Günter Grass

From The Diary Of A Snail:

From the Diary of a Snail Günter Grass, 2017-06-22 Probably the most autobiographical of his novels *From the Diary of a Snail* balances the agonising history of the persecuted Danzig Jews with an account of Grass's political campaigning with Willie Brandt. Underlying all is the snail the central symbol that is both model and a parody of social progress and a mysterious metaphor for political reform. From the winner of the Nobel Prize for Literature and author of *The Tin Drum*.

From the Diary of a Snail Günter Grass, 1973 Probably the most autobiographical of his novels it balances the agonizing history of the persecuted Danzig Jews with an account of Grass's political campaigning with Willie Brandt. **The Günter Grass Reader** Günter Grass, 2004 Sample Text *The Politics of Remembrance in the Novels of Günter Grass* Alex Donovan Cole, 2022-11-30 This manuscript argues for the importance of Günter Grass as a political thinker in addition to his status as a novelist and public intellectual capable of forming ethical responses to contemporary issues like neoliberalism and place of the petit bourgeoisie in social life. I define Grass's trajectory as a thinker through his novels and speeches. Primarily I draw attention to the role memory plays in Grass's thought that his work represented an intellectual and aesthetic response to the role Nazism continued to play in West German politics in the post war era. To Grass Nazism represented a resurgent threat unaddressed following the end of World War II. Later Grass amended his concept of memory politics to address neoliberal capitalism reiterating his radicalism and affirming the need for German society to resist the rise of extreme ideologies.

The Cambridge Companion to Günter Grass Stuart Taberner, 2009-07-16 Günter Grass is Germany's best known and internationally most successful living author from his first novel *The Tin Drum* to his recent controversial autobiography. He is known for his tireless social and political engagement with the issues that have shaped post War Germany the difficult legacy of the Nazi past the Cold War and the arms race environmentalism unification and racism. He was awarded the Nobel Prize for literature in 1999. This Companion offers the widest coverage of Grass's oeuvre across the range of media in which he works including literature television and visual arts. Throughout there is particular emphasis on Grass's literary style the creative personality which inhabits all his work and the impact on his reputation of revelations about his early involvement with Nazism. The volume sets out in a fresh and lively fashion the fundamentals that students and readers need in order to understand Grass and his individual works. The Language of Silence Ernestine Schlant, 2004-11-23 Focusing on individual authors from Heinrich Böll to Günther Grass Hermann Lenz to Peter Schneider *The Language of Silence* offers an analysis of West German literature as it tries to come to terms with the Holocaust and its impact on postwar West German society. Exploring postwar literature as the barometer of Germany's unconsciously held values as well as of its professed conscience Ernestine Schlant demonstrates that the confrontation with the Holocaust has shifted over the decades from repression circumvention and omission to an open acknowledgement of the crimes. Yet even today a language of silence remains since the victims and their suffering are still overlooked and ignored. Learned and exacting Schlant's study makes an important

contribution to our understanding of postwar German culture **Günter Grass and His Critics** Siegfried Mews, 2008 A comprehensive narrative overview and analysis of the criticism of the controversial German author's works When the Swedish Academy announced that Günter Grass had been awarded the 1999 Nobel Prize for Literature it singled out his first novel *The Tin Drum* 1959 English translation 1963 as a seminal work that had signaled the postwar rebirth of German letters auguring a new beginning after decades of linguistic and moral destruction Nearly fifty years after its publication the novel's significance has been generally acknowledged it is the uncontested favorite among Grass's works of fiction on the part of reading public and critics alike yet its canonical status tends to obscure the decidedly mixed and even hostile reactions it initially elicited Along with *The Tin Drum* Grass's impressive body of literary work since the 1950s has spawned a cottage industry of Grass criticism making a reliable guide through the thicket of sometimes contradictory readings a definite desideratum Siegfried Mews fills this lacuna in Grass scholarship by way of a detailed but succinct descriptive as well as analytical and evaluative overview of the scholarship from 1959 to 2005 Grass's politically motivated interventions in public discourse have kept him highly visible blurring the boundaries between politics and aesthetics Mews therefore examines not only academic criticism but also the daily and weekly press and other news media providing additional insight into the reception of Grass's works Siegfried Mews is Professor of German at the University of North Carolina at Chapel Hill

[The Life and Work of Günter Grass](#) J. Preece, 2016-01-08 This book traces the career of the most widely read and influential German novelist in the second half of the Twentieth century It shows in particular how his experiences as a teenage Nazi shaped his thinking both in his novels and his role as critic and campaigner from *The Tin Drum* 1959 his most famous novel to *My Century* 1999 from his public protest against the building of the Berlin Wall 1961 to his diatribes against Helmut Kohl in the late 1990s This new paperback edition includes new material on his last two books *My Century* and *Crabwalk* including a revised Bibliography and Chronology **Günter Grass and the Genders of German Memory** Timothy Bruce Malchow, 2021 The first book to examine the connection between gender and memory in Grass's oeuvre which is especially timely in light of current concerns about male privilege Günter Grass 1927 2015 was a fixture at the heart of German cultural life a self-styled spokesman of the Kulturnation cultural nation who imagined it linking him to canonical male literary figures and their authority He was also the object of valid feminist criticism a rigid conception of gender permeates his works belying his professed skepticism toward ideologies A heterosexual male Grass lent his representative persona a natural veneer by appropriating his era's gendered discursive constructs including *Heimat* the Bildungsroman and narratives about German wartime victims and perpetrators Such appropriation elevated his remembering artist's masculinity above that of the status quo's defenders and exploiters of memory This book is the first to evaluate the connection between gender and memory in Grass's oeuvre and its legacy in light of current concerns about male privilege It highlights his breakthrough novel *The Tin Drum* 1959 and his memoir *Peeling the Onion* 2006 The former establishes the gendered persona

that Grass would develop in subsequent decades to relate contemporary issues to Nazi era memories The latter reclaims the novel's autobiographical material but fails to account for his decades long silence about having served in the Nazi Waffen SS Instead it foregrounds his mourning for his mother allowing for a more personal reading of his oeuvre and its gendered imagery of current concerns about male privilege It highlights his breakthrough novel *The Tin Drum* 1959 and his memoir *Peeling the Onion* 2006 The former establishes the gendered persona that Grass would develop in subsequent decades to relate contemporary issues to Nazi era memories The latter reclaims the novel's autobiographical material but fails to account for his decades long silence about having served in the Nazi Waffen SS Instead it foregrounds his mourning for his mother allowing for a more personal reading of his oeuvre and its gendered imagery of current concerns about male privilege It highlights his breakthrough novel *The Tin Drum* 1959 and his memoir *Peeling the Onion* 2006 The former establishes the gendered persona that Grass would develop in subsequent decades to relate contemporary issues to Nazi era memories The latter reclaims the novel's autobiographical material but fails to account for his decades long silence about having served in the Nazi Waffen SS Instead it foregrounds his mourning for his mother allowing for a more personal reading of his oeuvre and its gendered imagery

The Art of Listening R. S.

White, 2015-10-23 Originally published in 1986 This collection of essays is unified by one leading idea that the active and creative abilities of listeners and readers deserve as much attention as the skills of speakers and writers It is shown that hearers far from being passive recipients in the communicative process are in fact active in selecting interpreting and creating from the disparate signals they receive Equally readers are involved in creating individual patterns of significance from a text In presenting this argument some essays deal with the importance of gender considerations some with special modes of writing such as the private diary and literary translations and others with the more familiar fields of poetry and drama In the sphere of popular music distinctions such as folk and pop indicate special problems in assessing the authenticity of a listener's response By concentrating on active listening the collection develops and illustrates the conviction that there are fundamental premises underlying the various disciplines under review the analysis of which makes for a fuller understanding of communication in all its forms

Historical Dictionary of Postmodernist Literature and Theater

Fran Mason, 2016-12-12 The main aim of the book has been to include writers movements forms of writing and textual strategies critical ideas and texts that are significant in relation to postmodernist literature In addition important scholars

journals and cultural processes have been included where these are felt to be relevant to an understanding of postmodernist writing This second edition of *Historical Dictionary of Postmodernist Literature and Theater* contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form This book is an excellent access point for students researchers and anyone wanting to know more about the postmodernist literature and theater The New Yorker Harold Wallace Ross, Katharine Sergeant Angell White, 1973 **Günter Grass** Ronald

Hayman, 2024-11-01 Günter Grass is one of the writers who grew up in a Germany already in the grip of Nazism None of them has found better ways than his of translating the sordid history of the movement into fiction none has looked more critically at the denazification and reconstruction of Germany In this important study originally published in 1985 Ronald Hayman scrutinizes Grass's development and assesses his achievement He finds that Grass's more recent work does not fulfil the promise of *The Tin Drum* and his other early novels While this study focuses mainly on the fiction it also takes into account the poetry plays political writing criticism and graphic work Grass is important not only as an exemplar of the guilt laden German conscience but as one of the most ambitious and accomplished living fabulists *The Durham University Journal* University of Durham, 1977 *The A to Z of Postmodernist Literature and Theater* Fran Mason, 2009-07-23

Postmodernist literature embraces a wide range of forms and perspectives including texts that are primarily self reflexive texts that use pastiche burlesque parody intertextuality and hybrid forms to create textual realities that either run in opposition to or in parallel with an external reality fabrications that develop both of these strategies texts that ironize their relationship to reality works that use the aspects already noted to more fully engage with political or cultural realities texts that deal with history as a fiction and texts that elude categorization even within the variety already explored For example in fiction a postmodernist novel might tell a story about a writer struggling with writing only perhaps to find that he is a character in a book by another writer struggling to write a book *The A to Z of Postmodernist Literature and Theater* examines the different areas of postmodernist literature and the variety of forms that have been produced This is accomplished through a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual postmodernist writers the important postmodernist aesthetic practices significant texts produced throughout the history of postmodernist writing and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first century operates **Critical Approaches to Sjó** Linda Badley, Úlfhildur Dagsdóttir, Gitte Mose, 2024-08-20

Critical Approaches to Sjó North of the Sun is the first English language book length study of the works of the Icelandic

contemporary poet Sjönn Sigurjón Birgir Sigurðsson b 1962 who is considered by some to be Iceland's most distinctive and multifaceted contemporary author This collection of essays introduces readers to Sjönn's rich body of writing and its transmedial and stylistic range cultural breadth thematic diversity and intellectual depth Essays in the volume have been brought together from around the world and cover Sjönn's beginnings as a neo surrealist performance artist and poet translated into over 20 languages his career as a novelist translated into over 30 languages and his collaborations with translators singer songwriters film directors and other writers Approaches range from the narratological historical ethical epistemological and mythological to theoretical methodologies such as thing theory queer theory disability studies and ecocriticism **The Publishers Weekly** ,1886 Günter Grass Revisited Patrick O'Neill,1999 This book focuses on the skills of Gunter Grass as a literary artist **Book Review Index** ,1975 Every 3rd issue is a quarterly cumulation

Contemporary Authors New Revision Daniel Jones,1999-05 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world's most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually

From The Diary Of A Snail Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has been much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**From The Diary Of A Snail**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

From The Diary Of A Snail Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From The Diary Of A Snail free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From The Diary Of A Snail free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer

free PDF downloads on a specific topic. While downloading From The Diary Of A Snail free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading From The Diary Of A Snail. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From The Diary Of A Snail any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About From The Diary Of A Snail Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. From The Diary Of A Snail is one of the best book in our library for free trial. We provide copy of From The Diary Of A Snail in digital format, so the resources that you find are reliable. There are also many Ebooks of related with From The Diary Of A Snail. Where to download From The Diary Of A Snail online for free? Are you looking for From The Diary Of A Snail PDF? This is definitely going to save you time and cash in something you should think about.
