The background of the entire page is a futuristic, high-tech control room. In the center is a large, circular, white table with a glowing blue light underneath. Several black office chairs are arranged around the table. The walls are covered with multiple large screens displaying various data, charts, and maps. A large, glowing blue globe is suspended in the center of the room, surrounded by a network of lines and nodes, suggesting a global network or data flow. The overall color scheme is dominated by blues and greys, giving it a modern, technological feel.
