Frontier Wolf:

Frontier Wolf Rosemary Sutcliff, 2013-08-31 We are the scum and the scrapings of the Empire They tipped out the garbage bin of the Eagles to make us what we are In disgrace after a mistake that cost the lives of half his men Alexios arrives in Castellum It s his first command but it isn t really a promotion The Frontier Wolves who man this outpost in the far north of Roman Britain are a fierce and savage bunch a far cry from the regular legions he d served in before Alexios will only survive if he learns to understand them and win their respect and he s determined to try *Wolf Totem* Jiang Rong, 2015-09-08 Chen Zhen volunteers to live in a remote settlement on the border of Inner and Outer Mongolia There he discovers life of apparent idyllic simplicity based on an eternal struggle between the wolves and the humans in their fight to survive Chen learns about the spiritual relationship which exists between these adversaries *Wolf's Empire: Gladiator* Claudia Christian, Morgan Grant Buchanan, 2016-06-28 In the Galactic Roman Empire eight noble houses fight for power One gladiator fights for justice This is *Wolf s Empire Gladiator* by Claudia Christian and Morgan Grant Buchanan When her mother and brother are murdered young noblewoman Accala Viridius cries out for vengeance But the empire is being torn apart by a galactic civil war and her demands fall on deaf ears Undeterred Accala sacrifices privilege and status to train as a common gladiator Mastering the one weapon available to her a razor sharp discus that always returns when thrown she enters the deadly imperial games the only arena where she can face her enemies But Fortune s wheel grants Accala no favors the emperor decrees that the games will be used to settle the civil war the indigenous lifeforms of the arena world are staging a violent revolt and Accala finds herself drugged cast into slavery and forced to fight on the side of the men she set out to kill Set in a future Rome that never fell but instead expanded to become a galaxy spanning empire Accala s struggle to survive and exact her revenge will take her on a dark journey that will cost her more than she ever imagined *Civil Aeronautics Board Reports* United States. Civil Aeronautics Board, 1965 **Death of the Corn King** Barbara L. Talcroft, 1995 Talcroft explores Sutcliff s use of sacred themes through twelve of her most famous novels **The Timber Wolf in Wisconsin** Richard P. Thiel, 1993 In early 1958 in the far northern town of Cornucopia Wisconsin s last timber wolf was accidentally run over by an automobile The humane intention to end the animal s suffering produced a grisly aftermath the wolf survived the impact of the car was bludgeoned with a tire iron twice but survived and finally had its throat slit with a restaurant knife This horrifying scene is certainly an apt if appalling symbol of the timber wolf s early fate in Wisconsin Feared detested hunted down for state authorized bounties the animal was systematically exterminated as an enemy of man and progress Yet this bleak chapter in the history of conservation has a happier ending Seventeen years later in 1975 the timber wolf had officially reestablished itself and as a protected species is now flourishing under the care of Wisconsin s Department of Natural Resources Few can be more caring than the author a DNR educator in wildlife management As an inquisitive teenager Richard Thiel began his pursuit of the Wisconsin timber wolf s story in the mid 1960s and has been at it

ever since The result is this arresting intensely readable book a story of fear mistrust and misunderstanding that ends thankfully as one of hope and appreciation

Frontier's End Robert Gish,1988-01-01 The western frontier was officially pronounced closed in 1890 the year Harvey Fergusson was born in Albuquerque He spent his life reopening it in a series of novels stretching from the classic Wolf Song to the belatedly acclaimed Grant of Kingdom and The Conquest of Don Pedro In this first full biography and critical study Robert F Gish sees Fergusson as a modern frontiersman in love with the outdoors women and writing The scion of New Mexico family prominent in business and politics Fergusson moved restlessly from one new frontier to another always seeking to recreate in his life and work the adventure and freedom enjoyed by his ancestors After a strenuous open air life by the Rio Grande he went east to raise a ruckus as a journalist and then to Hollywood as a screenwriter all the while testing his sexual mettle Finally freelance writing was the only frontier available to one of his imaginative energy Fergusson s early novel Wolf Song is still considered one of the best ever written about the mountain man Gish shows the writer embracing the gloriously masculine and atavistic role of a lone rider even as he scorned the worship of the primitive Fergusson struck up a friendship with H L Mencken and Theodore Dreiser who influenced his literary style and played a part in the development of Taos and Santa Fe as meccas for artists and writers Based on extensive research including Fergusson s diaries and correspondence Frontier s End goes a long way toward reconciling the regional with the mainstream in American literature in the person of a serious novelist whose importance is finally being recognized

materials at hand filling the seemingly empty midlands with history and significance Ryden reveals that there are many Wests many New Englands many Souths and many Midwests all raising similar issues about the cultural politics of region and place Writing with appealing freshness and a sense of adventure he shows us that place and the stories that emerge from and define place can be a source of subversive energy that blunts the homogenizing force of region inscribing marginal places and people back onto the imaginative surface of the landscape when we read it on a place by place landscape by landscape book by book basis
