Stern,2017-06-28 AT BAT WITH BILL STERN Baseball is a game rooted deep in the heart of America I've loved it ever since I was a kid old enough to yell Take Me Out to the Ball Game As long as I can remember I've been hearing stories of baseball fascinating tales of fabulous heroes from a land where the sun always shines and men never grow old curious legends that grew stranger with age yarns that have been handed down with the years as treasured lore As I grew older and fate cast me in the role of a radio sports reporter and storyteller I've been fortunate to meet many of the heroes old and new Babe Ruth Lou Gehrig Ty Cobb Walter Johnson Connie Mack Grover Cleveland Alexander Tris Speaker Leo Durocher Ted Williams Bobby Feller and Joe DiMaggio to name but a handful who have paraded before my microphone And each in his way has enriched my collection of diamond stories Of the countless stories I've heard from baseball men I've treasured a number to hold keep and remember However a storyteller who has been sharing his most interesting stories with millions of people finds it difficult to be miserly Hence I've chosen my favorites and offer them in print to all my fans for a generous dose of the romance the glamour the color the thrills the drama the comedy and the nostalgia that are all part of this game called baseball Maybe I'll score with some and get shut out on others but here they are just as I treasure them in my sports memory book my favorite baseball stories **Reports of Committees** United States. Giants Base Ball Club James D. Hardy, Jr.,2015-08-13 Though baseball would eventually come to embody the American spirit in the nineteenth century onlookers regarded the game with some ambivalence To capture the hearts of the public baseball needed teams worth watching and no team was a better ambassador for baseball in the 19th century than the New York Giants The pre John McGraw Giants were occasionally very good and frequently very fashionable but they had not yet become the trademark team of the National League that they would become in the early 20th century The Giants were however one of the league's premier teams simply because they played in the country's premier city New York and its Giants epitomized the rise of industrialized America and the need for organized spectator diversions Together the city and the team helped propel baseball into its position as the national pastime **August "Garry" Herrmann** William A.
