D. Cousins, Daniel Derrin, 2020-11-29 This is the first collection of essays since George Sherburn s landmark monograph *The Early Career of Alexander Pope* 1934 to reconsider how the most important and influential poet of eighteenth century Britain fashioned his early career The volume covers Pope s writings from across the reign of Queen Anne and just beyond It focuses in particular on his interaction with the courtly culture constellated round the Queen It examines for instance his representations of Queen Anne herself his portrayals of politics and patronage under her reign his negotiations with current literary theory with the classical tradition with chronologically distant yet also contemporaneous English poets with current thought on the passions and with membership of a religious minority In doing so it comprehensively reconsiders anew the ways in which Pope increasingly supportive of Anne s rule and mindful of the Virgilian rota sought at first to realise his authorial aspirations

**John Keats and the Culture of Dissent** Nicholas Roe, 1998 Keats and the Culture of Dissent sets out to recover the lively and unsettling voices of Keats s poetry and seeks to trace the complex ways in which his poems responded to and addressed their contemporary world It offers new research about Keats s early life opening valuable new perspectives on his poetry Two chapters explore the dissenting culture of Enfield School showing how the school exercised a strong influence on Keats s imaginative life and his political radicalism Imagination and politics intertwine through succeeding chapters on Keats s friendship with Charles Cowden Clarke his medical career the Cockney milieu in which Keats s poems were written and on the immediate controversial impact of his three collections of poetry The author deftly reconstructs contexts and contemporary resonances for Keats s poems retrieving the vigorous challenges of Keats s verbal art which outraged his early readers but which was lost to us as Keats entered the canon of English romantic poets      *The Cambridge bibliography of English literature. 3. 1800 - 1900* Frederick Wilse Bateson, 1940      **The Cumulative Book Index** , 1907 A world list of
