Follow The Story How To Write Successful Nonfiction:

Follow the Story James B. Stewart, 1998-10-14 From the Pulitzer Prize winning journalist and author of the bestselling *Den of Thieves* and *Blood Sport* comes a hands on guide to the art of reporting and the craft of writing compelling non fiction featuring the techniques Stewart uses in his own work *The Ethics of the Story* David Craig, 2006-10-10 The best journalists are masters at their craft With a comma and a colon a vivid verb and a colorful adjective they not only convey important information but also create a sense of place and evoke powerful emotions A compelling story can shape for good or ill the way a reader understands people events and issues The Ethics of the Story examines the ethical implications of narrative techniques commonly used in journalism not just literary journalism but also news and feature writing The book draws on interviews with 60 talented journalists including Pulitzer Prize winners to offer practical advice about ethical choices in writing and editing Much has been written about journalism ethics but the discussion has often focused on spectacularly bad decisions such as Jayson Blair's and Jack Kelley's use of fraudulent narrative rather than the ethical dimension of day to day choices about the building blocks of journalistic storytelling The Ethics of the Story fills a gap in current work on ethics writing and editing It will enlighten any serious wordsmith with a story to tell **Follow the Story** James B.
