## **Governmental Accountability:**

### **Report Submitted from the Office of Governmental Accountability to the General Assembly In Compliance with Public Act 11-48, "an Act Implementing the Provisions of the Budget Concerning General Government."**

Connecticut. Office of Governmental Accountability, 2012      Institutional Engineering and Political Accountability in Indonesia, Thailand and the Philippines Patrick Ziegenhain, 2015-02-25 Political accountability is a crucial element of any democracy since it is a safeguard against power abuse and corruption both urgent problems of many political systems in Southeast Asia Based on social science theories the author analyses from a comparative perspective the ways institutional engineering concerning different dimensions of political accountability influenced the quality of democracy in Indonesia Thailand and the Philippines By highlighting the successes and shortcomings this book evaluates the degree these institutional reforms resulted in the deepening stagnation or regression of the respective democratization processes in these three Southeast Asian countries      Accountability in Government ,      **New Directions in Comparative Law** Antonina Bakardjieva Engelbrekt, Joakim Nergelius, 2009 This in depth book explores the changing role of comparative law in an era of Europeanisation and globalisation It explains how national law coexists and interacts with supranational and international law and how legal rules are produced by a variety of institutions alongside and beyond the nation state The book combines both theoretical and practically oriented contributions in the areas of law and development comparative constitutional law as well as comparative private and economic law It offers a plurality of perspectives on the theory and methods of comparative law as a legal discipline but also on comparative law when concretely applied in projects of legal aid harmonisation of law and legal reform Offering a multi disciplinary perspective this book will appeal to researchers and policymakers in international organisations It will also serve as a valuable resource for advanced level courses on comparative law and on law reform and legal aid      The Routledge Handbook of State-Owned Enterprises Luc Bernier, Massimo Florio, Philippe Bance, 2020-05-27 State owned enterprises make up roughly 10 percent of the world economy yet they are woefully understudied This handbook offers the first synthesis of the topic since the 1980s and offers a comprehensive reference for a generation The authors provide a detailed explanation of the theory that underpins the expansion of state owned enterprises in the 21st century Each chapter delivers an overview of current knowledge as well as identifying issues and relevant debates for future research The authors explain how state owned enterprises are used in both developed and developing countries and offer an insight into complex and fascinating organizations such as the German municipal conglomerates or the multinational companies owned by states New modes of governance and regulation have been invented to make sure they act in the public interest This handbook brings together a wealth of international scholars offering multiple theoretical perspectives to help shape a brave new world It will be of interest to teachers and students of Economics Public Administration and Business academics established researchers and PhD students seeking rigorous literature reviews on

specific aspects of SOEs as well as practitioners and decision makers in international organizations

**Populism and Key Concepts in Social and Political Theory**, 2023-07-31 This volume aims to generate a dialogue between scholarship on populism and social and political theory It focuses on citizenship class gender cleavages sovereignty accountability participation leadership and parties The volume explores how classical and current theorists developed these categories how they were used by scholars of populism and what populism tells us about their heuristic advantages and limitations The authors of this book have studied populism in Europe the US and Latin America from distinct perspectives The chapters thus focus on experiences in both the Global North and South Contributors are Cecilia Biancalana Paula Diehl Reinhard Heinisch Klaudia Koxha Alfio Mastropaolo Oscar Mazzoleni Enrique Peruzzotti Kenneth M Roberts Luis Roniger and Carlos de la Torre

**Securing Compliance** Karen Yeung, 2004-02-01 Bargaining negotiation and civil penalty sanctions together constitute central techniques used by regulators in securing compliance with the law This book is a timely exploration of

these practices constructing a principled framework for evaluating their legitimacy and thereby drawing into sharper focus the importance of the constitutional principles in regulatory compliance Although Australian competition law provides the focal point of the book its analysis and critique is equally applicable to other competition law regimes and to other areas of business regulation While there are numerous empirical studies of regulatory enforcement this book introduces a normative dimension to the debate by seeking to identify whether there are certain principled and ethical limits that inform and circumscribe the limits of legitimate enforcement practice It is likely to be of interest to scholars in the fields of public law criminology economics and regulation and may also be of considerable assistance to legal practitioners in providing a principled legal foundation from which to draw in their dealings with regulators

**E-Government and Websites** Aroon Manoharan, 2014-11-13 This book presents a citizen centric perspective of the dual components of e government and e governance E government refers to the practice of online public reporting by government to citizens and to service delivery via the Internet E governance represents the initiatives for citizens to participate and provide their opinion on government websites This volume in the Public Solutions Handbook Series focuses on various e government initiatives from the United States and abroad and will help guide public service practitioners in their transformation to e government The book provides important recommendations and suggestions oriented towards practitioners and makes a significant contribution to e government by showcasing successful models and highlighting the lessons learned in the implementation processes Chapter coverage includes Online fiscal transparency Performance reporting Improving citizen participation Privacy issues in e governance Internet voting E government at the local level
