

# Footprints in the Sand

One night a man had a dream. He dreamed he was walking along the beach with the Lord. Across the sky flashed scenes from his life.

For each scene, he noticed two sets of footprints in the sand: one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints.

He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the Lord about it. 'Lord, you said that once I decided to follow you, you would walk with me all the way.

But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me.'

The Lord replied, 'My son, my precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you.'

Jacobs,2007 Two years after Walter R Jacobs was forced to call his new stepmother Mom she cancelled what would have been his 13th Christmas In the memoir *Ghostbox* Jacobs explores a life where family problems are blamed on disrespectful children who refused to accept Mom s authority His stepmother is a sociological ghost a force that limited his thoughts and decisions until he filled a special shoebox with objects that evoke significant memories

good bad and ugly This ghostbox has rendered his stepmother s seething presence benign Jacobs investigates how just a relatively short stay in his stepmother s house seven years with his stepmother father and younger brother led to almost twenty years of questions about multiple facets of his identity such as the proper rules and rhythms of life as an African American college professor In the end he finds the key to finally and completely breaking away from the dysfunctions that threatened his self esteem and ability to interact normally with others Jacobs includes an appendix of guidelines readers may use to create their own ghostboxes He invites readers into a world where they can reflect on troubling aspects of their lives and create strategies for making empowering changes
