The Cumulative Book Index, 1998 A world list of books in the English language Montreal, City of Spires Clarence Epstein, 2012-03-19T00:00:00-04:00 Of the fifty religious buildings discussed in this book only a precious few remain standing despite the fact that Montreal boasts one of the largest and most eclectic groupings of Georgian and Victorian structures of any city in North America Following the British conquest of New France in 1759 a remarkable series of transformations took place in the small Catholic trading town of Montreal Given the diversity of settlers forced to live side by side the new church buildings that were to rise became strategic public spaces meeting places as well as power bases It was no wonder that by the time Mark Twain toured Canada's first metropolis in the 1880s he found that one could not throw a brick in the place without breaking a church window By addressing the social religious and architectural issues surrounding these colonial era

**America's Church** Thomas A. Tweed,2011-06-28 The National Shrine in Washington DC has been deeply loved blithely ignored and passionately criticized It has been praised as a dazzling jewel and dismissed as a towering Byzantine beach ball In this intriguing and inventive book Thomas Tweed shows that the Shrine is also an

illuminating site from which to tell the story of twentieth century Catholicism He organizes his narrative around six themes that characterize U S Catholicism and he ties these themes to the Shrine s material culture to images artifacts or devotional spaces Thus he begins with the Basilica s foundation stone weaving it into a discussion of brick and mortar Catholicism the drive to build institutions To highlight the Church s inclination to appeal to women he looks at fund raising for the Mary Memorial Altar and he focuses on the Filipino oratory to Our Lady of Antipolo to illustrate the Church s outreach to immigrants Throughout he employs painstaking detective work to shine a light on the many facets of American Catholicism reflected in the shrine      *Resources in Education* ,2001-04
