End Of Time:

End Time Look at God's Redemption Plan, An Lynette Carrington-Cox, Every now and then a new book is released and people stand in long lines with great anticipation some even camp outside the bookstore overnight waiting to purchase a copy Television news sometimes captures the pictures of people pushing and shoving into the stores to get their hands on that book and within a few days they have read every line As I look at these lines of people I have often thought Now what book could get me so excited that I would stand in line for hours to get a copy and then lose sleep trying to read every word It would have to be a book filled with essential long lasting lifesaving information Its author has to be lovable and all knowing and the information has to be crucial to my existence now and in the future Then the thought flashes through my mind there is such a book available free for the asking but there are no long lines of eager excited people waiting to get their hands on it Is it possible that most people really do not know what is in this book This book is none other than the Bible The Bible is the most important book that has been written and the most important book that we will ever read This book reveals the history of God s plan of redemption

End Time Rewind: An Exploration In Bible Prophecy And The Fate Of The World

Steven Sabatino, Remember when End Time Rewind warned you not to fall for the Doomsday Rapture theories of Dispensational Premillennialism and their Zionist partners Well now that we ve survived John Hagee s Four Blood Moons Jonathan Cahn s Super Shemitah and the menacing tentacles of the now defunct European Union and Islamic State the supposed Beast Kingdoms of Revelation 17 the Futurist s next false claim centers around the 70 year anniversary of Israel s founding Is the Jewish State really the prophetic clock by which God aligns world events and the return of Christ Many Doomsday Rapture forecasts have been put forth in the name of Futurism since the 2nd century AD none of which have come to fruition This is disconcerting because failed predictions and false expectations promoted by our Christian counterparts diminishes the credibility of the Bible and scars the reputation and integrity of the Prophetic Office of Jesus Christ The age old tried and true Orthodox aka Partial or Classical Preterist approach maintains that the majority of Bible prophecies were already fulfilled by the end of the first century AD and included Jesus appearing in an Old Testament styled non physical manifestation with power and great glory All that remains to be accomplished in the future is for Jesus Christ to physically return to raise the dead which is when the rapture also occurs preside over the final judgment and create a new heaven and earth devoid of sin and death where the new and holy Jerusalem from heaven descends as per Revelation 20 7 Revelation 22

End Time Prophecy Unsealed Pastor Tom Colburn, 2013-07-05 This book seeks to review Bible prophecy related to the end times in a consistent manner resisting the liberties taken in so many works on prophecy Common theories such as so called Gap Theory and a future rebuilt Jewish temple are nowhere mentioned in Scripture Daniel asserts some prophecy was to be sealed until the very end times Attempts to understand this prophecy prior to the end times would necessarily be fruitless no matter how sincere the student The unsealing of this prophecy is not to the credit of Pastor Colburn or any other theologian but rather to the time in history we now find ourselves

Answers to Confounding Teachings of End-Time Events W. Winters, 2024-11-07 How many different views of the end time Bible passages have you heard? Are the gospel accounts about the end times only talking about Jesus's second coming or do they include information on the rapture? What exactly happens when the rapture takes place? What happens to Fido my cat in the rapture event? What kind of body does my dad in heaven have right now if he doesn't get one until the rapture? Just how many resurrections are there? How can I know I'll be going up in the rapture to be with Jesus? And then there's the Ezekiel 38 and 39 war the Gog Magog war. How many different views have you sat through for that one? How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars? And what about Psalms 83 is it a war or a prayer? Are you tired of the unanswered questions or being told we can never know for sure? Then stop and read this book. Allow the words to work with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings. You don't have to be confounded about these end time questions anymore. I hope you're as blessed by God reading this book as much as I was by writing it. See you in the clouds soon.
