John Clare In Context:

John Clare in Context Hugh Haughton, Adam Phillips, Geoffrey Summerfield, 2005-10-06 The marginalization of John Clare's poetry despite renewed interest in Romanticism and the literature of madness is still an enigma This important collection of new critical essays provides a welcome reappraisal in the wake of Clare's bicentenary and will be a landmark in the history of his reception It includes chapters on landscape and botany Clare's politics his madness Clare and the critics and a remarkable essay by Seamus Heaney on Clare's importance as a poetic precursor

Experience and Relationship Charles Anthony Russell, 1972 John Clare and the Place of Poetry Mina Gorji, 2008-01-01 Traditional accounts of Romantic poetry have depicted John Clare as a peripheral figure an original genius whose talents removed him from the mainstream This volume helps to show that far from being brilliant yet isolated Clare was deeply involved in the rich cultural life of both his village and the larger metropolis Offering an account of Clare's poems as they relate to the literary culture and burgeoning literary history of his day Mina Gorji defines the context in which Clare's work can best be understood in relation to eighteenth century traditions as they persisted and developed in the Romantic period

John Clare's Religion Sarah Houghton-Walker, 2016-05-06 Addressing a neglected aspect of John Clare's history Sarah Houghton Walker explores Clare's poetry within the framework of his faith and the religious context in which he lived While Clare expressed affection for the Established Church and other denominations on various occasions Houghton Walker brings together a vast array of evidence to show that any exploration of Clare's religious faith must go beyond pulpit and chapel Phenomena that Clare himself defines as elements of faith include ghosts witches and literature as well as concepts such as selfhood Eden eternity childhood and evil Together with more traditional religious expressions these apparently disparate features of Clare's spirituality are revealed to be of fundamental significance to his poetry and it becomes evident that Clare's experiences can tell us much about the experience of religion faith and belief in the period more generally A distinguishing characteristic of Houghton Walker's approach is her conviction that one must take into account all aspects of Clare's faith or else risk misrepresenting it Her book thus engages not only with the facts of Clare's religious habits but also with the ways in which he was literally inspired and with how that inspiration is connected to his intimations of divinity to his vision of nature and thus to his poetry Belief mediated through the idea of vision is found to be implicated in Clare's experiences and interpretations of the natural world and is thus shown to be critical to the content of his verse

John Clare's Romanticism Adam White, 2017-07-19 This book offers a major reassessment of John Clare's poetry and his position in the Romantic canon Alert to Clare's knowledge of the work of his Romantic contemporaries and near contemporaries it puts forward the first extended series of comparisons of Clare's poetry with texts we now think of as defining the period in particular poems by Robert Burns William Wordsworth Lord Byron and John Keats It makes fully evident Clare's original contribution to the aesthetic culture of the age by analysing how he explores a wide range of concerns and preoccupations

which are central to and especially privileged in Romantic period poetics including fancy the sublime childhood ruins joy poesy and a love lyric marked by a peculiar self consciousness about sincere expression At the heart of this book is the claim that the hitherto under scrutinised subjective stances transcendent modes and abstract qualities of Clare s lyric poetry situate him firmly within and as fundamentally part of Romanticism at the same time as his writing constitutes a distinctive contribution to one of the most fascinating eras of English literature John Clare Society Journal 34 (2015) Nick Groom, Bridget Keegan, R. K. R. Thornton, Roger Sales, Helen Pownall, Lance Newman, Markus Poetzsch, Jeremy Mynott, 2015-07-13 The official Journal of the John Clare Society published annually to reflect the interest in and approaches to the life and work of the poet John Clare **Palgrave Advances in John Clare Studies** Simon Kövesi, Erin Lafford, 2020-10-22 This collection gathers together an exciting new series of critical essays on the Romantic and Victorian period poet John Clare which each take a rigorous approach to both persistent and emergent themes in his life and work Designed to mark the 200th anniversary of the publication of Clare s first volume of poetry *Poems Descriptive of Rural Life and Scenery* the scholarship collected here both affirms Clare s importance as a major nineteenth century poet and reveals how his verse continually provokes fresh areas of enquiry Offering new archival theoretical and sometimes corrective insights into Clare s world and work the essays in this volume cover a multitude of topics including Clare s immersion in song and print culture his formal ingenuity his environmental and ecological imagination his mental and physical health and his experience of asylums This book gives students a range of imaginative avenues into Clare s work and offers both new readers and experienced Clare scholars a vital set of contributions to ongoing critical debates **Romanticism, Memory, and Mourning** Dr Mark Sandy, 2013-12-28 The subject of Romanticism Memory and Mourning could not be timelier with i e k s recent proclamation that we are living in the end times and in an era which is preoccupied with the process and consequences of ageing We mourn both for our pasts and futures as we now recognise that history is a continuation and record of loss Mark Sandy explores the treatment of grief loss and death across a variety of Romantic poetic forms including the ballad sonnet epic elegy fragment romance and ode in the works of poets as diverse as Smith Hemans Blake Wordsworth Coleridge Byron Shelley Keats and Clare Romantic meditations on grief however varied in form and content are self consciously aware of the complexity and strength of feelings surrounding the consolation or disconsolation that their structures of poetic memory afford those who survive the imaginary and actual dead Romantic mourning Sandy shows finds expression in disparate poetic forms and how it manifests itself both as the spirit of its age rooted in precise historical conditions and as a proleptic power of lasting transhistorical significance Romantic meditations on grief and loss speak to our contemporary anxieties about the inevitable but unthinkable event of death itself *Romanticism, Lyricism, and History* Sarah M. Zimmerman, 1999-05-06 Argues against the persistent view of Romantic lyricism as inherently introspective by relating the poems of William Wordsworth John Clare and Charlotte Smith as well as the letters and prose works of Dorothy

Wordsworth to their historical and literary contexts

Inscription and Modernity John Kenneth MacKay, 2006-09-19

Inscription and Modernity charts the vicissitudes of inscriptive poetry produced in the midst of the great and catastrophic political social and intellectual upheavals of the late 18th to mid 20th centuries Drawing on the ideas of Geoffrey Hartman Perry Anderson Fredric Jameson and Jacques Rancière among others John MacKay shows how a wide range of Romantic and post Romantic poets including Wordsworth Clare Shelley Hölderlin Lamartine Baudelaire Blok Khlebnikov Mandelstam and Rolf Dieter Brinkmann employ the generic resources of inscription both to justify their writing and to attract a readership during a complex historical phase when the rationale for poetry and the identity of audiences were matters of intense yet productive doubt

Birdsong, Speech and Poetry

Francesca Mackenney, 2022-09-22

In the long nineteenth century scientists discovered striking similarities between how birds learn to sing and how children learn to speak Tracing the science of birdsong as it developed from the ingenious experiments of Daines Barrington to the evolutionary arguments of Charles Darwin Francesca Mackenney reveals a legacy of thought which informs and consequently affords fresh insights into a canonical group of poems about birdsong in the Romantic and Victorian periods With a particular focus on the writings of Samuel Taylor Coleridge the Wordsworth siblings John Clare and Thomas Hardy her book explores how poets responded to an analogy which challenged definitions of language and therefore of what it means to be human Drawing together responses to birdsong in science music and poetry her distinctive interdisciplinary approach challenges many of the long standing cultural assumptions which have shaped and continue to shape how we respond to other creatures in the Anthropocene

Mary Jacobus, 2012-09-01

Our thoughts are shaped as much by what things make of us as by what we make of them Lyric poetry is especially concerned with things and their relationship to thought sense and

they described themselves as indisputably modern To be cast in the new time of the nineteenth century was to recognize the weird shapes of historical change to see landscapes scattered with ruins and to mourn the remains of a bygone era Tracing the scars of history writers and painters revolutionaries and exiles soldiers and widows and ordinary home dwellers took a passionate even flamboyant interest in the past They argued politics wrote diaries devoured memoirs and collected antiques all the time charting their private paths against the tremors of public life These nostalgic histories take place on battlefields trampled by Napoleon along bucolic English hedges against the fairytale silhouettes of the Grimms beloved Germany and in the newly constructed parlors of America s western territories This eloquent book takes a surprising completely original look at the modern age our possessions our heritage and our newly considered selves
