that often arise when we busy ourselves with the weighty responsibility of interpreting Holy Scripture As iron sharpens iron so also these Reformed scholars challenge each other and their readers to ask not only how hermeneutics can be done but ultimately how it should be done so that God's Word of Truth may be handled correctly 2 Tim 2:15

**Leaves of Healing**, 1929 *Truth and Consequences* Ralph E. Carlson, 2015-08-07 Have you ever asked the question does God exist Have you ever wondered about the source of life on earth and in particular human life Creationism intelligent design and evolution are three approaches to answering these questions While evolutionists are adamant that their claim has been proven to be a scientific fact it turns out that their so called proof uses an invalid logical argument Hence at this point in time evolution is merely a conjecture and not a scientific fact Instead of attempting to answer these questions through inductive arguments Truth and Consequences offers a different logical approach that restates the questions as propositions A proposition is a statement that is either true or false Then the consequences of their respective truth values can be analyzed The first proposition is an Infinite Intelligent Entity IIE exists If that proposition is true it leads to a second proposition the IIE created life on Earth and in particular human life If both propositions are true it leads to a third proposition there is life after death If any of these propositions are false the bottom line is that it leads to a dead end Ultimately if these foundational propositions are true it leads to a fourth proposition Jesus lived some two thousand years ago By continuing to build on these propositions and follow their conclusions we can better discuss not only the existence of God as such but also contemporary issues like modern day threats to Christianity in America

can find the proper Christian response to tough situations or problem behaviors      *Eschatology* Michael Scantlebury, 2020-10-15 This book you are holding was being prepped for release at the end of 2019 but the Spirit of the Lord interrupted my plans and asked me to hold off for the time being After discussing this leading with other men of God whose opinions I value I decided to postpone its publication Fast forward with me five months to one morning when the Holy Spirit woke me in the early hours Do you remember the day I asked you to pause your work on the book He continued What is happening now the Coronavirus pandemic this is why I had you delay it At the time when I was first writing the chaos of COVID 19 did not exist or at least it was not yet made public But the resulting global lockdown has had many Believers and even the unsaved asking if this is the end of the world The spirit of fear and dread has gripped the hearts of so many the Lord said to me NOW is the time to release this book Imagine you are a time traveler who has traveled back to the 1800s You meet Abraham Lincoln and reveal to him that you have arrived from the 21st century He might ask you how people send messages in the 21st century you could try to explain how the email system works How would you describe it You re trying to communicate how fast an email really is delivered but you re trying to do it in a way that wouldn t totally blow his mind Would you use imagery with which he s familiar Perhaps you would tell him it s like a postman riding his horse at 500 miles per hour Or you might liken it to delivering a message by train from New York to LA in less than one day That s the conundrum we face when trying to understand difficult verses in the Bible especially on themes like eschatology The prophetic writers of Scripture were limited to conveying God s mysteries in language their readers would understand Two to three thousand years later as we read these prophetic Scriptures through a 21st century lens it is possible to come up with strange speculative interpretations This especially happens when we don t understand what those Scriptures would have meant to a first century Believer or to a Jew living in the time of the Old Testament Prophets The book before you delves deeper into this topic and much more as it presents you with a biblical view of eschatology      **The Restoration of Zion** Michael Scantlebury, 2019-08-16 When you hear the word Zion what comes to mind As Christians we ve sung the choruses and the hymns about Zion or Mount Zion but do we fully understand just what we re singing about Do we know what it is The Bible promises the full restoration of Zion and if we don t fully know what Zion is what then do we anticipate in terms of its restoration The greatest hindrance to accurate interpretation and application of Scripture is a futuristic view of Scripture This futuristic view continues to rob the Believer of experiencing God in His fullness in the here and now In this book we will uncover within the Scriptures exactly what Zion actually represents to the New Testament believer So lay down any preconceived ideas you may have delve into the pages of this book and let it speak truth to you      **Combating the Lies of Satan** Shirley White, 2013-04-29 Satan is on a rampage he has inundated our world with a multiplicity of dangerous lies and is convincing men to feast on them while rejecting Gods holy Word However even though Satans concocting these lies man is not an innocent party to this deception Satan may be spreading lies but man entertains them of his own volition and

perpetuates them Man is electing to reject God and the doctrinal teachings of the Bible he prefers to indulge teachings that agrantly contradict Scripture Man is Satans accomplice he is complicit and culpable because he disregards the Word of God and chooses lies over truth Average people have no clue theyre being deceived by a clever and diabolical spirit Satans deception and cleverness are so astute that hes convinced many to believe the lie that he doesnt exist However he does exist and the purpose of this book is to expose him his lies and his deceptions and to expose refute and combat the numerous deadly lies so prevalent in our world today that many have embraced Much in this book will be seen by many as controversial and politically incorrect but this book is factual and biblically sound it will equip you with knowledge and insights from the Word of God to prevent you from falling prey to Satans deceptions God loves you Jesus died for you and it is my prayer that you carefully consider and investigate everything in this book and make the crucial decision to believe God and His Word versus Satan and his lies
