From Sphinx To Oracle Through The Libyan Desert T:

From Sphinx to Oracle Arthur Silva White,1899 *Dakhleh Oasis and the Western Desert of Egypt under the Ptolemies* James C. R. Gill,2016-07-08 Through an analysis of recently discovered Ptolemaic pottery from Mut al Kharab as well as a reexamination of pottery collected by the Dakhleh Oasis Project during the survey of the oasis from 1978 1987 this book challenges the common perception that Dakhleh Oasis experienced a sudden increase in agricultural exploitation and a dramatic rise in population during the Roman Period It argues that such changes had already begun to take place during the Ptolemaic Period likely as the result of a deliberate strategy directed toward this region by the Ptolemies This book focuses on the ceramic remains in order to determine the extent of Ptolemaic settlement in the oases and to offer new insights into the nature of this settlement It presents a corpus of Ptolemaic pottery and a catalogue of Ptolemaic sites from Dakhleh Oasis It also presents a survey of Ptolemaic evidence from the oases of Kharga Farafra Bahariya and Siwa It thus represents the first major synthesis of Ptolemaic Period activity in the Egyptian Western Desert *The Trans-Saharan Slave Trade* John Wright,2007-04-03 This compelling text sheds light on the important but under studied trans Saharan slave trade The author uncovers and surveys this the least noticed of the slave trades out of Africa which from the seventh to the twentieth centuries quietly delivered almost as many black Africans into foreign servitude as did the far busier but much briefer Atlantic and East African trades Illuminating for the first time a significant but ignored subject the book supports and widens current scholarly examination of Africans essential role in the enslavement of fellow Africans and their delivery to internal Atlantic or trans Saharan markets **The American Annual Cyclopedia and Register of Important Events of the Year ...** ,1899 **Appletons' Annual Cyclopaedia and Register of Important Events** ,1899 **From Sphinx to Oracle Through the Libyan Desert to the Oasis of Jupiter Ammon** Arthur Silva White,2014-03 This Is A New Release Of The Original 1899 Edition General Catalogue of the Public Library of Detroit, Mich.
