Rosemary Coates, 2013-07 Doing business in China is tougher than you think Not only is the culture vastly different but China's experience in manufacturing is still developing It will be a few years before the majority of manufacturers are up to world standards In the meantime quality contract laws schedules and logistics must be closely monitored As a result the things Westerners must do to be successful are far different from dealing with American or European manufacturers The best way to quickly come up to speed on these differences and how to handle them is to learn from the experience of others Through over 20 extraordinary executive interviews Rosemary Coates captured the essence of sourcing and manufacturing in China 42 Rules for Sourcing and Manufacturing in China 2nd Edition is a pragmatic approach that every businessperson headed to China must read For business people who are experienced in doing business in China or for first time visitors this book will provide valuable insights from real executives and experts These executives offer their personal experiences and recommendations about sourcing and manufacturing in China Going beyond simple cultural do's and don'ts you will discover how business is really done how you can make things happen in China the mistake westerners often make and how to avoid them what made these executives successful Based on her 25 years of supply chain experience much of it spent living and working across Asia Rosemary Coates has become an expert on doing business in China Her own personal experiences in China are interwoven into this book [None of the Answers](#)

Jeff Swaney, 2025-02-18 You're invited to take a wild ride in life with tenacity risk danger and near death yielding lessons rewards and mantras Buckle Up None of the Answers is a revealing memoir by successful American entrepreneur Jeff Swaney Written in the lost art of Gonzo journalism the stories chronicle a life lived outside the box Follow Swaney from the start of his life born dirt poor in Detroit Michigan facing the challenges of a city collapsed around him to fast forward reflections of a life well lived Death defying outdoor stunts collegiate misadventures penniless far flung world travel and birthing illegal night clubs would eventually lead to Swaney becoming a business leader in the city he loves most Dallas Texas He would go on a life altering journey becoming

a single father to two young children at age sixty Moving from rags to riches and financial collapse to astounding recovery Swaney brings an inspired world view This rich textured page turner launches the reader into memory lane inspiring a search for our own best selves through reflection and questioning beliefs It explores how we take the chaos of living full out thriving with patience perseverance and purpose The search for answers with pants pulled down self deprecation provides an avenue for the reader s innocuous introspection hair pulling and deep belly laughs Highly entertaining None of the Answers recounts terrifying experiences on mountain summits illegal all night parties and unspeakably difficult family tragedy validating that we are all a little crazy navigating this world gone mad It s a tell all Fasten your seatbelts *The Earthquake* Vince Poscente,2021-11-30 From the New York Times bestselling author of *The Age of Speed* and *The Ant and the Elephant* comes an all new parable to help you break free from feeling stuck and bounce back after a crisis Life has its ups and downs however we should never give up hope *The Earthquake* will inspire many to meet the difficult challenges of life Dalai Lama *The Earthquake* is a must read for anyone looking to find their way to sustained hope Use this book to find specific solutions to the setback you re currently facing or to help others bounce back from their personal earthquake This parable will help readers to Reframe dark times as illuminating experiences Resist the impulse to go it alone Find fresh perspectives Seek a path where you can enjoy the journey In this entertaining modern day fable Vince Poscente introduces us to the well intentioned conscious ant and the habitually fearful subconscious elephant as seismic destruction changes their world and ultimately forces them to leave their oasis What Adir the ant and Elgo the elephant learn and what you ll learn by journeying with them is the linear path they used to reach the oasis in *The Ant and the Elephant* does not work in the chaos after an earthquake How can they breakthrough and thrive after a life altering setback This book offers prescriptive advice and is based on Poscente s study of practices including decoding human behavior the neuroscience of performance interpersonal dysfunction around fear **Maximize Your Metabolism** Christopher Guerriero,2003 *A New English Dictionary on Historical Principles* James Augustus Henry Murray,Sir William Alexander Craigie,Charles Talbut Onions,1901 **Office Sportz** Jeff Rogers,2008-09 OFFICE SPORTZ is a handbook filled with fun exhilarating and often ridiculous games that make life in the workplace a lot more entertaining However a fantastic thing can happen when a team works together on something enjoyable and yes even goofy actual change can occur By that we mean that these games can be used to create an opportunity for real growth within your organization No none of your staff will come out of these games better at using PowerPoint or suddenly certified to do taxes But what is possible if you use these games well is that you can create an experience for your team that results in greater cohesiveness improved trust and more healthy communication Studies have shown that all of these results have the effect of raising employee engagement levels which is directly linked to a healthier bottom line The games use common office equipment and supplies to create easy stress free yet hilarious challenges that break up the monotony of daily corporate life and bring coworkers together in the process Whether you are looking for a

distraction from the status quo or an engaging way to increase communication interaction positive energy among your coworkers OFFICE SPORTZ is the book for you **Summary of The Ant and the Elephant by Vince Poscente**
 getAbstract AG,2014-12-22 Former Olympian Vince Poscente s entertaining short parable works with the metaphors of a determined little ant as your conscious mind and a habit driven elephant as your subconscious mind You make hundreds of small decisions daily mostly without thinking because your subconscious runs your life Yet these accumulated choices put most people on safe predictable boring paths of mediocrity When you see glimpses of what you could become heed those insights Don t revert to your old ways just because change is hard and progress may be slow With the right mind set and determination think of an ant s diligence you can overcome inertia and break through Turn to Poscente s five step action plan based on clear vision commitment consistency confidence and control Align your conscious goals with those of your subconscious so the ant rules the elephant Convince your inner more conservative self that your goal is not only possible but also inevitable getAbstract recommends this accessible heartwarming story to anyone seeking to reduce fear alter old habits and change for the better This officially licensed summary of The Ant and the Elephant was produced by getAbstract the world s largest provider of book summaries getAbstract works with hundreds of the best publishers to find and summarize the most relevant content out there Find out more at getabstract.com **A New English Dictionary on Historical Principles: part 1.
