Conversations with John Berryman Eric Hoffman, 2021-03-01 The poetry of John Berryman 1914-1972 is primarily concerned with the self in response to the rapid social political sexual racial and technological transformations of the twentieth century and their impact on the psyche and spirit both individual and collective He was just as likely to find inspiration in his local newspaper as he was from the poetry of Hopkins or Milton In fact in contrast to the popular perception of Berryman drunkenly composing strange dreamlike abstract esoteric poems Berryman was intensely aware of craft His best work routinely utilizes a variety of rhetorical styles shifting effortlessly from the lyric to the prosaic For Berryman poetry was nothing less than a vocation a mission and a way of life Though he desired fame he acknowledged its relative unimportance when he stated that the important thing is that your work is something no one else can do As a result Berryman very rarely granted interviews I teach and I write he explained I'm not copy yet when he did the results were always captivating Collected in Conversations with John Berryman are all of Berryman's major interviews personality pieces profiles and local interest items where interviewers attempt to unravel him as both Berryman and his interlocutors struggle to find value in poetry in a fallen world

John Berryman John Haffenden, 1980-05-15 The poetry of John Berryman occupies an incomparable place in modern American literature This study traces the composition of the major poems and interprets Berryman's characteristic trials and his imaginative triumphs In Homage to Mistress Bradstreet which Edmund Wilson called the most distinguished long poem by an American since The Waste Land Berryman set himself enormous problems of theme and form and overcame them with the vigorous and exciting craft that is described in this book He transformed his personal concerns and historical interests into a fully achieved artistic unity a poem which succeeds both as lyric and as drama Similarly in forging the thirteen year epic of The Dream Songs the tragical history of Henry as the poet

himself called it Berryman resolutely confronted chosen models such as Don Quixote and The Iliad and eventually realised his own design and a unique poetic voice I set up the Bradstreet poem as an attack on The WasteLand Berryman said in his National Book Award Acceptance Speech I set up The Dream Songs as hostile to every visible tendency in both American and English poetry The aim was the same in both poems the reproduction or invention of the motions of a human personality free and determined in one case feminine in the other masculine A chief feature of this study is the remarkably extensive use John Haffenden has made of primary research materials manuscript drafts notes marginalia diary entries and letters all of which are printed here for the first time to illuminate and explain the poems This book is both a critical analysis of Berryman s mature works and an internal narrative of the poet s struggles and success It includes comprehensive notes and commentary on The Dream Songs and on Delusions Etc as well as an authoritative discussion and assesment of Love Fame
