From Start to Finnish Leila White, 2025 **From Start to Finnish** Leila White, 2012 Finnish: An Essential Grammar Fred Karlsson, 2015-05-15 This thoroughly revised third edition of Finnish An Essential Grammar is grounded in fundamental insights of modern linguistics and incorporates some of the latest achievements in the description of written and spoken Finnish It gives a systematic account of the structures of the written language and offers increased attention to the key characteristics of present day colloquial Finnish No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon Features of this new edition include pronunciation guide including the tendencies in present day colloquial Finnish thorough descriptions of morphology word structure and syntax sentence structure clear rules and an abundance of concrete examples from both written and colloquial Finnish updated vocabulary in the examples an effective new scheme for detecting the morphological structure of any word form subject index This is the ideal reference source both for those studying Finnish independently and for students in schools colleges universities and adult classes of all types History of the Finns in Michigan Armas Kustaa Ensio Holmio, 2001 A history of the Finnish people in Michigan published in English for the first time **Modern Finland** Harald Haarmann, 2016-10-04 Providing a multifaceted view of modern Finland this book describes its history culture language geography natural history and the mythology of early peoples Topics include Fenno Scandia inhabitants and their environment traditional naturalism and modern environmentalism and the salient features of Finnishness including an analysis of the Finnish educational system and gender equality Finland s art architecture and music are highlighted along with its peace keeping missions worldwide The country s several ethnic groups and their languages are discussed the Saami Finns Finland Swedes Russian speaking peoples Jews and Gypsies The author examines Finland s late but rapid development in commerce and industry with a focus on the history of Nokia Corporation which grew from a 19th century manufacturer of pulpwood and rubber boots to a 21st century international digital communications company Bilingual Education Jim Cummins, P. Corson, 2012-12-06 This volume provides a comprehensive account of the implementation of bilingual education programs in countries throughout the world For academics graduate students and policymakers this volume clearly outlines the social and educational goals that can be achieved through bilingual education It highlights the need to take account of the complex political context of inter group relationships within which bilingual programs are inevitably embedded **Standardizing Minority Languages** Pia Lane, James Costa, Haley De Korne, 2017-09-22 The Open Access version of this book available at <https://www.taylorfrancis.com/books/9781138125124> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license This volume addresses a crucial yet largely unaddressed dimension of minority language standardization namely how social actors engage with support negotiate resist and even reject such processes The focus is on social actors rather than language as a means for analysing the complexity and tensions inherent in contemporary standardization processes By

considering the perspectives and actions of people who participate in or are affected by minority language politics the contributors aim to provide a comparative and nuanced analysis of the complexity and tensions inherent in minority language standardisation processes Echoing Fasold 1984 this involves a shift in focus from a sociolinguistics of language to a sociolinguistics of people The book addresses tensions that are born of the renewed or continued need to standardize language in the early 21st century across the world It proposes to go beyond the traditional macro micro dichotomy by foregrounding the role of actors as they position themselves as users of standard forms of language oral or written across sociolinguistic scales Language policy processes can be seen as practices and ideologies in action and this volume therefore investigates how social actors in a wide range of geographical settings embrace contribute to resist and also reject aspects of minority language standardization *Commerce Reports* United States. Karen-Margrete Frederiksen,Sanne Larsen,Linda Bradley,Sylvie Thouësny,2020-12-14 Despite the Covid 19 pandemic the EUROCALL society succeeded in holding the 28th EUROCALL conference EUROCALL2020 on 20 21 August as an online two day gathering The transition process required to make this happen was demanding and insightful for everyone involved and in many ways a logical consequence of the core content and purpose of EUROCALL Who would be better suited to transform an onsite conference into an online event than EUROCALL CALL for widening participation was this year s theme We welcomed contributions from both theoretical and practical perspectives in relation to the many forms and contexts of CALL We particularly welcomed longitudinal studies or studies that revisited earlier studies The academic committee accepted 300 abstracts for paper presentations symposia workshops and posters under this theme 57 short papers are published in this volume We hope you will enjoy reading this volume the first one to reflect a one hundred percent online EUROCALL conference Online Gathering

European Military Culture and Security Governance Tamir Libel,2016-03-17 This book offers the first systematic comparative analysis of military education and training in Europe within the context of the post Cold War security environment Based on an analysis of military education institutions in the UK Germany Finland Romania and the Baltic States this book demonstrates that the convergence of European military cultures since the end of the Cold War is linked to changes in military education The process of convergence originates at least in part from the full or partial adoption of a new concept by post commissioning professional military education institutions the National Defence University Officers are now educated alongside civilians and public servants wherein they enjoy a socialization experience that is

markedly different from that of previous generations of European officers and is increasingly similar across national borders In addition this book argues that with the control over the curricula and graduation criteria increasingly set by civilian higher education authorities the European armed forces while continuing to exist and hold significant although declining capabilities stand to lose their status as a profession in the traditional sense This book will be of much interest to students of military European security policy European politics and IR in general *Littell's Living Age* Eliakim Littell, Robert S. Littell, 1885 **Problems of Communism**, 1959 *Digitised Newspapers - A New Eldorado for Historians?* Estelle Bunout, Maud Ehrmann, Frédéric Clavert, 2022-12-31 The application of digital technologies to historical newspapers has changed the research landscape historians were used to An Eldorado Despite undeniable advantages the new digital affordance of historical newspapers also transforms research practices and confronts historians with new challenges Drawing on a growing community of practices the impresso project invited scholars experienced with digitised newspaper collections with the aim of encouraging a discussion on heuristics source criticism and interpretation of digitized newspapers This volume provides a snapshot of current research on the subject and offers three perspectives how digitisation is transforming access to and exploration of historical newspaper collections how automatic content processing allows for the creation of new layers of information and finally what analyses this enhanced material opens up impresso Media Monitoring of the Past is an interdisciplinary research project that applies text mining tools to digitised historical newspapers and integrates the resulting data into historical research workflows by means of a newly developed user interface The question of how best to adapt text mining tools and their use by humanities researchers is at the heart of the impresso enterprise
