Government Commission Communication:

Government Commission Communication Christin Miller, Bruce McKinney, 1993-10-30 Although governmental commissions are not the only available source of nonpartisan investigation and policy advice their prestige scale of operation and national importance establish the commission as a unique political body This volume provides both general discussions of commission communication and specific analyses of commissions Part One considers definitional and functional issues inherent in commission studies and takes up such concerns as the constraints under which these entities operate Part Two is devoted to case studies of historically politically or socially significant commissions including the Warren Commission investigation of President Kennedy's assassination the President's Commission on Obscenity and Pornography in 1970 the Attorney General's Commission on Pornography in 1986 the Meese Commission the Rogers Commission investigation of the Challenger space shuttle disaster and the Senate Select Committee on POW MIA Affairs The cases are compared and contrasted and the authors research questions and analyses demonstrate the theoretical and methodological pluralism possible in the study of governmental commission communication Recommended for scholars of political science history and political rhetorical small group and organizational communication *Government and Mass Communications* Commission on Freedom of the Press, Zechariah Chafee (Jr.), 1947 **Monthly Catalog of United States Government Publications** ,

Monthly Catalog of United States Government Publications United States. Superintendent of Documents, 1988 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index **Code of Federal Regulations** United States. President, 1968 Special edition of the Federal register containing the full text of Presidential documents with ancillaries and index *Commission on Communications* United States. Congress. Senate. Committee on Interstate Commerce, 1930 *Guide to the Presidency* Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office **Code of Federal**

Regulations ,1988 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries *International Human Rights Law in Africa & Domestic Human Rights Law in Africa* Christof Heyns,Morne van der Linde,2022-11-14 Contrary to popular belief there is a vast body of law dealing with human rights in Africa in existence today The first priority at the moment is consequently not the adoption of new norms or the creation of even more structures the most immediate challenge lies in making the existing structures work and ensuring compliance with the norms already accepted by African societies Access to the relevant material constitutes a necessary precondition for any other gains in this field The aim of this reference work is therefore to make African human rights law accessible to all those involved in or interested in human rights law on the continent in order to strengthen its impact Primary documents are introduced and reproduced and presented in a coherent framework The main institutions public and private dealing with human rights in Africa are identified and discussed Comprehensive overviews of the international human rights legal regimes applicable to Africa as well as country reports are provided Access to this body of law will enable judges practicing lawyers academics and other researchers as well as law reformers NGOs activists and students to both ascertain and assert these rights It will also serve to ensure the development of a stronger indigenous African human rights jurisprudence rooted in local experience history culture and practices This book consequently tries to contribute towards documenting systemising and anchoring the African human rights system This publication replaces and updates the earlier Human Rights Law in Africa Series which appeared on an annual basis from 1996 to 1999 In order to make the publication accessible in Africa the Centre for Human Rights and the Raoul Wallenberg Institute in Sweden have undertaken a targeted distribution campaign on the continent The print edition is available as a set of two volumes 9789004138810 Supplement to the Code of Federal Regulations of the United States of America ,1939 *Hearings* United States. Congress. Senate. Committee on Commerce,1972 Thirty-first Report of Session 2012-13 Great Britain: Parliament: House of Commons: European Scrutiny Committee,2013-02-18 **Federal Register** ,2003-03 **Twelfth report of session 2010-11** Great Britain: Parliament: House of Commons: European Scrutiny Committee,2011-01-17 Twelfth report of Session 2010 11 Documents considered by the Committee on 15 December 2010 including the following recommendations for debate Audit policy Energy 2010 European Citizens initiative EU budget review financial management report to *The Handbook of Public Sector Communication* Vilma Luoma-aho,María José Canel,2020-02-03 A multidisciplinary collection on global public entity strategic communication Research into public sector communication investigates the interaction between public and governmental entities and citizens within their sphere of influence Today s public sector organizations are operating in environments where people receive their information from multiple sources Although modern research demonstrates the immense impact public entities have on democracy and societal welfare communication in this context is often overlooked Public sector organizations need to develop communicative intelligence in balancing their institutional agendas and aims of public

engagement The Handbook of Public Sector Communication is the first comprehensive volume to explore the field This timely innovative volume examines the societal role environment goals practices and development of public sector strategic communication International in scope this handbook describes and analyzes the contexts policies issues and questions that shape public sector communication An interdisciplinary team of leading experts discusses diverse subjects of rising importance to public sector government and political communication Topics include social exchange relationships crisis communication citizen expectations measuring and evaluating media diversity and inclusion and more Providing current research and global perspectives this important resource Addresses the questions public sector communicators face today Summarizes the current state of public sector communication worldwide Clarifies contemporary trends and practices including mediatization citizen engagement and change and expectation management Addresses global challenges and crises such as corruption and bureaucratic roadblocks Provides a framework for measuring communication effectiveness Requiring minimal prior knowledge of the field The Handbook of Public Sector Communication is a valuable tool for academics students and practitioners in areas of public administration public management political communication strategic and organizational communication and related fields such as political science sociology marketing journalism and globalization studies

Communications Satellite Act of 1962, Hearings ... 87-2 ... August 3,6,7,8,9, 1962 United States. Congress. Senate.
