Koocher,Annette M. La Greca,Olivia Moorehead-Slaughter,Nadja N. Lopez,2024 The *Parents Guide to Psychological First Aid* brings together an array of experts to offer parental guidance in helping your child navigate and recover from the everyday stresses they will encounter growing up Clear practical and to the point this is a go to reference that parents will find themselves returning to again and again as their children grow With practical tips nonjudgmental advice and suggestions for additional resources at the end of each chapter this useful and thought provoking book will be of immense value to new and seasoned parents alike *Easy Guide To Relationship Building* Dr. Rekha Kalae, *Breaking the Good Mom Myth* Alyson Schafer,2008-05-19 As a psychotherapist parent educator and parent coach Alyson Sch fer has worked with a great many mothers who in the quest to be a good mother have ended up on the door step of despair Alyson is a forty something suburbanite working mother of two and can speak to these issues both personally and

professionally This book explains the psycho social phenomena of how each person creates their own unique good mother myth and then examines why these myths are not only faulty but could in fact lead to poor parenting marital disaster and individual crisis Her years of educating parents around these concepts afford Alyson the skill to take complex ideas and explain them to a lay audience in a compelling and easy to understand way Capitalizing on the need to present parents with information in an easy to digest format the book is presented as a series of personal stories each highlighting a common parenting myth This format will appeal to tired parents who have little time and energy for academia Instead readers learn by taking a voyeuristic peek into the private family lives of the book s characters Readers can identify with the fictitious parents and coaching clients in the stories and see first hand how the characters life experiences shaped their unique good mother myths and how these myths create conflict in their lives The author offers up ideas for how the character can reject her current thinking and adopt a more useful outlook to improve her situation The story arc allows readers to identify and then project how their parenting may be unknowingly going off the rails The goal of this book is to provide parents with some basic education and a means of self discovery Readers uncover their own good mother myths and are given an eye opening glimpse into potential issues to challenge their thinking A great sense of empowerment is restored as mothers become better able to resist the pulls of their personal and cultural myths and instead begin parenting with greater intention and in ways that are more suitable to proper child guidance
