the PC Given this it was felt that an electronic discussion would enable all members to participate on a more equal footing in the selection All reviews scores and comments were posted on a secure website with a mechanism for making updates and automatically sending notifications by email to relevant members of the PC All PC members participated actively in the discussion The general feedback on the arrangement was very positive so we hope to continue this in future years We had ve invited speakers this year Eric Allender Sanjeev Arora David Harel Colin Stirling and Uri Zwick We thank them for having readily accepted our invitation to talk at the conference and for providing abstracts and even full papers for the proceedings
