Control Your Inner Trader L. R. Thomas,2014-01-07 Self control is probably the most important skill you need to acquire as a trader Unfortunately most trading psychology books can be very vague and short on specific strategies to take control of your mental state while trading Control your Inner trader draws on the experience of an eight year trading veteran who is also a qualified therapist Behavioural and therapeutic techniques are included in the book that are easy for any one to follow

Trading Wisdom Cheds,2021-04-27 This book can be described as 1 3 trading psychology 1 3 risk management and 1 3 technical analysis My early days of trading were filled with frustration confusion and constant losses After making some of the same mistakes over and over again I being to adapt and learned a few tricks to minimize my losses As I began passing these tricks on to my fellow traders through my twitter account and blog chedstrading.blogspot.com it launched me on a path of learning and teaching With enough time that path lead to dedicated studies of Japanese candlesticks and classical charting and ultimately CMT certification My career and brand have been built on helping new traders avoid my old mistakes and this book is a natural extension of those efforts This book is also a natural extension of my Complete Beginners Guide to Trading that I wrote back in 2017 when I was undergoing chemotherapy for lymphoma I subsequently beat my cancer and wrote a book about that experience and have since continued to grow in my journey as a trader and teacher Building on my years of work with my twitter account learning blog and various other writings on trading subjects I am happy to now bring together in one place all those bits and pieces that have helped to make me a successful trader I have personally made every single

mistake mentioned in this book multiple times and therefore can speak from the heart which I hope makes each lesson a little bit easier to learn Thank you for reading and best of luck in your trading journey

Trading from Your Gut Curtis Faith, 2009-11-30 EARN SERIOUS TRADING PROFITS BY USING YOUR WHOLE BRAIN Legendary traders like Jesse Livermore George Soros Richard Dennis and Steven Cohen use their full range of powers that encompass both instinct and analysis That's how they made their fortunes and that's how you can too In Trading from Your Gut Curtis Faith renowned trader and author of the global bestseller Way of the Turtle reveals why human intuition is an amazingly powerful trading tool capable of processing thousands of inputs almost instantaneously Faith teaches you how to harness sharpen train and trust your instincts and to trade smarter with your whole mind Just as important you'll learn when not to trust your gut and how to complement your intuition with systematic analysis You've got a left brain analytical and rational You've got a right brain intuitive and holistic Use them both to make better trades and more money Whole Mind trading the best of discretionary and system approaches How winning traders use analysis and disciplined intuition together How to profit from other traders Wrong Brain Thinking Understand other traders without acting like them How to provide a firm intellectual framework for your trades What successful traders have discovered about the market's structure and laws The unique value of intuition in swing trading Use your intuition to trade patterns that computer technology can't recognize

The Inner Voice of Trading Michael Martin, 2012 Want to be a successful trader It's not enough to master generic trading strategies you must first know yourself You must understand your own emotional predilections and psychological tendencies You must learn how to match your strategies to your own personality You must choose strategies that are sustainable over the long haul that you can tolerate and execute Michael Martin's The Inner Voice of Trading explains why deep self knowledge is so crucial to successful trading helps you gain that self knowledge and guides you in applying it Drawing on interviews and discussions with great traders like Michael Marcus and Ed Seykota he shows how to quiet your mind develop an inner voice you can rely on and make it your most important trading ally As seen in Barron's Minyanville.com and HuffingtonPost.com

The Disciplined Trader Mark Douglas, Paula T. Webb, 1990-04-01 The classic book that introduced the investment industry to the concept of trading psychology With rare insight based on his firsthand commodity trading experience author Mark Douglas demonstrates how the mental matters that allow us function effectively in society are often psychological barriers in trading After examining how we develop losing attitudes this book prepares you for a thorough mental housecleaning of deeply rooted thought processes And then it shows the reader how to develop and apply attitudes and behaviors that transcend psychological obstacles and lead to success The Disciplined Trader helps you join the elite few who have learned how to control their trading behavior the few traders who consistently take the greatest percentage of profits out of the market by developing a systematic step by step approach to winning week after week month after month The book is divided into three parts An overview of the psychological requirements of the trading environment A definition of the

problems and challenges of becoming a successful trader Basic insights into what behavior may need to be changed and how to build a framework for accomplishing this goal How to develop specific trading skills based on a clear objective perspective on market action A groundbreaking work published in 1990 examining as to why most traders cannot raise their equity on a consistent basis bringing the reader to practical conclusions to go about changing any limiting mindset Larry Pesavento TradingTutor com *The Inner Voice of Trading* Michael Martin,2011-09-13 Want to be a successful trader It s not enough to master generic trading strategies you must first know yourself You must understand your own emotional predilections and psychological tendencies You must learn how to match your strategies to your own personality You must choose strategies that are sustainable over the long haul that you can tolerate and execute Michael Martin s *The Inner Voice of Trading* explains why deep self knowledge is so crucial to successful trading helps you gain that self knowledge and guides you in applying it Drawing on interviews and discussions with great traders like Michael Marcus and Ed Seykota he shows how to quiet your mind develop an inner voice you can rely on and make it your most important trading ally As seen in Barron s Minyanville com and HuffingtonPost com [Control Your Inner Trader](#) Lr Thomas,2020-10-07 Why Should You Buy This Book Self control is probably the most important skill you need to acquire as a trader Unfortunately most trading psychology books can be very vague and short on specific strategies to take control of your mental state while trading Trading psychology shares equal importance with money management and the trading system and yet most traders remain unaware of the importance of taking into account their trading psychology when designing a trading system What traders need is an unambiguous trader psychology system that can easily slot into whatever system they are trading and enable them to trade their system according to their trading plan *Control Your Inner Trader* draws on the experience of an eight year trading veteran who is also a qualified therapist Behavioral and therapeutic techniques are included in the book that are easy for anyone to follow Reader Reviews QCD Well worth the time and money Reviewed in the United States on 31 October 2016 Ms Thomas makes some analogies in her books that I have NEVER read in other trading psychology books Excellent Well worth the money This book combined with *Overcome Your Fear in Trading* are most excellent Made me want to look into some of her other works I was not disappointed Alan 5 0 out of 5 stars A refreshing new angle on how to improve trading results Reviewed in the United States on 17 November 2013 Few trader psychology books deliver on sufficient tools This book is surprisingly different Despite being short compared to other well known top trader books as *Trading in the Zone* by Mark Douglas and *Trading for a Living* by Alexander Elder I must say that *Control Your Inner Trader* is definitely among the better ones Any trader who believe that he or she can improve despite even good results will find this book have a refreshing new angle on how one can improve behavior and become a much better trader This book is time well spent Patrick Higdon Great Book Useful quick and to the point Reviewed in the United States on April 25 2018 Useful quick and to the point I highly recommend this book to anyone experiencing trading frustrations Many times the first thing we question is our system or

methodology when the greatest obstacle to success is ourselves our Inner Trader This book is worth a read of you re just starting out or have been trading for a long time Alastair Forres Very helpful book indeed in a difficult subject area Reviewed in the United States on January 13 2014 For a short book I found more practical solutions for erroneous mental habits whilst trading than you might ever imagine This is for me the most difficult area of trading and the author LR Thomas has got right the nub of issues with no fluff or filler I am adopting parts of this book as my mantra
