German emigres with artistic roots in European Expressionism The films psychological depth is revealed stylistically through complex narratives with select directors generating visual poetry as they deal with sex violence and betrayal Some films are based on popular novels inspired by true crime cases A unique approach to film noir scholarship this book discusses the genre s thematic aspects cultural contexts and stylistic qualities For those films based upon novels in depth analysis of the fiction is provided alongside the film version resulting in a fuller more thorough understanding of the genre *The Cadaver King and the Country Dentist* Radley Balko,Tucker Carrington,2018-02-27 A shocking and deeply reported account of the persistent plague of institutional racism and junk forensic science in our criminal justice system and its devastating effect on innocent lives After two three year old girls were raped and murdered in rural Mississippi law enforcement pursued and convicted two innocent men Kennedy Brewer and Levon Brooks Together they spent a combined thirty years in prison before finally being exonerated in 2008 Meanwhile the real killer remained free The Cadaver King and the Country Dentist recounts the story of how the criminal justice system allowed this to happen and of how two men Dr Steven Hayne and Dr Michael West built successful careers on the back of that structure For nearly two decades Hayne a medical examiner performed the vast majority of Mississippi s autopsies while his friend Dr West a local dentist pitched himself as a forensic jack of all trades Together they became the go to experts for prosecutors and helped put countless Mississippians in prison But then some of those convictions began to fall apart Here Radley Balko and Tucker Carrington tell the haunting story of how the courts and Mississippi s death investigation system a relic of the Jim Crow era failed to deliver justice for its citizens The authors argue that bad forensics structural racism and institutional failures are at fault raising sobering questions about our ability and willingness to address these crucial issues **The Lonesome Dove Series** Larry McMurtry,2010-06-01 The timeless bestselling four part epic that began with the Pulitzer Prize winning Lonesome Dove takes readers into the lives of Augustus McCrae and Woodrow Call two tough as nails Texas Rangers in the heyday of the Old West Dead Man s Walk As young Texas Rangers Augustus McCrae and Woodrow Call Gus and Call for short have much to learn about survival in a land fraught with perils not only the blazing heat and raging tornadoes roiling rivers and merciless Indians but also the deadly whims of soldiers On their first expeditions led by incompetent officers and accompanied by the robust dauntless whore known as the Great Western they will face death at the hands of the cunning Comanche war chief Buffalo Hump and the silent Apache Gomez They will be astonished by the Mexican army And Gus will meet the love of his life Comanche Moon Texas Rangers August McCrae and Woodrow Call now in their middle years are still figuring out how to deal with the ever increasing tensions of adult life Gus with his great love Clara Forsythe and Call with Maggie Tilton the young whore who loves him when they sign up to pursue the Comanche horse thief Kicking Wolf into Mexico On this mission their captain Inish Scull is captured by the brutally cruel Mexican bandit Ahumado and Gus and Call must come to the rescue with the aid of new friends including Joshua Deets Jake Spoon and Pea Eye Parker as well as the renowned Kickapoo tracker Famous Shoes

Lonesome Dove Gus and Call now retired from the Texas Rangers and settled in the border town of Lonesome Dove running the Hat Creek Cattle Company are visited by their old friend Jake Spoon who convinces Gus and Call to gather a herd of cattle and drive them north to Montana in order to start a cattle ranch in untouched territory Gus is further motivated by a desire to see the love of his life Clara Allen previously Clara Forsythe who now lives with her children and comatose horse trader husband in Ogallala Nebraska On the way to Montana they travel through wild country full of thieves murderers and a lifetime's worth of unforgettable adventure Streets of Laredo Woodrow Call is back in Texas a Ranger once again and a general gun for hire but increasingly a relic as the westward sprawl of the railroads rapidly settles the once lawless frontier Hired by a railroad tycoon to hunt down a dangerous bandit named Joey Garza Call sets out once again with a hapless Yankee named Ned Brookshire who works for the railroad company that hired Call Call's old friend Pea Eye Parker who initially refused to join the expedition because of his family sets off with the Kickapoo tracker Famous Shoes to try to catch up with Call until he runs into troubles of his own The long pursuit of Garza leads them all across the last wild stretches of the West into a hellhole known as Crow Town and finally into the vast relentless plains of the Texas frontier The Fourth Wall Walter Jon Williams, 2017-10-15 Walter Jon Williams is a visionary of tremendous power and originality He kills every damn time Junot Diaz Pulitzer Prize winning author Dagmar Shaw is back in Hollywood with a plan to lasso a series of emerging technologies into a revolutionary new form of entertainment Sean Makin is a washed up child actor clinging to life on reality television until Dagmar offers him the chance to be a star Sean's past however holds the darkest of secrets and now it looks as if that secret threatens to break loose in a new cycle of violence and murder Sean's determined to succeed even if the path to stardom is splashed with blood But the ultimate secret is Dagmar's and Sean has to decide how much to pay in order to find out what's on the other side of the fourth wall the blending of mystery thriller SF and traditional Hollywood story elements is hugely successful It's one of those ambitious genre bending books in which you keep seeing as you read ways the story could fall apart under its own weight but it never does Surely the best of the Dagmar Shaw series and one of the author's finest novels Booklist starred review This is an ambitious novel blending elements of science fiction thriller and Hollywood epic into one wildly inventive narrative It's the kind of genre bender that you can spend a lot of time trying to describe or you can simply say go read it right now David Pitt Winnipeg Free Press **Male Beauty** Kenneth Krauss, 2014-05-01 Explores how a younger and more sensitive form of masculinity emerged in the United States after World War II In the decades that followed World War II Americans searched for and often found signs of a new masculinity that was younger sensitive and sexually ambivalent Male Beauty examines the theater film and magazines of the time in order to illuminate how each one put forward a version of male gendering that deliberately contrasted and often clashed with previous constructs This new postwar masculinity was in large part a product of the war itself The need to include those males who fought the war as men many of whom were far younger than what traditional male gender definitions would accept as manly extended the range of

what could and should be thought of as masculine Kenneth Krauss adds to this analysis one of the first in depth examinations of how males who were sexually attracted to other males discovered this emerging concept of manliness via physique magazines
