the page Any book by Carrie Ann is an absolute treat New York Times Bestselling Author J Kenner Carrie Ann Ryan knows how to pull your heartstrings and make your pulse pound Her wonderful Redwood Pack series will draw you in and keep you reading long into the night I can t wait to see what comes next with the new generation the Talons Keep them coming Carrie Ann Lara Adrian New York Times bestselling author of CRAVE THE NIGHT With snarky humor sizzling love scenes and brilliant imaginative worldbuilding The Dante's Circle series reads as if Carrie Ann Ryan peeked at my personal wish list NYT Bestselling Author Larissa Ione Carrie Ann Ryan writes sexy shifters in a world full of passionate happily ever afters New York Times Bestselling Author Vivian Arend Carrie Ann's books are sexy with characters you can't help but love from page one They are heat and heart blended to perfection New York Times Bestselling Author Jayne Rylon Carrie Ann Ryan's books are wickedly funny and deliciously hot with plenty of twists to keep you quessing They ll keep you up all night USA Today Bestselling Author Cari
