Investigating Using Internet Gde:

Researching Memory and Identity in Russia and Eastern Europe Jade McGlynn, Oliver T. Jones, 2022-10-06 This book offers a collection of innovative methodological approaches to Memory Studies in Russia and Eastern Europe Providing insights into the relationship between memory and identity the twelve chapters provide multidisciplinary analysis of how history is used to reinforce remould and reinvent national and group identities This analysis includes a strong emphasis on interrogating the role of the researcher and the impact of methodology exploring the field s most pressing challenges such as the subjectivity of remembrance reception versus production of discourse and the inclusion of marginal perspectives By focussing on countries in which the past is highly politicised including Serbia Ukraine Poland Russia and the Baltic States the volume also analyses the diverse and often conflicting ways in which historical narratives emerge from these states efforts to create new pasts that shape their respective visions of the future with pressing ramifications across this region and beyond
