*Glee and New Directions for Social Change* Brian C. Johnson,Daniel K.

Fail,2015-02-27 In the fall of 2009 the Fox network took a bold step in their primetime television lineup Borrowing from the success of reality music performance shows like its own American Idol the network introduced us to the students at McKinley High School a fictional high school in Lima OH and home to the glee club known as the New Directions The group is made up of freaks and geeks who feel the wrath of being different The cool kids are hell bent on making life difficult for the students in glee club Yet because of the determination of Mr Will Schuester the club s advisor along with a few great songs Glee has brought a new tone of inclusion to modern television and direct parallels can be seen between the experiences of the show choir members and what is happening in contemporary society Glee has shown the importance of examining the intersections of pop culture and social issues this text will encourage thinking on how effective the show has been beyond the screen Essays provide critical analyses of the show its characters and its overall usefulness as a commentary on social issues The show s content often deals with subject matter that would lend easily to critique around such social issues as sexuality bullying interpersonal communication conflict resolution and family relationships This text invites readers to examine the intersections between media society and the individual **Ethics, Disability and Sports** Ejgil Jespersen, Mike J.

McNamee,2013-10-18 This volume addresses a range of philosophical and ethical issues in adapted physical activity and disability sports participation more broadly It is comprised of a range of essays by international scholars whose backgrounds embrace different traditions of philosophy pedagogy and adapted physical activity The principal aim of the symposium was to open up and critically explore a range of conceptual and ethical issues and perspectives that have arisen with respect to the engagement of persons with disabilities in a range of physical activity contexts including but not exclusively located in mainstream sporting activities This book was published as a special issue in Sport Ethics and Philosophy **Disability and**

**Modern Fiction** A. Hall,2011-11-11 Focusing on Faulkner Morrison and Coetzee as authors critics and Nobel Prize winning intellectuals this book explores shifting representations of disability in 20th and 21st century literature and proposes new ways of reading their works in relation to one another whilst highlighting the ethical aesthetic and imaginative challenges they pose **Documentary and Stereotypes** Catalin Brylla,2023-08-22 This book studies how documentaries and factual

media in general can contribute to the reduction of social stigma and prejudice It adopts models from social psychology media studies and cultural studies and is intended for scholars and media makers who aim to increase social inclusion and diversity by deconstructing harmful boundaries between social groups Such boundaries may be based on the stereotyping of ethnicity culture age disability gender and sexual orientation for example The first part of the book outlines the functionality of stereotypes as essential processes for social cognition both in real life and during documentary viewing The second part establishes a classification system for stigmatising media stereotypes and formulates a methodology based on critical discourse analysis to analyse them in narrative and audio visual representations The third and final part of the book conceptualises a set of methodologies to reduce stigmatising stereotypes These methodologies are based on 1

representations that prompt perspectival alignment with screen characters and 2 the perceived salience of multiple intersecting social identities
