Barrett,Christopher Price,Thomas Hunt,2008-01-07 In today s turbulent global economy companies establish competitive
advantage by creating the most exciting ideas and taking them to market To sustain this competitive advantage and thrive
long term innovative companies must use intellectual property to protect their valuable ideas iProperty explores the
intellectual property strategies and tactics used by successful companies to protect ideas It answers the question If I m
serious about strategically deploying intellectual property in a way that benefits my bottom line what should I do on Monday
morning to make that happen Too often books dealing with strategy remain high level and vague while intellectual property
books frequently bog the reader down in the intricacies of patent laws and regulations Avoiding these extremes iProperty
emphasizes the concrete details involved in actual implementation and provides executives managers and attorneys with
practical advice for developing and executing a strategic intellectual property plan that will yield a measurable return on
