**Cisco CCENT/CCNA ICND1 100-101 Official Cert Guide, Academic Edition** Wendell Odom, 2013. CCENT CCNA ICND1 100 101 Official Cert Guide Academic Edition is a comprehensive textbook and study package for a beginner level networking course. This book has been completely revised to align to Cisco's new CCENT 100 101 ICND1 exam. Material is presented in a concise manner focusing on increasing student retention and recall of exam topics. The book is printed in four color allowing students to benefit from carefully crafted figures that utilize color to convey concepts. If you're looking for a lower priced option for your students consider the Standard Version. The book content is the same with the same instructor resources but is printed in black and white and the books have a slightly different layout with chapter opening assessment questions instead of review questions. The Standard Version does not include the premium edition eBook and practice test but does include a CD with practice test software. See ISBN 9781587143854.
