Procrastination: How To Eliminate Procrastination And Be Disciplined, Stop Wasting Your Time And Be A Productive Person For Life Tom Norman,2015-02-03 Procrastination How To Eliminate Procrastination And Be Disciplined Stop Wasting Your Time And Be A Productive Person For Life This book contains steps and strategies which aim to help a person eliminate habits leading to procrastination It also tackles when and how procrastination starts It mentions situations habits and choices made early on that are clear signs to becoming a procrastinator Included in the third chapter is a set of questions involving daily activities Read it and see if you often find yourself in such situations Admit it or not the types of procrastinators mentioned here are all too familiar to you See what type of procrastinator are you Often people ask themselves Why do I procrastinate when there s enough time given to finish the task or project You ll be surprised to know why people procrastinate to some it s a form of escape to other s it involves fear Read on and see where your procrastination habits come from Lastly the advices and to do list found in the later chapter aims to help people overcome their procrastinating habits and improve their life Remember that nothing happens overnight so take small steps and make it part of your daily routine Don t worry The first step every procrastinator has to make is to admit that they are one and that they need help The acceptance and the willingness to change are key factors to make things work This book doesn t aim to make you feel bad instead it wants to help you overcome procrastination to encourage you to be more productive and positive in life Take time reading the chapters enjoy and do implement them Start with small changes which will change to your way of life Procrastination in its Simplest Form Procrastination is known as avoidance behavior Tasks and responsibilities are postponed Things that need attention are put on hold Procrastinators delay the action needed to accomplish their tasks They wait until the last minute before they start or do something As a result there are times when they fail to meet deadlines or they submit late They will always delay what can be done at present and choose to do it later It starts early unconsciously during a one s childhood Try to recall how your studying habits was back then Do you often think that there s more time only to realize that you have underestimated time and end up cramming Regardless of the importance of a task you always take it

lightly and deal with it at a later time Try looking at your home is it organized or is it in chaos Do you have difficulty putting things back to where you took them How does your closet look like Are the clothes neatly folded or is it all mixed up There is a good chance that you have said the words later more often than you should Maybe it s time to analyze such habits and patterns seriously They might be signs all along that procrastination has been negatively affecting your life Don t procrastinate in changing your habits Now is the best time to put things in order Here Is A Preview Of What You ll Learn Procrastination in its Simplest Form How it Develops Procrastinator Quiz What Type of Procrastinator Are You Why People Procrastinate Chain effect Say Goodbye to the Bad Habit Accountability Partner Much much more **The Learning Annex**

Guide to Eliminating Clutter from Your Life Laurie Susan Wright,1991 **Summary: The Agile Manager's Guide to Getting Organized** BusinessNews Publishing,2014-10-14 The must read summary of Jeff Olson s book The Agile Manager s Guide to Getting Organized How Highly Successful Managers Cut through the Clutter and Get Things Done This complete summary of the ideas from Jeff Olson s book The Agile Manager s Guide to Getting Organized shows that most good managers know what they need to do in order to achieve more and they try to be aware of how to focus on critical issues However the implementation stage of new more efficient ideas is often frustratingly tricky In his book the author explores how to get rid of mental clutter simplify your commitments get rid of extraneous paperwork manage your workforce effectively and identify and eliminate your eight great time wasters This summary explains each of these steps in detail and how you can work on them to finally get organised and become more productive Added value of this summary Save time Understand key concepts Expand your knowledge To learn more read The Agile Manager s Guide to Getting Organized and discover the key to getting rid of clutter and boosting productivity Morning Ritual Guide: How To Wake Up Everyday Happy, Productive & Motivated, Build Self Discipline, Increase Positive Energy & Develop Success Habits Tom Norman,2014-12-11 Morning Ritual Guide How To Wake Up Everyday Happy Productive Motivated Build Self Discipline Increase Positive Energy Develop Success Habits This book contains proven steps and strategies on how to be productive and to be successful with your day to day life This book also provides tips on how to be happy and on how you can harness inner peace Also the contents of this book provide proven steps on how to be the best you that you can be After reading this book surely your life will have a 180 turn from having boring mornings to having awesome ones Remember your day is shaped by the things you do the moment you wake up Here Is A Preview Of What You ll Learn Why Start Your Day Right A Cup of Happiness A Dose of Positivity A Leap of Faith Carpe Diem Much much more Start Your Day Right What do you do the moment you wake up Do you start your day by checking messages on your phone Or by checking your news feeds from different social media sites on your laptop Or by doing nothing because you don t really have any time for any morning rituals because you re late for work or school Or you simply woke up late and have nothing to do but sleep again Sounds familiar right You may be a night owl but being a morning person is not so bad According to researchers whatever you do first thing

in the morning actually affects the whole day ahead You may be wondering how Let s put it this way you re a writer and you re starting a new book but you find it hard to start writing because you can t seem to make up your mind or better yet you have no springboard In another context you re an entrepreneur and you re starting out on a new venture but then you re having a hard time since you don t have enough resources Just like a good book having an awesome springboard or a successful business having enough resources you too must have an awesome springboard and enough resources so that your day would end up being an awesome one Here are some of the springboards or resources you ought to have Say a Prayer Prayer is the ultimate way for starting your day right When you start and end your day with a prayer you will have a peaceful heart and a peaceful soul Your prayer does not have to be lengthy and full of sugar coated words Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come Pray with a sincere heart and surely you will be heard Prayer is not asking It is a longing of the soul It is daily admission of one s weakness It is better in prayer to have a heart without words than words without a heart Mahatma Gandhi
