organizations that make a lasting impact on their communities If you like this book write a review **Event Volunteering.** Karen A. Smith, Leonie Lockstone-Binney, Kirsten Holmes, Tom Baum, 2014-05-09 Volunteers make important contributions across the spectrum of event settings most visibly at high profile mega events such as the Olympic Games they are volunteers are lauded as Games makers unsung heroes and the like Less visibly volunteers are the heart and soul of community events and festivals often undertaking multi faceted roles from event leadership through to operations and ensuring that these celebrations are made possible in the absence of big budgets and professional event staff This book is the first to showcase and advance international research into the volunteering experience at events drawing on the work of key scholars in this field Events of all sizes benefit from volunteer support but event volunteering research is frequently case study based and individually these cases make a limited impact This text brings together cases from around the world specifically including those that expand theoretical and methodological boundaries It features mega events like the 2012 Olympics and the 2011 Rugby World Cup alongside music festivals and sports events New areas that are examined include the benefits of event volunteering for students the role of volunteers in social enterprise events and new methodological approaches to researching this phenomenon specifically ethnographic and cross national studies This innovative book acts as a global source of key information for practitioners and researchers an important text for students of event management and will provide stimulus for further work in this emerging area **The Impact and Evaluation of Major Sporting Events** Holger Preuss, 2013-09-13 The aim of politicians is to attract new investment to their city or region in order to develop infrastructure such as telecommunications transportation housing or even sport and entertainment facilities Sporting events are also intended to achieve intangible ends such as a better image more know how stronger networks emotional commitment and additional cultural benefits and enhanced identity All these so called event structures can improve sites in a city region by strengthening certain location factors They may improve general living conditions in the longer term and also boost the income of citizens by attracting new businesses tourists conventions or new events Finally they may foster economic growth at the city regional or national level This collection is of particular interest for anyone who intends to enter a bidding process for a major sporting event It offers the host of an event a good introduction to the potential ways to generate economic benefits and will enhance understanding of the economics behind major sporting events This book was previously published as a special issue of European Sport Management Quarterly **Public Sector Volunteer Management** Aminata Sillah, 2022-09-23 In order to effectively and consistently provide services to citizens local governments have had to come up with creative ways for offering services demanded by their citizens One popular approach became the creation of volunteer programs as local governments became increasingly reliant on volunteers Volunteers are one means by which local governments help to increase meaningful engagement with citizens and help meet the increasing needs for public services with limited resources On a broader scale volunteers in public agencies provide a variety of services to fill gaps in creating

and sustaining collective societal goods that otherwise might have been limited due to fiscal stress on local governments or eliminated Public Sector Volunteer Management Best Practices and Challenges adds to the understanding of how management practices may affect retention of volunteers It provides an opportunity to add much needed data to any discussion concerning volunteering at the local government level from the perspective of volunteer coordinators and aims to provide in depth research on local government volunteer management practices This book focuses on best practices identified as necessary for successful volunteer management in the public sector specifically in a local government setting making it a valuable text for researchers academics and students in the fields of public and nonprofit management leadership and human resource management

International Sports Volunteering Angela M. Benson,Nicholas Wise,2017-04-21 Sport volunteering is becoming an increasingly popular motive for international travel Many tourism organisations now advertise sport volunteering projects with colleges and universities also offering students the opportunity to participate in similar projects abroad This is the first book to bring together diverse and interdisciplinary insights into the development of the contemporary sport volunteering phenomenon It addresses conceptual uncertainties and challenges emerging from the growing international sport volunteering market and offers insight into its future directions impact and sustainability Drawing on both quantitative and qualitative methodologies Part I examines volunteering in the context of international sporting events while Part II evaluates volunteering initiatives related to sport development Including case studies from Australia Cameroon Namibia Norway Russia the UK the US and Zambia this substantial volume provides a truly international perspective on the changing roles of sport volunteering Showcasing the latest research from across the globe *International Sports Volunteering* is a valuable resource for any course on sport studies sport event management sport development sport tourism sport geography the sociology of sport or leisure studies **Volunteering in Community Sports Associations** Geoff Nichols,2017-06-01 This review paper focuses on volunteers in community sports associations CSAs Such associations are a major context of sports volunteering across Europe Canada and Australia the countries in which a multitude of sports clubs are represented by governing bodies of sport Their importance is not only in the large numbers of volunteers involved but also in the benefits of such associations to society The clearest of these is the provision of opportunities to take part in sport at a cost subsidized by the efforts of volunteers and thus contributing to physical health However the benefits extend more broadly to the quality of life and the rewards the volunteers themselves receive from association Many community sports associations have a significant number of members who while they do not actually play sport themselves provide opportunities for others and also enjoy the social rewards of membership The aim of this broad ranging review is to introduce the reader to community

sports associations as an example of small volunteer led associations and to make links between academic theory in this area and the more general study of volunteering The breadth of the review allows readers to follow up supporting references on individual topics The author s extensive experience primarily of England and Europe has inevitably led to more examples being drawn from these areas however broader international work is also incorporated It is hoped this review will stimulate readers thinking about volunteering in their own country
