

China's total population from 1982 to 2014 (in millions)

China's family planning policy became a basic state policy in 1982. Since late 2013, 29 of the 31 provincial regions on the mainland have enacted policies that allow couples to have a second baby if either partner is a single child.

General Report Of Chinas Changing Population And Its Development

Lawrence E. Likar

General Report Of Chinas Changing Population And Its Development:

General Report of China's Changing Population and Its Development Cangping Wu,1997 **China's Geography** Gregory Veeck,Clifton W. Pannell,Xiaoping Shen,Youqin Huang,2021-04-07 Despite China's clear and growing importance on the world stage it remains often and easily misunderstood Indeed there are many Chinas as this comprehensive survey the most current and authoritative introduction available vividly illustrates Now in a thoroughly revised and updated edition this text traces the changes occurring in this powerful and ancient nation across both time and space Beginning with China's diverse landscapes and environments and continuing through its formative history and tumultuous recent past the authors show contemporary China as a product of both internal and external forces They consider historical and current successes and difficulties including economic political cultural and environmental challenges while placing China in its international context as a massive developing diverse nation that is meeting the needs of its 1.4 billion citizens while becoming an aggressive major regional and global player Through clear prose and 160 insightful maps tables and photos China's Geography illustrates and explains the great economic political and social differences found throughout China's many regions Accompanying the book is a companion website that provides a wealth of additional materials including sample lectures color versions of all the graphics time series and provincial data files for student projects in Excel lists of favorite films and websites and public domain maps for student use **Social Inequality In China** Yaojun Li,Yanjie Bian,2022-12-05 This book provides a comprehensive analysis of the patterns and trends of socio economic development and social division in contemporary Chinese society It discusses the determinants manifestations and consequences of social inequality in the last 40 years with particular regard to social mobility educational attainment social capital health labor market position including employment opportunity career advancement and earnings housing wealth and assets urbanization social integration of migrant peasant workers into urban life social protest and civic engagement subjective well being and subjective social status **Social Development and Social Changes in China** Yi Zhang,2024-04-10 From a sociological perspective this book explores issues related to population mobility family pensions and the lives of workers and peasants during the 70 years of urbanization since the founding of New China from the perspectives of population pension security employment structure transformation and social insurance systems thus exploring the deep logic behind China's successful experience The relevant issues studied in this book are a systematic summary of the experiences and lessons learned from social reforms since the founding of the country and also provide guidance for the future direction of social development and change **Thirty Years of Reform and Social Changes in China** Qiang Li,2010-08-03 Thirty Years of Reform and Social Changes in China is translated from the original Chinese to provide a look into how scholars in China have been assessing their country's recent societal and political history This volume and the others in the SSRC series provide western scholars with an accessible English language look at the state of current scholarship in China and as such does not simply provide information for the

direct study of socio political issues but also for meta level analysis of how the domestic scholarship in China is developing and assessing the interplay of the country's political and economic reforms with the society and daily life of its people

Rising China Jane Golley, Ligang Song, 2011-06-01 Where the last three decades of the 20th century witnessed a China rising on to the global economic stage the first three decades of the 21st century are almost certain to bring with them the completion of that rise not only in economic but also political and geopolitical terms China's integration into the global economy has brought one fifth of the global population into the world trading system which has increased global market potential and integration to an unprecedented level The increased scale and depth of international specialisation propelled by an enlarged world market has offered new opportunities to boost world production trade and consumption with the potential for increasing the welfare of all the countries involved However China's integration into the global economy has forced a worldwide reallocation of economic activities This has increased various kinds of friction in China's trading and political relations with others as well as generating several globally significant externalities Finding ways to accommodate China's rise in a way that ensures the future stability and prosperity of the world economy and polity is probably the most important task facing the world community in the first half of the 21st century The book delves into these issues to reflect upon the wide range of opportunities and challenges that have emerged in the context of a rising China

Demographic

Developments in China China Development Research Foundation, 2014-06-05 This book assesses current developments in China's demography and discusses the changes which should be implemented to bring policy into line with the current demographic situation It argues that population planning which was introduced in the early years of the People's Republic alongside economic planning including the one child policy is no longer appropriate It considers the results of the 2010 census which showed the very significant shifts that are occurring including a declining rate of population growth ongoing growth of the number of people in the floating population an increasingly imbalanced sex ratio among newborn children and ongoing ageing of the population Besides discussing population planning policy the book also examines how policies in the fields of education health gender relations child development in rural areas and policies for the elderly and families should be adjusted to accommodate demographic developments

China's Changing Population Judith Banister, 1987 In this comprehensive analysis of thirty five years of population change in the People's Republic of China the author highlights China's shifting population policies and pieces together the available data assessing and adjusting them as necessary in order to discover the actual population changes

People's Livelihood In Contemporary China: Changes, Challenges And Prospects Peilin Li, 2013-12-26 Since being established in 1949 and especially since the reform and opening up 30 years ago China has experienced the most drastic changes ever in its 5000 year history During this period China has transformed from an agricultural society into an emerging dynamic and industrialized nation and has undergone rapid urbanization The standard of living of the Chinese continues to rise and is taking rapid strides forward to a higher level of comprehensive well

being China's development over the past 60 years has indicated that the livelihood of the people is a key factor in economic and social construction in contemporary China. Having sufficient food and clothing is the first step in improving the livelihood of the people. A higher level of well-being can be achieved only after the basic needs are met. This higher level of well-being comprises of employment as the foundation, education as the key point, income distribution as the source, social security as the support, and public safety as an assurance. This book offers fresh perspectives by prestigious scholars from the Chinese Academy of Social Sciences. Based on a unique source of data which is available only to Chinese scholars, this book showcases key issues on people's livelihood and social construction in Contemporary China, including income disparity, social security system, employment situation, post-80s generation, and so on.

International Population Reports, 1955 Asia-Pacific Population Journal, 2006 *China's Environmental Challenges* Judith Shapiro, 2016-01-19

China's huge environmental challenges are significant for us all. They affect not only the health and well-being of China but the very future of the planet. In the second edition of this acclaimed trailblazing book, noted China specialist and environmentalist Judith Shapiro investigates China's struggle to achieve sustainable development against a backdrop of acute rural poverty and soaring middle-class consumption. Using five core analytical concepts to explore the complexities of this struggle, the implications of globalization, the challenges of governance, contested national identity, the evolution of civil society, and problems of environmental justice and displacement of environmental harm, Shapiro poses a number of pressing questions: Can the Chinese people equitably achieve the higher living standards enjoyed in the developed world? Are China's environmental problems so severe that they may shake the government's stability, legitimacy, and control? To what extent are China's environmental problems due to world-wide patterns of consumption? Does China's rise bode ill for the displacement of environmental harm to other parts of the world? And in a world of increasing limits on resources, how can we build a system in which people enjoy equal access to resources without taking them from successive generations, from the vulnerable, or from other species? China and the planet are at a pivotal moment: transformation to a more sustainable development model is still possible. But as Shapiro persuasively argues, doing so will require humility, creativity, and a rejection of business as usual. The window of opportunity will not be open much longer.

International Population Statistics Reports United States. Bureau of the Census, 1958 The Quality of Life in Contemporary China Peilin Li, 2022-03-06

This book introduces a multidimensional system that evaluates quality of life in China by pursuing a quantitative and analytical approach. A host of factors, including economic conditions and individual wellbeing, can affect people's satisfaction with their lives. In addition to GDP-associated indicators, sociological and environmental factors are also relevant when it comes to evaluating quality of life. Providing a general framework while also considering gender, education, and geographical differences in assessing quality of life, the book offers policy suggestions for improving both individual quality of life and the health of society as a whole.

A Concise History of World Population Massimo Livi-Bacci, 2017-03-20

General Report Of Chinas Changing Population And Its Development Introduction

In today's digital age, the availability of General Report Of Chinas Changing Population And Its Development books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of General Report Of Chinas Changing Population And Its Development books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of General Report Of Chinas Changing Population And Its Development books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing General Report Of Chinas Changing Population And Its Development versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, General Report Of Chinas Changing Population And Its Development books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing General Report Of Chinas Changing Population And Its Development books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for General Report Of Chinas Changing Population And Its Development books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, General Report Of Chinas Changing Population And Its Development books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of General Report Of Chinas Changing Population And Its Development books and manuals for download and embark on your journey of knowledge?
