Living Celibacy Gerdenio Sonny Manuel, Gerdenio M.

Manuel, 2012 *Living Celibacy* presents five pathways toward promoting the psychosexual health of Catholic priests 1 Live close to God and one's deepest desires 2 Develop broad and deep interpersonal relationships and communities of support 3 Ask for love nurture others and negotiate separation 4 Cope with stress and recognize destructive patterns of behavior 5 Celebrate the holy The pathways are not a theology of celibacy nor do they explain why one chooses a celibate lifestyle Rather they describe how chastity is experienced and enacted what some of the opportunities and struggles might be and how the experience of celibacy can enrich priestly life and ministry Sensible thoughtful sane informed by real life examples and well grounded in both Catholic spirituality and contemporary psychology *Living Celibacy* will prove a valuable resource to all priests who seek to be loving celibate men Too often books on this important aspect of priestly life neglect the psychological dimensions of the celibacy view it only from a sacrificial point of view or rely on an overly abstract theology But as a longtime priest and professional psychologist Sonny Manuel brings a perspective on the celibate life that offers insights both spiritual and practical This is an ideal book for anyone from 4 first year seminarian to an experienced priest Book jacket

Sex Matters Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in Sex Matters Sex to Superconsciousness Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune Sex Matters begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology's way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings

continues to expand reaching seekers of all ages in virtually every country of the world *Rethinking Celibacy, Reclaiming the Church* Michael H. Crosby, 2003-07-02 In this courageous work Michael Crosby offers a trenchant analysis of mandatory celibacy in the Roman Catholic Church He shows how the imposition of celibacy has now revealed a deeper issue the abuse of power as well as the abuse of women and homosexuals in the Church Crosby asserts that to argue that the present discipline of mandatory celibacy is based on the New Testament is a misuse of scripture imposed celibacy continues to be used as a means of maintaining clerical control through fear and intimidation a religious system demanding celibacy exposes a deeper control the abuse of power endemic throughout the system while difficult to live out even when freely chosen enforced celibacy can result in dysfunctional behaviors at all levels Integrating his personal experience as a celibate and cleric with biblical exegesis historical study and the behavioral sciences Crosby believes that healthy celibacy demands intimacy with God and others a healthy church will reorder its current power dynamics in a way that mitigates sexual abuse this will once again reveal Roman Catholicism to be a religion with an inspiring model of evangelical life and witness This updated revision of Crosby's award winning *Celibacy Means of Control or Mandate of the Heart* also addresses the abuse of power in the Catholic Church by those male clerical celibates who control it He convincingly points the way to a Church that will be with all its ministers healthier and holier *Celibacy and Soul* Susan J. Pollard, 2015-01-15 *Celibacy and Soul* Exploring the Depths of Chastity is for women and men who have chosen to live into celibate chastity It is also for those people who live celibate love and though not vowed to a religious calling know the way of celibate love as their path You may find yourself celibate not by choice or you may hope it is a temporary stage Perhaps life interrupted your plans with the death of a loved one the loss of a relationship the situation of illness the trauma of abuse or you simply didn't settle with the desired partner and you want to find meaning in your life as a celibate person *Celibacy and Soul* is also useful for those in the helping professions as the work of a therapist asks a celibate kind of loving that can be catalyst for change in both clients and practitioners *The Core of Gandhi's Philosophy* Unto Tähtinen, 1979 *Fundamental Theology of the Priesthood, A* Cardinal Ouellet, Marc, 2023 The Symposium for a Fundamental Theology of the Priesthood held at the Vatican from February 17 to 19 2022 inaugurated a new phase of theological and pastoral reflection in the context of contemporary questions regarding the ministry of priests and the priesthood of the baptized The deepening of the relationship between the two participations baptismal and ministerial in the one priesthood of Christ is fundamental for renewing the mission of the Church in the spirit of openness and dialogue of the Second Vatican Council This perspective is also pertinent for the promotion and communication of all vocations especially that of women whose charisms are yet to be fully recognized and integrated in their rightful place within the life of the Church Finally and no less important this reflection offers synodal practice a solid theological foundation for making the participation of the faithful dynamic which must not only correct the limitations and defects of the exercise of the ordained ministry but also actively and permanently exercise the gifts and

charisms that the Holy Spirit has poured out on all baptized people

A Theological Anthropology of Self-Realization

Jennifer Slater O.P, 2012-07-31 The book addresses the intriguing problem of human self realization precisely because of the diverse uses of the term which ranges from abstract philosophical theological theories to practical psychological spiritual applications Jennifer Slater draws the concept from Karl Rahner the twentieth German theologian who uses the term self realization in his theology on freedom and symbolism relating it to the basic free choice which the human person makes to be for or against God Divine Jennifer Slater explores this fundamental free choice which is at the same time a basic choice about oneself She writes from the understanding that the human person is radically free to become the choices she or he makes and freedom is the capacity for definitive self realization In the book she shows that in the exercising of freedom humans precisely as historical beings are also transcendent beings Jennifer grapples with the perception that since human self realization involves the power to make decisions which in reality actualizes a persons own reality how then does this self realization come about and where does the Divine fit into the process If self realization is related to the human self and to the Divine Self she then questions what constitutes the self and self realization This struggle practically employs the woman in general and in particular the woman consecrated to a vowed life The pervasive question throughout is What constitutes the self realization of a human woman being
