Investigating Language Central Problems In Linguistics:

Investigating Language Ronald Wardhaugh, 1993-01-01 This book is intended for anyone with a serious interest in language but particularly for students taking introductory courses in language and linguistics It is not a catalogue of facts and theories but a book about ideas and issues Rather than summarize the range of research being conducted in linguistics today it explores a number of the fundamental questions which concern linguists setting out what the key issues are in trying to find suitable answers Although the issues are discussed within the framework of modern linguistics they are treated in a way that is as accessible as possible The book includes a glossary of technical terms and a chapter outlining the way

language is described in generative grammar Book jacket **Text Linguistics of Qur'anic Discourse** Hussein

Abdul-Raof, 2018-09-21 Text Linguistics of Qur'anic Discourse is an in depth investigation of the fabric of Qur'anic Discourse It unravels the texture of the macro Qur'anic text its cohesion and coherence systems the notions of intertextuality semantic relatedness and thematic sequentiality the macro textual features of ellipsis repetition and argumentation structure and the contextual co-textual grammatical and semantic factors involved in the macro Qur'anic text This book is a valuable and methodologically consistent learning and teaching academic resource for universities worldwide in this intriguing new discipline Through its methodologically coherent discussion and in depth analysis that is hinged upon modern European text linguistics Text Linguistics of Qur'anic Discourse provides an insight into the newly established discipline of text linguistics and explores the different layers of the macro Qur'anic text as an academic requirement *Linguistics* H.
