From The Valley Of Shadow:

In the Valley of the Shadow James L. Kugel, 2011-02-01 TEN YEARS AGO Harvard professor James Kugel was diagnosed with an aggressive likely fatal form of cancer I was of course disturbed and worried But the main change in my state of mind was that the background music had suddenly stopped the music of daily life that s constantly going the music of infinite time and possibilities Now suddenly it was gone replaced by nothing just silence There you are one little person sitting in the late summer sun with only a few things left to do Despite his illness Kugel was intrigued by this new state of mind and especially the uncanny feeling of human smallness that came with it There seemed to be something overwhelmingly true about it and its starkness reminded him of certain themes and motifs he had encountered in his years of studying ancient religions This I remember thinking was something I should really look into further if ever I got the chance In the Valley of the Shadow is the result of that search In this wide ranging exploration of different aspects of religion interspersed with his personal reflections on the course of his own illness Kugel seeks to uncover what he calls the starting point of religious consciousness an ancient sense of self and a way of fitting into the world that is guite at odds with the usual one He tracks these down in accounts written long ago of human meetings with gods and angels anthropologists descriptions of the lives of hunter gatherers the role of witchcraft in African societies first person narratives of religious conversions as well as the experimental data assembled by contemporary neuroscientists and evolutionary biologists Though this different sense of how we fit into the world has largely disappeared from our own societies it can still come back to us as a fleeting state of mind when you are just sitting on some park bench somewhere or at a wedding while everyone else is dancing and jumping around or else one day standing in your backyard as the sun streams down through the trees Experienced in its fullness this different way of seeing opens onto a stark new landscape ordinarily hidden from human eyes Kugel's look at the whole phenomenon of religious beliefs is a rigorously honest sometimes skeptical but ultimately deeply moving affirmation of faith in God One of our generation's leading biblical scholars has created a powerful meditation on humanity s place in the world and all that matters most in our lives Believers and doubters alike will be struck by its combination of objective scholarship and poetic insight which makes for a single beautifully crafted consideration of life s greatest mystery A valley of shadows, by G. **Colmore** Gertrude Colmore, Gertrude Weaver, 1892 The Valley of the Shadow of Death John Cox, 2019-12-30 In 2003 Cox was leading a normal life and experiencing no health problems He had a successful law practice was actively involved in sports such as tennis and golf and was an avid outdoorsman He and his wife were empty nesters and now had time to travel As he was undergoing his annual physical checkup he noticed the doctor listening more intently to his heartbeat After several tests the doctor delivered a shocking diagnosisYou have a serious heart murmur caused by a defective valve that can only be treated through open heart surgery During the next several weeks as he prepared for his surgery his faith was challenged and his prayer life shifted into a higher gear Days after his surgery Cox awoke in his dimly lit hospital room not knowing

where he was or why he was in the hospital As his wife explained to him his situation and condition he lay back into his bed and as tears filled his eyes he thanked God for answered prayers and drifted off to sleep reciting Psalm 23 This experience brought to life verse 4 of the most quoted Psalm and ushered the author safely through his valley of the shadow of death which in his case was a serious illness All human beings will face and endure the difficulties of many sorts and proportions Ultimately we will all face physical death The Christian by virtue of his or her faith will not go through these trials alone God is near and will walk with us through whatever valley we may find ourselves in It is when we are face to face with the shadow of death that we must deepen our trust in God and find comfort in his presence Walking through the Valley of the Shadow of Death Kathryn Cunningham, 2024-05-11 On February 6 2023 eight year old Dallin Cunningham fell from a slide at school and hit his head on the frozen ground On the evening of the next day his mother Kathryn sang him lullabies as his soul slipped quietly through the veil Walking through the Valley of the Shadow of Death is her account of what filled those two days the sorrow the tears the decisions and most importantly the miracles It is a witness of the awful inevitability of death that mountain that looms over this valley of mortality It is a testimony of the loving mercy of our Savior Jesus Christ the only one who can warm and guide us when that mountain s oppressive shadow darkens our path Through this book Kathryn Cunningham offers her testimony that in her days of deepest distress she tested the words of our prophet that we should seek and expect miracles and found they were true This story will help you see miracles in your own life and losses and it will strengthen your testimony of the truthfulness of the plan of salvation In the Shadow's Valley Eugene Denton, 2013-02 Discontented with the life the Lord has given him Don Belisle embarks on an adventure that he was never supposed to experience when he takes a job as a civilian contractor for the US military in war torn Afghanistan Trapped in a foreign hostile environment he struggles to re establish his once vibrant relationship with the Lord But weeks after his arrival he is captured by insurgent forces tortured and imprisoned Don escapes captivity along with a ragtag group of other former captives and they begin to fight their way across unfamiliar unfriendly territory to get to a small Coalition military base Don isn t afraid of dying He s afraid of dying outside of the Lord s will and favor because of his sin in coming to Afghanistan in the first place He learns the hard way that there is a difference between receiving forgiveness and forgoing consequences Join Don as he encounters the realities of war seeks the God he rebelled against and fights for survival In the Shadow s Valley
