## General MIDI Disks

**G**eneral MIDI arrangements provide a valuable opportunity for the student to play along with professional-sounding orchestral accompaniments, offering hours of enjoyment for the student and the teacher alike. The use of these disks will help the student to play correct rhythms from the very beginning, and will reinforce important musical concepts such as dynamics, phrasing, touch and many other elements that constitute good musicianship. Lively arrangements in a variety of styles, combined with lush General MIDI sounds, result in fun for everyone involved—this means motivation! Students will love to practice with these arrangements, and teachers will be amazed by the spectacular results.
