A Fool's Errand Albion Winegar Tourgée, 1879 **A Fool's Gold** William E. Merritt, 2008-12-31 Just a few months out of law school Bill Merritt takes a job working for a slightly shady but charismatic lawyer named Thaddeus Silk Only months later Thaddeus drops dead of a heart attack and Bill is left to pick up the pieces of

his chaotic and poorly managed practice Before he can even start to make sense of the mess that was Thaddeus s legal life the police are knocking at his door and Bill is being accused of fencing stolen treasure Enter Abby Birdsong and Grady Jackson two clients of Thaddeus s whose files are among the boxes and papers and bourbon bottles that litter his office Drug charges had been brought against Abby for carrying two pounds of pot in her bag and Grady seeks a permit from the state of Oregon to dig for treasure on a local beach Bill takes on both of their cases which on the face of it aren t related When the two cases collide in ways that seem too fantastic to be true Bill finds himself caught in the middle How Thaddeus and Bill Abby and Grady assorted law enforcement officials and colorful hangers on overlap and interconnect took Bill another nineteen years to puzzle out The result is an intricate and original legal yarn with a cast of provincial misfits so peculiar and charming it reads like fiction

A Fool's Errand Albion Winegar Tourgée,2022-11-13 In *A Fool s Errand* Albion Winegar Tourgée delivers a compelling narrative that intertwines personal experience with a scathing critique of post Civil War Reconstruction America This semi autobiographical work employs a blend of realism and satire capturing the struggles of African Americans in the face of systemic oppression and societal indifference Through the story of a Northern carpetbagger who attempts to effect social change in the South Tourgée poignantly illustrates the complexities of racial dynamics and the disillusionment that often accompanied idealism during this tumultuous period His keen observations and eloquent prose render this work both an engaging read and a profound social commentary Albion Winegar Tourgée was a prominent figure in the late 19th century known for his staunch advocacy for civil rights and social justice A Union soldier during the Civil War his deep commitment to racial equality and desire for reform in the South were shaped by his legal career and experiences in the Reconstruction era Tourgée s own life experiences resonate within the pages of *A Fool s Errand* as he explores the chasm between aspiration and reality in the pursuit of justice Readers of *A Fool s Errand* will find a poignant narrative that not only entertains but also educates it challenges them to reflect on the enduring issues of race and equity in American society Tourgée s insights remain relevant making this book a vital addition to any discourse on social justice and an essential reading for anyone interested in the complex legacies of American history

The Cynic and the Fool Tad DeLay,2017-06-08 The questioning of religion is the beginning of a flood one that cannot be contained and will soon drown every theological political economic and cultural orthodoxy that pledged its allegiance to a sinking cause We are in just such an era of revolt and those with eyes to see are learning to interrogate motives When we are told of an idea that cannot possibly be true the most immediate question is this does the speaker so very foolishly believe their own words or is the person a cynic who knows perfectly well how they manipulate the truth As individual personalities transform into a collective drive the aftermath is a brutal mix of motives fictions and anxieties *The Cynic the Fool* explores theology and politics through the lens of our unconscious motives our clever repression and our deceptive denial In nine chapters interspersed with nine parables DeLay unites psychoanalysis philosophy and theology together for an accessible yet critical theory of culture There could not be a

more crucial moment to settle these questions Why do we feel such anxiety over the most abstract orthodoxies what conflicts of interest are we facing and why we are commanded to see the world a certain way *A Fool's Errand and an Invisible Empire* Albion W. Tourgée,1990 This Elibron Classics book is a facsimile reprint of a 1880 edition by Fords Howard Hulbert New York
