Disciple Fast Track Becoming Disciples Through Bible Study Leader Guide Richard B. Wilke,Julia Kitchens Wilke Trust,2016-07-19 No additional preparation is needed for the Leader just follow the Guide Use the guide in class only What could be easier Disciple Fast Track an adaptation of the original bestselling Disciple Bible Study provides a viable option for busy people seeking comprehensive engagement over time with the entire biblical text Fast Track groups meet for a total of 24 weeks devoting 12 weeks each to the Old Testament and the New Testament Participants read a manageable 3 5 chapters of the Bible daily in preparation for the weekly meetings which last approximately 75 minutes A brief illustrated review video enables participants to recall important facts

and ideas lively and engaging video presenters then offer insights into the current week's session. Participants have the opportunity to take a spiritual gifts assessment and determine meaningful ways they can serve and live out their discipleship commitment. They also have opportunities for celebrations marking their completion of the Old and New Testament components of Disciple Fast Track. The flexible resources work well with groups of a few participants up to 100.

**Five Means of Grace: Leader Guide** Elaine A. Heath, 2017-09-19 John Wesley gave the Methodist movement and all Christians in general a discipleship pathway to follow. Wesley began with Three Simple Rules or General Rules and followed this instruction a year later with the Five Marks of a Methodist or Character of a Methodist. Wesley observed the need for continuous renewal of relationships with God and others so he established a recurring annual process for God's people to make One Faithful Promise. The Wesleyan Covenant for Renewal. The study by Heath turns to the practices at the center of Wesley's understanding of spiritual growth: the means of grace. This book study guides readers through the five means of grace that John Wesley called instituted meaning these are spiritual practices in which Jesus himself participated and which he encouraged his followers to do. One of the beautiful aspects of Wesley's theology is that spiritual practices are seamlessly integrated with practices of loving our neighbors well. This is why Wesley said there is no holiness but social holiness. A life of genuine prayer inevitably leads to a life of hospitality, mercy, and justice. Through this book study, participants will consider how each of the five means of grace help us as communities of faith to pray more deeply and live more missionally as followers of Jesus Christ. These means are the ordinary channels that God uses to draw us into a fruitful relationship. These five means or channels are: 1. Prayer, 2. Searching Scripture, 3. Receiving the Lord's Supper, 4. Fasting, 5. Conferencing communion fellowship.

*Transforming Evangelism* Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation. Doors are shut hurriedly, phone calls end abruptly, and e-mails left unanswered. After all, isn't this a task better handled by the pastor? Perhaps it's time to reexamine John Wesley's model of evangelism as a full natural circle where it's a communal beginning point rather than a solitary end. The central motive of authentic evangelism is: Having received a message that's made all the difference in our lives, we desire to share that message with others in the hope that it will transform their lives as well. Wesley models an evangelism that reaches out and welcomes, invites and nurtures, and speaks to both head and heart. Evangelism is about relationship, the authors write. How we are in relationship to God, who is able to transform us into new beings. How we are in relationship to our neighbor, whom we must love like ourselves. As one reviewer says, Knight and Powe have given us a relational book. They describe the deep connection between John Wesley's thoughts, Charles Wesley's hymns, scholarly thinking about evangelism, and biblical understandings of the gospel, all in relation to the needs, concerns, and hopes of everyday people. Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor.

Holy Living: Confession Paul W. Chilcote, 2020-02-18

While physical training has some value training in holy living is useful for everything It has promise for this life now and the life to come 1 Timothy 4 8 Christians crave a deeper more intimate relationship with God Spiritual disciplines are activities and practices that guide you in your daily walk through life bringing you closer to Christ They also help you to make a difference in our world Practicing these spiritual disciplines opens you to God s transforming love and help you experience Holy Living Confession may be good for the soul as the saying goes but most people give little thought to its practice at least on a daily basis Like prayer a person s needs tend to trigger a confessional response As a result we often have a limited understanding of the true nature of the practice Confession is so much more than a call to apologize though that is an integral part Confession is fundamentally relational providing the opportunity to experience a much fuller relationship with God This book provides opportunities both to examine and to practice the many forms that confession takes It begins by looking at our confession of faith not sins and what we affirm about the nature and purposes of God From there it moves to exploration and practices of individual confession mutual confession and worship which provides one of the most significant contexts for the people of God to confess their sin before God and one another This is one of series of eight books Each book in this series introduces a spiritual practice suggests way of living the practice daily and provides opportunities to grow personally and in a faith community with others who engage with the practice Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion Other disciplines studied Celebration
