In Search Of Jason:

In Search of Jason Andrew Grover,2000-09-01 IN SEARCH OF JASON is the story of Jason Reilly a lowly employee at B Pictures a cut rate New York City film production company whose owner Mr B is a confidante of many curious characters inhabiting both sides of the law In the course of one of his many errands for Mr B Jason goes to hand some papers to a diplomat at the United Nations and in the course of his time there misplaces a film script he was carrying From that loss dire consequences arise for the film for which the script was written was to have been shot in the Caribbean with the production serving as cover for a drug courier operation run by one of Mr B s less than legitimate pals an underworld dynamo named Sickly In addition to his illegal interests Sickly has entertained a lifelong legitimate interest in some day becoming a major feature film producer Thus the idea of someone like Jason not only endangering his profits which would be bad enough but also imperiling his cinematic opportunity of a lifetime is an outrage to which the only answer can be one of summary execution Now its one thing when youre seeking to prove your innocence to a law officer who theoretically is subject to some constraints but when youre trying to explain yourself to a paranoid gunman who acknowledges no laws save those in his own options become more limited Such is the case for Jason So after narrowly avoiding being murdered in his bed and getting run over by a speeding car aimed at a pay phone booth hes calling from Jason makes his escape from the city He heads for the New Jersey Turnpike Chesapeake Bay Virginia the Carolinas Georgia the Florida swamps Miami and finally the Caribbeans blue carpet Along he way he picks up a partner in crime or perhaps innocence Dr Sam Albert is a former 1960s college revolutionary present day psychiatrist and off hours bush pilot whose set of wings Jason finds useful in Miami when the ships captain hes hired to take him afloat begins to cause problems Later while island hopping in the Caribbean with Albert Jason gets unwittingly another partner in the form of Aringapu a Central American Indian whose ancestors 500 years earlier were either massacred or driven off the very island where Sickly now proposes to set up his supreme shoot You wouldnt expect Jason to come to earth practically right under Sicklys Ray Bans Youd think it would be the last place Aringapu would want to turn up in too Youd think above all that the good Dr Albert skilled in providing wise counsel and comfort would look out for Jasons interests and fly him out at once Youd be wrong on all counts particularly on the last You might also expect on this page to find out how it all wraps up but this place is meant to stimulate your appetite not satiate it All that can be said for now is that in a curious and appropriate way the punishment fits the crime

15 Minutes to Live Vincent

Tanner,2022-05-10 In February 1968 Andy Warhol coined the phrase fifteen minutes of fame His actual statement is slightly different He said In the future everybody will be world famous for fifteen minutes This is not about Andy Warhol nor is it about fame It is about fifteen minutes Fifteen minutes Not a very long amount of time by any standard However while it is a very brief period to some it can seem like an eternity to others depending on the situation and the circumstances You need to be somewhere important in just fifteen minutes and you are not quite ready Those minutes seem to fly by You are stuck in

traffic on your way to catch a plane your flight boards in fifteen minutes Those minutes disappear as if by magic It is just one quarter of an hour fifteen short minutes 900 seconds but they are different things to different people To some they are too short to others they are too long This is not a very long book However it will take more than fifteen minutes to read Yet it contains only five chapters each separate one is about how five distinguished people deal with fifteen minutes These are not the best fifteen minutes of their lives it is their last fifteen minutes The question to you is What would you do with your one quarter hour your fifteen minutes your 900 seconds What would you be thinking What would run through your mind if you knew for certain that you had only Fifteen Minutes to Live

Quatro Vincent Tanner,2022-03-11 Why Quatro It is pretty simple Quatro means four and this book contains four novellas These four works are not related to one another in any possible way except for the fact they were all written by the same author They all have distinct characters with diverse personalities Where each story takes place is unique They are all of varying lengths and not surprisingly they all have individual titles so it does not matter in which order you read them 15 Minutes to Live Five chapters five dissimilar people five separate locations five different times All with one thing in common they all have only fifteen minutes to live Hamden Notch A sleepy little town with a grisly little secret HouseBeat There s no place like home except if the home doesn t want you there Crust Heaven Travel back in time before computers before cell phones even before most homes had televisions Back when life was simpler especially when viewed through the eyes of a nine year old boy
